IOWA-NEBRASKA DEBATE HELD

Question of Closed Shop Discussed in Masterful Style by School Representatives.

NO DECISION RENDERED

Nebraska's Negative Team in Iowa City Meeting Iowa's Affirmative Team.

The Nebraska-Iowa debate for 1921 on the question, "Resolved that the policy of the closed shop should receive the support of public opinion," was held at the Temple theater before a good sized crowd of University students and alumni. Under the agreement entered into by the two schools there was no decision, but the audience was given an opportunity to ask questions after the close of the rebuttals.

Dean Warren A. Seavey, who acted as chairman introducing the speakers, who is in charge of debating work at Nebraska. The Nebraska cadet band gave a short concert in front of the Temple immediately preceding the debate. The Innocents, with Clarence Haley as chairman, were in charge of the business arrangements, while members of Green Goblins were in charge of the ushering.

That the six debaters were well informed on their subject and that their arguments found favor with the crowd, was shown by the audience at the close of the debate when a lively open forum discussion followed. The Iowa team received the majority of the queries, which are asked in order that the teams may receive practice in strengthening their rebuttal speeches. Cecil Strimple, as third speaker for Nebraska, and Fred Paulson, who closed the Iowa discussion seemed to make very favorable impressions on

LAST DAY TO ENTER TENNIS TOURNAMENT

Close to Forty Men Registered for Singles Competition Thursday Night.

Today is the last day in which students may register for the University of Nebraska tennis tournament which will be held next week. A tourney will be held for both men and women. The singles competition will come first and in all probability be followed by a doubles tourney. Students are registering this week for the singles tournament.

Thirty-five men of the University had signed Friday evening for the singles competition. The purpose of the tournament is not only to determine the best tennis sharks of the school but also to create an added interest in the sport. Students are urged to enter the tourney whether they are skilled at the game or not.

The courts have been filled the past few days with students preparing for the tourney and indications are that the competition will be keen throughout the games.

Among the students showing up well on the courts are Conrado Limjoco, Meliton Lejano, Minor Skallberg, Fred McLeod, Gregg McBride, John Raymond and Don Elliott.

Limjoco is a Phillipino who went to the semi-finals in the Lincoln city tournament in which a field of sixty tennis players contested. His game

GREATER NEBRASKA LUNCHEON.

Mayor Miller will address the Greater Nebraska luncheon today on "Gowns and Towns."

MISS BURGESS TO SPEAK AT VESPERS

Miss Burgess, head of the University Hospital at Omaha, will speak at Vespers next Tuesday evening at Ellen Smith hall. There are only two more Vesper services this year and extra good meetings have been planned. The Freshman Commission are working, under the management of Katherine Wills, on the pageant which they will give at the last meeting of the year.

1921 CORNHUSKER NEARS COMPLETION

The 1921 Cornhusker is rapidly nearing completion. Pictures, write-ups, stories, and jokes are rapidly being sorted out, and only the cream of those submitted are to appear in Nebraska's year book.

Students who have not yet purchased a copy of the annual may do so until Saturday. The business staff has until Saturday to tell the printers how many copies are to be made and orders will be accepted at the Students' Activities office until Saturday afternoon.

SATURDAY LAST DAY TO SIGN FOR OMAHA

Students Must Sign Registration Cards by Tomorrow in Order to Make Trip.

To insure a holiday Friday, May 6, students intending to take the trip to Omaha must register with the committee by Saturday, April 30. Students planning to take the trip by automobile or going with the crowd and returning late Sunday night should register with the committee, for it will be necessary for them to notify the Omaha Chamber of Commerce how many are coming to Omaha.

The Chamber of Commerce must know the exact number who will make the trip, they must know how many automobiles to get to carry the students about Omaha, they must know how many favors to have at the big \$700 dance, they must know how many meals to prepare for, and they must know which trips the students are going to take.

The work necessary to have the students signed up at Lincoln is very great, for checking must be done, firms in Omaha notified, the railroad told how many students will be on the chartered train to Omaha, and how many of these will return late Friday night.

To help the committee, and insure a holiday May 6, it will be necessary for the students to show true Nebraska spirit and make the trip a success.

STUDENT ADDRESSES MATHEMATICS CLUB

Bernardino Guerrero, an engineering student, addressed the members of the Mathematics Club at a meeting held Thursday evening in Social Science 113, on "Drawing of Curves by Linkage." Following the talk was a business meeting of the club at which time amendments to the constitution concerning the election of officers were passed. May 12 was chosen as the date for a wienier roast for the club, at Antelope park. The members of the club will meet at the Temple at 6:00 o'clock.

