PRICE FIVE CENTS

TRACK ATHLETES SPRING SURPRISE

Nebraska Speeds Place Well in
Drake Relay Games at
Des Moines.

WRIGHT AND DEERING WIN

Husker Hurdler Takes High in Time
of 15 2-5 Seconds—Deering
Takes 100 in 10 Flat.

The showing made by the Husker track team in the Drake Relay Carnival last Saturday at Des Moines proved something of a surprise. Some conception of the calibre of the work done by the Cornhusker athletes may be gained from the following points: Of the six events open to universities of the country Nebraska took part in five and placed in four of them. In addition to taking first place in the 100-yard dash and 120-yard high hurdles—the two special events on the program, the Cornhusker half mile and mile relay teams placed fourth in those events.

Deering, the star Husker sprinter, won the century dash from a field of seventeen starters. Deering captured his preliminary and then took the finals in the remarkable time of 10 seconds flat. Deering defeated such men as Paula of Grinnell, Wilson of Iowa, and Kelley of Carnegie Tech. In covering the distance in the time he did, Deering's name will now go on record as a co-holder of the 100-yard dash.

Wright, by winning the 120-yard high hurdle race at Des Moines defeated some of the greatest hurdlers in the country. Last year Wright won the Missouri Valley and Western Conference high hurdle races. In winning the finals Wright defeated thirteen of the best hurdlers in the Valley and Western Conference.

The "sprint" relay team composed of Stromer, Wright, Deering and Ed Smith, ran the half mile relay in 1 minute and 30 2-5 seconds. This record equals the present Varsity record. This quartet won fourth place from a field of eleven entrants. Wright and Smith covering the distance in the fastest time.

The mile relay team consisting of John Gibbs, McCarthy, Stromer and McDonald equalled the present Varsity record of 3 minutes 24 2-5 seconds. The mile team took fourth place. Stromer stepped the quarter in 50 2-5 seconds for the best time with McCarthy only a second slower.

The four mile relay team with only one letter man placed sixth in a field of nine starters. Harry Kretzler ran his mile in 4 minutes and 40 seconds with Dorn and Meyers covering the distance in 4 minutes and 45 seconds. Allen as anchor man ran the mile in 4 minutes and 39 seconds.

UNIVERSITY MEMBERS AS DEBATE JUDGES

High school Debating League judges from the University and Lincoln served Monday evening in two final district championship contests. Prof. Orin Stepanak of the English department; Robert Van Pelt, Law '22, member of Nebraska's affirmative team against Iowa in 1820, and O. K. Perrin, '14, Law '16, of Lincoln (against Iowa 1913) judged the Holdrege-Curtis School of Agriculture, (Southwestern District) debate at Holdrege; and Prof. Maurice Weseen, of the English department; C. L. Clarke, '12, Law, '14 of Lincoln, member of the 1910 team against Wisconsin and the 1911 against Iowa; and Louis Lightner, Law '04 (Kansas 1904) of Columbus judged the West Point-Battle Creek contest in the North Central district.

P. O. HANSON TO SPEAK AT CONVOCATION

P. O. Hanson, who has spent seventeen years in Shantung, China, and is a graduate of the University of Minnesota, will speak on the Shantung problem at Convocation today.

SATISFIED WITH ENGINEERS' WEEK

"The students have assisted in the most successful week in the history of the College of Engineering and the start of a new foundation for an Engineering week which will be looked forward to with increasing interest from year to year," stated a member who compared the events this year with of the Engineers' week committee as other years.

Bigger preparations were made this year than ever before, and the ideal weather made it possible to carry out all the plans successfully.

W. S. G. A. NOMINATIONS TO BE HELD THURSDAY EVENING

Proposal Also Up to Prohibit Week-Night Dates for Freshman.

Nominations for W. S. G. A. board members will be made at a meeting for all women who have paid the W. S. G. A. membership fee, Thursday, April 28, at 7:15 in Social Science auditorium. Elections will be held May 5. At the same meeting a proposal to prohibit week-night dates for freshman will be decided upon.

The present board has nominated six juniors, five sophomores and five freshmen. They will be announced tomorrow. At the meeting Thursday two juniors, two sophomores and two freshmen will be nominated. From the total number nominated, five juniors, four sophomores and four freshmen will be elected to compose next year's W. S. G. A. board.

Any member of W. S. G. A. at the meeting may nominate any other member of W. S. G. A. These will be voted upon and the names of the two from each class receiving the highest number of votes will be placed on the ballot to be used in the elections which, in accordance with a provision in the constitution, will be held a week later.

