## PLANS LAID FOR ENGINEERS' WEEK

Annual Celebration to Be Held April 18-23—Extensive Program is Planned.

### MANY VISITORS EXPECTED

Annual Banquet on Friday, April 22—James B. Harney of Omaha, Toastmaster.

With the rest of the week given to completing a few remaining details of Engineers' Week, the committee reports that everything is in readiness for the annual celebration to be given April 18-23.

On Tuesday, April 19, F. T. Darow will give the address at convocation at 11 at Memorial Hall. Mr. Darow has been in active engineering with the railroads for several years and will be able to give an interesting address to the engineering students. The annual presentation of a picture by Sigma Tau, the honorary engineering fraternity, will be made. Musical selections by the engineers orchestra will be rendered at that time. Every engineer will endeavor to be there.

Wednesday will be the holiday in the college and the events of the day will be scheduled at the State Farm Campus. Interclass baseball teams will play two games in the morning, the finals being played immediately after lunch which will be had at the State Farm Campus, so that there need be no delay in having to leave to take luncheon in the city. The freshmen team has been organized by N. A. Easter and they are out for early practices so that there appears to be much concern over which class will get the championship. Other teams are picket and each contends that it is the best. Two level races also will be run, one for the men with one semester of surveying, and one for the men having two or more semesters. Prizes for the winning parties will be given and these events are always interesting as they are a practical test for ability and speed. B. O. Dora has complete charge of track events and there are prizes offered for each event. Tennis and boxing will prove drawing cards for many, and the national game of horseshoes will occupy the time of instructors who find time hanging heavily on their hands.

The open night at the University when the engineering laboratories will be in operation to the general public will be on Thursday night. Every

## BIG CIRCUS SCHEDULED FOR ARMORY SATURDAY AFTERNOON

Silver Serpent Production to be Greatest of Its Kind—Big Parade with Lions and Elephants.

The Silver Serpent circus, the greatest of its kind, will be given at the Armory, Saturday afternoon, between the hours of 2:30 and 5:30, for all sophomore and junior girls. This is the third annual performance of the "Big Circus," and it is promised that the ring-show and the side shows will surpass any seen at the circuses in childhood days.

Come and see the big parade, which will march to the music of the jazziest jazz band that ever appeared on the campus. See the funny clowns, the roaring lions and the tame elephants. Don't fail to see the breath-taking acrobats, the trick pony and the Big Man who eats live fish. Come and take a "Trip Around the Globe," see the famous "Cootie from Flanders," the only one in captivity, and don't miss the "World's Champion Swimming Match."

Girls... come and have your fortune told by the lady who reads palms and gives you a picture of your future husband. Come and eat ice cream cones and drink red lemonade. Bring your dime, and have a roarin' good time.

Marguerite Lonam Stott, who will appear in the "Tailor-Made Man," the next production of the University Players, at the Temple Theater April 21, 22, 23.

## COPPOCK CAMPAIGN NETS LARGE AMOUNT

Four Hundred and Ninety-four Dollars Pledged by 139 Women Up to Wednesday Noon.

Four hundred and ninety-four dollars is the total amount pledged by the one hundred and thirty-nine women solicited in the Grace Coppock campaign up to noon Wednesday. The teams started to work Tuesday evening following vesper services.

Ethel Hartley, Nebraska graduate who is now on Miss Coppock's staff in China, sent in ten dollars as her share toward the total of \$1700. Jean Landael who finished in 1920 and is now teaching in Stanton, Nebraska, read of the campaign in a newspaper and sent in a pledge of \$12.

Genevieve Lowry spoke to the workers at the noon luncheon at Ellen Smith Hall Wednesday. She told of the early work in 1914 when the University women first undertook the support of Miss Coppock, when \$350 was the goal. Miss Lowry was a member of the Y. W. C. A. cabinet at that time. She emphasized the fact that the University has grown, that the women are now able to carry out a big campaign, efficiently organized with a big objective and that interest in foreign work has increased. There is constant growth in the University and there is also constant growth in the scope of the work in China.

"Every cent is going to promote a big, vital and growing work in China," Miss Lowry declared. She went on to explain the great demand among the Chinese for such workers as Miss Coppock and told of the remarkable success Miss Coppock has had in her fourteen years of service.

Mrs. Eddy lead devotions. Ada Stidworthy presided and announcements were made by Hattie Hepperley, chairman of the committee. Solicitors reported that a number of women had said they would earn the money which they give to this work. Pledges may be paid any time before May 15.