Mr. Guerrero used a number of models which he made himself by which he drew a number of curves. He said that the modern method of drawing straight lines, by means of a system of links, is the only way to draw a perfectly straight line. The straight edge, or common ruler method is very inaccurate.

At the next meeting Dean Engberg will give an explanation on a few of card tricks. A feature of the evening will be a twenty-minute program by a saxophone band from the University School of Music.

W. A. A. WILL FEATURE IN SPECIAL EDITION

The Womans' Athletic Association will be featured in the Daily Nebraskan May 13. Sue Stille and Marjorie Barstow are in charge of the articles to be printed by the paper and will tell of the work, ideals, and results of the W. A. A. Various girls connected with the association and in charge of the different phases of work will contribute articles for the special issue of the paper.

NEXT WEEK-END TO BE LONG REMEMBERED

Omaha Day and Farmers' Fair, Day committees are working with each other to make the two days a success. Omaha day, May 6, and Farmers' Fair, May 7, have in the past been celebrated together and this year a close co-operation exists between the two committees. Thursday, May 5, will be a holiday at the Farm campus so that final preparations for Saturday may be completed. Friday will also be a holiday for the entire university provided 1,000 sign up to take the trip to Omaha.

NEBRASKA BALL NINE STARTS WITH VICTORY

Husker Diamond Performers Wallow Kansas Farmers to Tune of Five to Two.

NEBRASKA WINS AGAIN

Manhattan, Kas., April 27.—Nebraska defeated the Kansas Aggies this afternoon 6-5 in a warmly contested game on the Aggie diamond.

Nebraska won her first Conference game of the season Wednesday by defeating the Kansas Aggies at Manhattan by a 5 to 2 score. Munger on the mound for the Huskers allowed the Aggies four scattered hits.

Both teams worked well and the Huskers were able to score in only one inning when all five of the runs were put across. Poole, the Husker right fielder, hit the ball in the nose for a triple after the bases had been filled. McCrory had previously scored Carr with a single and Munger brought Poole in for the final run with a single.

The Aggies scoring came in the eighth inning after Munger had walked Guilfoyle and Huston was hit with a pitched ball, Dickerson tripled to left scoring both men but was left on the third sack. The error column for the Husker nine showed a goose egg for the total while the Aggies had only one marker against them.

The Huskers played the Aggies the second game of the series yesterday and will play at Lawrence today and tomorrow. Schoepel will probably work against the Aggies today with Carman on the mound against the Jayhawks in the first game at Lawrence and Munger performing in Saturday's contest.

Following is the score by innings:

	R.	H.	E.
Nebraska	0	0	0
Kan. Ags.	0	0	0
Batteries—Munger and Anderson;	5	10	0
Otto and Guilfoyle.	0	0	0
Umpire—Larry Quigley.	2	4	1

THETA SIGMA PHI TO PUBLISH ONE ISSUE

Theta Sigma Phi, womans' professional journalistic fraternity, will be in charge of the publication of the Daily Nebraskan, Sunday, May 1. Each year, since Theta Sigma Phi was installed at Nebraska, it has been the custom for them to publish the paper one day during the year. The women of the organization are already at work getting "copy" for this issue, which they promise to be an exceptionally good one.

HIGH SCHOOL LADS COMPETE IN TRACK

Nebraska Conducts First Annual Pentathlon—Many Schools Have Entered Competition.

Nebraska's first annual high school pentathlon is being staged this week in state high schools. The affair is being conducted by the athletic department of the University of Nebraska under the personal supervision of Track Coach Henry F. Schulte.

Contestants will participate at their own high schools and records will be kept and sent in to Coach Schulte. A schedule of crediting the athletes with points has been drawn up and awards will be made on the basis of the records sent in.

All records must be made between April 23 and May 1, inclusive. After the records have been compared and checked over by the athletic department, announcement of the scores will be made on May 7. Medals will be awarded to the ten highest athletes.

One thousand points will be awarded to any athlete equalling the state high school record in any event. For bettering records, points will be added according to a scale. Points will be awarded for marks under the state record, according to a set scale. Contestants must compete in one event in each of the groups: Jumps, weights and runs. For the other two events, he may select from the remaining events.

CORNHUSKERS.

A few copies of the Cornhusker are left and may be subscribed for at the Student Activities office. This week is the last opportunity to secure the 1921 annual.
