## BUSINESS COLLEGE HEAD PUBLISHES NEW BOOK

Dean J. E. LeRossignol's second booklet on "Scientific Socialism," an explanation and criticism of the doctrines and proposals of scientific socialism, has been published recently. The booklet contains four articles entitled: "The Marxian Theory of Value," "The Marxian Law of In-

creasing Misery," "The Marxian Theory of Surplus Value," "The Socialist Economics of Machinery."

A third booklet will be published in May, and then the three booklets will be published as one book by the Thomas Y. Crowell Company of New York City, who have already published three of Dean LeRossignol's books.

The third booklet is entitled "Sophistry of Socialism."
