The officers of the organization for the present year are: Helen Harrington, president; Thelma Detweiler, secretary-treasurer.

FIRST BASEBALL PRACTICE DRAWS MANY CONTESTANTS

Eatery Squad in Action on Diamond Thursday in Initial Tryout.

The initial baseball practice of the season was held yesterday afternoon when Coach Schissler gave the candidates for pitcher and catcher on the Husker diamond team a light workout. Fifteen men reported for duty yesterday.

The pitchers and catchers will be given a light workout every day from now on until the regular practice begins. The first call for the infielders and fielders will be sent out following spring vacation. John Pickett will assist Coach Schissler with the battery staff until the Freshmen nine makes its appearance. Pickett will act as Fresh coach during the season.

The Varsity schedule is not quite complete as yet and will not be given out until some time next week. Coach Schissler has already scheduled some of the best University team in the middle west and expects to stage some real battles on the new playing field.

Stories Without Love

He asked the professor a question after the bell for dismissal rang and the professor lectured forty-five minutes more.

A fee of seventy-five cents will be charged all members of the University of Nebraska golf club. Those who pay this assessment before next Friday at the office of Director Luehring will be considered charter members. After that date a fee of one dollar will be charged and membership obtained by election. Every male student is eligible.

GREATER NEBRASKA LUNCHEON POSTPONED

The Greater Nebraska luncheon will not be held today on account of the banquet of 1,000 students tonight at St. Paul church. It was found impossible to serve a luncheon today as the preparation for the dinner at 6:15 will take up most of the time. As next Friday will be the beginning of the spring recess, the committee in charge has decided that no more luncheons will be held until the first week after vacation.

All of the luncheons have been well attended to date and the committee has been urged to keep on with the meetings. Each Friday noon a chicken pie lunch has been served to 30 or 100 hundred men students and faculty members. Some prominent outside speaker has been secured and when possible a general discussion by the students follows the address. The purpose of the luncheons has been to develop Nebraska spirit along the right lines. The University Y. M. C. A. is in charge of the affairs.

INTER-CLASS WRESTLING TOURNAMENT NEXT WEEK

Students to Compete for College Honors on Mat—Large Entry List Expected.

Inter-class wrestling will take the center of the stage next week with grapplers from the various classes meeting for the championship. The preliminaries will take place Wednesday afternoon, March 23, beginning at 4:00 P. M.

Dr. Clapp, the Husker wrestling coach, has arranged the eligibility rules so that every one who has had any experience on the mat can have a chance. Any student in the University will be eligible to enter the tournament except those men who are now members of the Varsity wrestling team.

Any student who is attending the University for the first time will be eligible to perform for the first year class. A student must have 30 hours or more University credit before he can participate for the Sophomore class. Juniors must have 60 or more hours and Seniors 95 hours or more.

There will be seven divisions in which a contestant may enter, depending on his weight. The different classes are the 115 pound, 125 lb., 135 lb., 145 lb., 158 lb., 175 lb., and the heavyweight division. For the 115 (Continued on page four.)

TRACK ATHLETES GOING TO OMAHA FOR MEET

Coach Schulte Taking Select Group of Cinder Artists for "Y" Competition.

Coach Schulte leaves tomorrow for Omaha with a few picked men to compete in the indoor invitation track meet held under the auspices of the Omaha Y. M. C. A. A relay team and three or four others will make up the party that will represent Nebraska.

Due to the manner in which the meet will be staged it was found impossible to take as large a number of men as had been planned. The Husker representatives should have no trouble in capturing everything that they will be entered in.

There are now over three hundred men registered for track and Coach Schulte has set the goal at five hundred. The turn out this season has never been equaled at Nebraska and from all indications the Husker school will be represented by one of the greatest cinder path teams ever.

A complete list of the men who have won their numerals and those who have scored points toward theirs will be published in Sunday's issue of the Daily Nebraskan. Coach Schulte's new system has been a great inducement for the building up of a wonderful track team at Nebraska.

SECOND BIG BANQUET SLATED FOR TONIGHT

Committee of 200 Completed Arrangements for Big Gathering Evening.