## C. PETRUS PETERSON TO SPEAK AT LUNCHEON

At the Greater Nebraska luncheon Friday noon, C. Petrus Peterson, former state senator who is the present city attorney, will speak to University men on "Corporation Conscience." Mr. Peterson has been engaged in the practice of law in Lincoln for several years and is well known over the state for the active part he took in the last legislature.

The usual chicken pie luncheon will be served promptly at 12 o'clock. Arrangements have been made with the management of the Grand hotel so that tickets for the luncheon may be secured at the desk each week for 40 cents. This eliminates the necessity of buying tickets on the campus before Friday. The Nebraska in Egypt week activities, although the workers will still be canvassing tomorrow, will not interfere with the plans of the luncheon and there will be no connection between the two programs.

## UNI PLAYERS TO PRESENT "THE TAILOR-MADE MAN"

Next Production Stated for April 21, 22, and 23—Cast Not Yet Announced.

The University Players' next play as formerly announced will be "The Tailor-made Man." Nightly rehearsals are fast preparing the production for its presentation Thursday, Friday and Saturday, April 21, 22 and 23. A large cast is working overtime tho the personnel cannot be announced as yet.

A view of our campus reveals how many Tailormade men we have with us here in school. All of us know and recognize the value of dress, as we have coached in the last ten years by tempting advertisements as to the value of good clothes.

The play, "The Tailormade Man," is one of the business world and tho it does not exactly deal with the type of our Tailor-mades still it takes for its hero just the sort of fellow as we rub shoulders with in our daily classes.

The hero, John Paul Bart, is an apprentice in a tailor shop, who has visions of bigger things. Many of our lighter-minded might compare him to a U of N law; a fellow with a gift of gab, a somewhat flippant outlook on life, an assurance not to be upset, social polish and yet a man of destiny—a big man only needing development. Such a fellow is John Paul, and realizing what he is, he is determined to rise above the tailor shop.

The incidents connected with his efforts to rise form the amusing story. The cast is very well chosen and many new faces will be seen among the players in this production.

The play "Seventeen," that was to be produced at this time is to be played early in May, free of charge, to the patrons of the layers.

## COMPLETE ARRANGEMENTS TO STAGE "FARMER'S FAIR"

Big Pageant Comes April 27 on Farm Campus—Many New Features To Be Added.

At a meeting of the Farmer's Fair Board, Tuesday evening at the Social Science Hall, at which the chairman of the fifteen standing committees were in attendance, detailed arrangements for the fair were thrashed out for the big pageant of the year, which will be staged April 27, on the University Farm Campus.

The tentative plans call for an enlargement of the fair over twice its last year's preparations. This will hold in both the main fair and in the parade. Two more buildings will be used to house the show this year, and plans for a parade of twice the length of last year's event.

The educational exhibits, which the various departments on the University Farm Campus will be housed in the Plant Industry building.

A new feature which will be introduced this year will be Farmer's Fair headquarters, which will be opened up in the Agricultural office on the second floor of the Agricultural Hall. Regular office hours will be kept, with a member of the materials committee on the job all of the time, which will do away with a great deal of the confusion which was manifest last year.

The Fair Board has been negotiating a deal with the Lone Star Ranch of Landers, Wyoming, for five head of "long-horns," to be used in the wild west show, but some difficulty has been encountered in getting steers of the right specifications.

A dead line has been set by the board of April 23 at six o'clock, when all orders must be in for construction materials and signs. The board would appreciate early orders from the heads of the committees, at as early a date as possible, in order to avoid last year's deluge of just before the "battle."

## Y. W. C. A. TO GIVE TEA FOR VISITORS

A tea will be given Thursday afternoon at Ellen Smith Hall from 3 to 6 o'clock in honor of Mrs. K. W. Eddy and Miss Genevieve Lowry, the guests of the University Y. W. C. A. during the Grace Coppock campaign. All university women are invited to call and meet the guests. A number of souvenirs from China will be on display. Several University co-eds will appear in native Chinese costumes. Mrs. Eddy is foreign representative on the national board of the Y. W. C. A. Miss Lowry, a graduate of the University of Nebraska, has spent three years in China on Grace Coppock's staff. She is in the United States on leave.

## Y. W. C. A. WORKERS ADDRESS MEETING

"World Needs Internationalism Expressed in Friendship," Says Genevieve Lowry, '15.

"What the world needs now is internationalism expressed in friendship," were the words of Miss Genevieve Lowry, '15, who struck the keynote of the Nebraska in Egypt, Nebraska in China, mass meeting at the Armory, Wednesday evening. Mrs. A. L. Miller and Mrs. W. E. Eddy, who followed Miss Lowry, enforced this challenge.