The ruling prohibiting freshman women to have week-night dates after the opening of school next fall was passed by the W. S. G. A. council. The vote at the W. S. G. A. mass meeting will decide its adoption or rejection.

JACK FISHER RECEIVES WEST POINT APPOINTMENT

Jack S. Fisher, '23, has received an official appointment to West Point Military Academy. He will report at the New York school July 1. Fisher is a sophomore in the University and is enrolled in the Engineering College. He is a member of the Phi Kappa Psi. His home is at Beatrice, and he will remain there from the end of the present school year until he makes the journey east.

GERTRUDE VAILE WILL ADDRESS SOCIOLOGISTS

Field Secretary of Social Work Group
To Speak to Students
Monday Morning.

Miss Gertrude Vaile, Field Secretary of the American Association for Organized Family Social Work, with headquarters at New York City yesterday addressed the sociology class which meets at 10 o'clock Monday.

She discussed the principles underlying social work, which she defined as "organized good will." The minimum qualifications for social workers, according to Miss Vaile are: (1) democratic love of folks; (2) the scientific spirit which gives one an understanding of the background of social problems; and (3) an everlasting faith in the improbability of mankind and his conditions.

Miss Vaile held conferences at 11 and 4 with students interested in social work. She will speak at the Social Service Club Luncheon at the Grand Hotel at 12 o'clock today.

BASEBALL VARSITY TO MAKE KANSAS JUNKET

Coach Schissler Sends Squad Through
Stiff Workout Monday
Afternoon.

Coach Schissler gave the Varsity baseball squad a stiff workout last evening in a practice game against a picked team composed of second string men and some of the regulars. Pickett was on the mound for the pick-ups and was hit hard in a number of innings but held the Varsity hitters helpless when once under way. The second string men were able to connect with a number of safe bingles off of Carman and Atkinson but could only cross the home plate for one counter.

There will be a very important meeting of the reporters of the Daily Nebraskan Tuesday evening, 7 p. m., in U 206.

DISCIPLES CLUB IS FORMED ON CAMPUS

Seventy-five representatives of the city congregations of the Christian church met last week at the call of the University Council and University Pastor, J. W. Hilton. At the meeting an organization called the Disciples Club was formed in the University. The following officers were elected: Francis Diers, President, Harriette R. Boggess, vice-president, and Eunice Hilton, secretary-treasurer. Students wishing to affiliate with the new organization may do so by giving their names to Pastor Hilton.

CHRISTIAN SCIENCE LECTURE GIVEN SUNDAY AFTERNOON

Willis Gross, C. S. B., Tells of
Unity of Religion and
Medicine.

The annual lecture of the Christian Science Society of the University was delivered at the Lincoln church, Twelfth and L streets, Sunday afternoon by Willis F. Gross, C. S. B., a member of the board of lecturership of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

"Christian Science: The Unity of Religion and Medicine," was the subject of the lecture.

Mr. Gross spoke in part as follows: Christian Science has enlarged the borders of Christian activity. It has restored the teaching and practice of primitive Christianity, which included the healing of sickness as well as the overcoming of sin. The Christ-method of healing was the only one recognized in the early Christian church as long as it was considered an essential part of religious teaching and practice. In this age Christian Science is demonstrating that spiritual understanding improves the health as well as the morals of men.

Because one is neither an invalid nor a hardened sinner, it does not follow that he has no need of Christian Science. The fundamental teachings of this Science touch at some point every problem of man's experience, and so it has a rightful place in every field of honest endeavor. Whatever contributes to the welfare of humanity, becomes more productive of good as God's law is understood and obeyed.

The basis of Christianity is a right apprehension of God and man's relation to his creator. The teaching that man was created in the image and likeness of God seemed to have no definite place in human thought and activity until the advent of Christian Science. John declared, "Beloved, now are we the sons of God." The apprehension of this great truth lifts

CHANCELLOR AVERY TO ADDRESS SENIOR CLASS

Chancellor Avery will address the members of the senior class in regard to a new plan he has for "skip day" at a meeting to be held in Social Science 101 at 11:00 a. m., today. In the past a great deal of excitement has prevailed when the underclassmen have tried to kneep-senior men and women President Dick Hadley of the senior class, is desirous of having all fourth year students attend this meeting.

NEBRASKA STUDENTS AID CHINESE FUND

Nebraska students contributed \$38.50 toward the American committee for the China Famine Fund. Mary Sheldon was chairman of the committee which had this in charge. The money was deposited in boxes on posters which had the inscription "3 cents Saves a Life for one Day." This campaign was carried on for two weeks. Miss Katherine von Minckwitz and Miss Valora Hallinger made the posters used in this drive.
