YOU HAVE WRITTEN POEMS!

Do you care to have them revised or constructively criticised by successful authors? If you do, then send us your manuscript (stories, articles or poems). We will criticise, and place them should they prove to be acceptable for publication.

There is no actual charge for our services. If, however, you have not previously enrolled with the advisory department of this association, we request that you enclose the initial fee of two dollars, which we must ask of each new contributor. There is no additional expense, no future obligation.

It must be realized that we can only be of aid to those of serious intent. If you do mean to strive for literary success, we can help you in many ways. Our services are yours until we have actually succeeded in marketing at least one of your manuscripts. Send something today!

Please enclose return postage with your communications.