The meeting was held to arouse interest in the Grace Coppock and Steele Holcomb campaigns which are being conducted this week on the campus, to raise funds for the support of these two Nebraska graduates in their work in their respective fields, China and Egypt.

Prof. R. J. Poole of the botany department presided, Margaret Perry, '20, Lincoln vocalist, gave several selections.

Miss Lowry took as her subject, the University could not help being "internationalism." She declared that the University could not help being international since its representatives were doing work in every part of the world. To show what Chinese students deprive themselves of to help famine stricken people of their own land she told stories of her experiences with the women of Hangchow. They go without food and deny themselves extra clothing to help their people. She told of the change which has come over the Chinese people in their attitude toward others and how service is now their idea rather than self interest.

"The women and men of China are asking that everything the American women have that is worthwhile be brought to them," she declared and added that now is the time to give help.

"There is a great need in China. That need must be met and met today. If we put it off until next year it may be too late," were her closing words.

(Continued on page four.)

## PALLADIANS WILL PRESENT NEW PLAY

"Aunt Uartha's Wards," a play written by Claire owman, a member of the Palladian Society, will be presented by an entire Pal. cast at an open meeting next Friday evening. The cast follows:

Archie, Junior dramatist...Ned Fisher  
Aunt Martha, guardian of Tess and David .....Harriet Wyman  
Mrs. Bump, landlady ..... Mildred McMillin  
The Major, guardian of James ..... Randolph Majors  
The Deacon, guardian of Jure ..... Ralph Clayton  
June .....Chest Fisher  
Marian, June's chum..... Florence Price  
Tess ..... Florence Slater  
James, Sophomore engineering student ..... Marcus Weldon  
David, James' roommate..... Claire Bowman  
The program begins promptly at 8 o'clock. All students are invited

## TRACK TICKET SALE NOW ON

Sorority Girls to Contest in Big Drive to Dispose of 3,000 Season Tickets.

ALL SORORITIES ENTER Team to Entertain Winning Ten Girls at Big Dinner and Theater Party.

The greatest ticket sale in the history of the University was launched last evening when Coach Schulte and a number of his track stars challenged the various sorority girls to a contest in the sale of season tickets for the coming track season.

Carson, Egan, Gibbs, Gish, Less, Moulton, Newman, Stromer, Wright and Deering will entertain the ten girls who sell the largest number of season tickets at a big dinner to be given at the Lincoln hotel and a theater party afterward. Tuesday night of next week is the date set for this big entertainment. Mr. and Mrs. Schulte and Mr. and Mrs. Fred Dale will chaperon the party.

A mark of 3,000 season tickets for the coming track season has been set by Coach Schulte. All of the sororities have been supplied with tickets and will make a complete canvass of all the fraternity houses and campus. "N" men are organizing about fifteen teams to canvass the down town section of the city. This big drive will begin Friday afternoon.

Big Track Squad. Nebraska has one of the largest track squads in the west and Coach Schulte wants to see the University take her rightful place in this great international athletic sport.

The Cornhusker school is gradually getting the sort of track squad that is needed here. The interest of the student body and the entire city of Lincoln are two of the chief factors needed to accomplish the necessary work.

In order that the scope of interest in the coming track season will be widened to its fullest extent season tickets are being put on sale at the lowest possible price. Two dollars and fifty cents in admissions is being sold for one dollar at the rate of the

## NEW TENNIS CLUB ELECTS OFFICERS FOR REST OF YEAR

Franklin Thomas Named President—Only Club Members May Use New Courts.

The election of officers for the new University Tennis Club took place Tuesday at 5 p. m. Those elected to serve the remainder of the semester were: president, Franklin Thomas; vice-president, Marjorie Barstow; sec'y and treas., Margaret Henderson. Members elected to serve on the executive committee were; Charles Farnham, Gregg McBride, and George Salter.

A constitution prepared by a temporary committee was read and accepted by those present.

About a hundred students were present at the first meeting to show their interest in tennis. Only students who are members of the University Tennis Club will be allowed to play on the new courts that are now nearing completion. The university has constructed these courts at a great expense for the use of the students, and it is necessary to charge a small fee to help keep up the running expenses. A custodian will be in charge of the courts at all times and admittance will be made by presentation of membership card. The fee to be charged for members will be decided upon by the executive committee and be announced at the next meeting.

All students interested in tennis and wishing to join the club, watch the Nebraskan for the announcement of the next meeting, to be held soon.