All arrangements for the second big student banquet under the auspices of the Committee of 200, to be held this evening at 6:15 at the St. Paul church on Twelfth and M streets, have been completed. A limited number of banquet plates will be on sale today at the Y. M. and Y. W. C. A. offices as well as the Student Activities office. Only a few can be sold, the committee announces, as the guarantee for the dinner has already been made.

Bishop H. C. Stunt, who will address the students and faculty members on Life Work Guidance under the general topic of "After College What?" has arrived in Lincoln. An effort is being made to have him remain in Lincoln over Sunday to address several meetings. His speech will be the culmination of the "After College What?" campaign staged this spring by the religious organizations on the campus. Chancellor Samuel Avery will introduce the Bishop.

The Committee of 200 will end its active work for the year tonight and immediately after the spring recess will begin laying plans for next fall. On account of the fact that a large number of the members of the committee will be graduated this spring and will not return to Lincoln next year, a complete re-organization of the personnel of the body is contemplated. An effort will also be made to broaden the scope of the work by bringing into full co-operation some of the religious bodies which have been functioning separately on the campus during the past term.

Other speakers on the program of the banquet tonight include representatives of the faculty, the alumni and of the student body. Dr. Lida B. Earhart of the Teacher's College will give a ten-minute talk on the "After College What" topic. The alumni will be represented by R. O. Williams, prominent lawyer, and the students who will give four-minute talks are Harry Hubbard and Mary Baker.

Laurence Slater is chairman of the committee from the Committee of 200 which had active charge of the banquet. He will preside as chairman of the evening and will introduce (Continued on page four.)

"TALE OF OLD JAPAN" BY UNIVERSITY CHORUS

"A Tale of Old Japan" which the University Chorus will present at convocation Tuesday, March 22, was composed by Coleridge Taylor, a highly educated colored man who lived in England and who is the composer of "Hiawatha." The words are taken from a poem by Alfred Noyes, one of the foremost modern English poets.

This is a little Japanese tale in the usual highly colored, flowery language of the Orient. Kimi, a little Japanese maiden, lives with her uncle, Tenko, an artist. Sawara comes to study painting under Tenko, and Kimi falls in love with him. When he leaves the school he promises to return for her. After waiting three years she is crushed by disappointment and disappears. Sawara returns to paint one of the islands, learns of her disappearance and marries another. He finds Kimi and when she learns that he is married she dies in his arms "like a broken blossom."

LARGE CROWD ATTENDS "THE BELLS" THURSDAY

University Players Score Hit in Tragedy—Cyril Coombs Has Leading Part.

The first performance of "The Bells" was given to an audience that listened breathless to the gripping scenes that ended up the murder mystery. The audience went away deeply impressed by the interpretation of Alsatian life and the exceptional atmosphere of the piece.

Cyril Coombs gave the best characterization he has yet accomplished, though it was not as popular in type as his previous ones. It was a clear cut bit of work; in fact the whole cast set a standard above the ordinary stage production. The whole tone of the play and the players was a delight and satisfied even those who have not a natural taste for tragedy.

PROFESSOR ALEXIS TO SAIL NEXT TUESDAY

Prof. J. E. A. Alexis, of the department of modern languages, will sail from New York on a French liner next Tuesday for Havre, France. He will make an extended trip through France and Spain and will arrive at Madrid in time to enter the University of Madrid for the summer session beginning July 1. He left Lincoln Wednesday.

Professor Alexis has been granted a leave of absence till September 1.

BISHOP NICHOLAI SPEAKS ON NEAR EAST TONIGHT

Open Meeting Will Be Addressed By Speaker of Considerable Experience Abroad.

Bishop Verinovic Nicholai, who will speak on "Questions of the Near East" at an open meeting in the Social Science auditorium at 8:15 this evening, has recently been taking a leading part in the reconstruction work in Serbia. He has done a tremendous work in helping the officials of the new Jugo-Slav state solve the problems of providing care for its five thousand war orphans.

Bishop Nicholai came to this country at the invitation of the Institute of International Education and the Federal Council of Churches of Christ in America. He has just concluded a series of lectures to a number of leading colleges in the New England states. He comes here under the auspices of the International Relations Club.

This prelate of the Eastern Orthodox church speaks English fluently and is an orator and author of note. He is recommended as "a big man here on a big mission, who drives home his points with the fervor and eloquence of a great orator."
