

As a special inducement to students to own a book of photogravures we are going to reduce the price to what they actually cost us.

✕ ✕

We want every student to have one of these books. They were made up by the Albertype Comyany, New York City. The workmanship is the best and will surely please you.

✕ ✕

One of these will be a good addition to your collection of kodak views of the campus which you expect to keep for a long time.

✕ ✕

The book of hand-colored views will be reduced from 1.50 to 1.00. The book of sepia-colored views from 1.00 to 75c. The small 75c. book to 50c.

✕ ✕

These prices will be in effect only for six days. Last day Saturday. Get one of these books today.
