at Omaha and at the University.
Omaha has announced several addi-
tional features. Those in charge of
the University's phase of the prepara-
tions have called for a meeting of all
Omaha students Wednesday at 7

meeting one hundred leaders will be
named to head the various groups.
Ticket sales will be checked up and
it will be necessary for every person
selling tickets for Omaha day to be
present with all unsold tickets and
the money for those sold. Enrollment
will close at noon Wednesday.

Enrollment in the fine arts group
which makes its trip in the morning
has reached the limit and is closed,
but an optional afternoon trip is
being arranged. The schedule for it
will be announced Thursday.

Final instructions for the Omaha
day excursion will appear in the Daily
Nebraskan Thursday. It is absolutely
necessary that everyone intending to
make the trip read them.

Group 5, the business administra-
tion group to inspect wholesale
houses, will visit the Peterson &
Pegau bakery and the Omaha Cold
storage plant as well as the new
\$100,000 Trimble Bros. building which
was included in the trip as announced
previously. Mr. Gamble, vice-presi-
dent of the First National bank, will
speak to the business administration
students.

Athletic Club as guests of the United
States National bank.

The Hotel Men's association will
entertain the journalism group at
luncheon.

Group 1 for agricultural men will
accommodate 300. This number has
not yet enrolled. Special word has
come in that it will be a distinct dis-
appointment to the Omaha Chamber
of Commerce if this quota is not
reached.

DEBATE QUESTION IS DISCUSSED IN CLASS

Two of Nebraska's representatives
in the closed shop debate with Iowa,
April 28, discussed that question Mon-
day morning in Prof. G. O. Virtue's
Economics 12 class, of which they are
members. E. T. Grether, '22, Love-
land, Colo., of the affirmative team,
and Sheldon Tefft, '22, Weeping
Water, of the negative team, spoke
fifteen or twenty minutes, after which
there was an open-forum, give-and-
take discussion.

YOU WILL WANT TO SEE
the Educational Exhibit at the
Farmers' Fair! There are only
four more days until May 7.
Yes; you'll want to be there.
That'll be your night to HOWL.

All inter-fraternity baseball
entrance fees must be paid to
John Pickett before Thursday
night.

PLAY FIRST CO-ED BALL GAME TODAY

The opening game of the girls'
series of inter-class baseball will take
place today at 11 o'clock on the
athletic field. The juniors will meet
the seniors. Both teams are well
picked and have expert players, and
the fight promises to be a good one.
Those remembering the games last
year, found the game between these
two classes the closest one in the
tourney.

The freshman second team will
meet the mixed team Wednesday at
11 o'clock. The first freshman team
and the sophomore team will clash
Thursday at 11 o'clock. The finals of
the inter-class scrap will be played off
the day of the girls' track meet.

K U--HUSKER FIELD MEET NEXT ATTRACTION

Jayhawkers Meet Nebraska Next
Saturday Afternoon in a
Dual Meet.

The Kansas-Nebraska track and
field meet will be the main center of
attraction for the University on Satur-
day afternoon. The Jayhawk-Husker
dual meet will be staged on Nebraska
field at 2:30 p. m. and will be one of
the best meets that Nebraskans have
seen in recent years.

Kansas has the greatest track team
she has had in ten years. The giant
Sandefur won the shot put at Penn
with a put of 43 feet 9 inches. He
placed second in the discus with a
throw of 135 feet 6 inches. Bradley,
the Kansas representative on the
Olympic team and Olympic pentathlon
champion puts the shot 42 feet 10
inches and throws the javelin and
discus 170 feet and 128 feet respec-
tively. In addition to these events
he runs the 100-yard dash in 19 1-5
seconds, clears the high hurdles un-
der 16 seconds, broad jumps 23 feet,
and high jumps 5 feet 11 inches.

O'Leary and Rinehart are fifty sec-
ond men in the quarter. Westmeier
runs the 100-yards in 19 1-5 seconds
and the 220 in 22 3-5 seconds. The
Jayhawks are well represented in the
880 with Dierking and Meidiger who
did 2:00 1-5 in the Missouri indoor
dual meet. In the mile and two mile
runs Kansas will enter Pattison who
runs the mile in 4:30 and Massey who
can do 9:40 for the two mile. These
two stars will be supported by James
and Wilson the other two members of
the great four mile relay team that
Kansas exhibited at the Drake Relays.

WRIGHT'S RUN SENSATION OF PENN STATE MEET

Husker Athletes Put Up Good Fight
in Eastern Classic Last
Saturday.

Coach Schulte, Floyd Wright, Dave
Deering and Clarence Moulton re-
turned yesterday morning from Phila-
delphia, where the trio of Husker ath-
letes took part in the Penn Relay
Classic.

Wright captured second place in the
120-yard high hurdles and Deering
finished fourth in the broad jump.
Moulton failed to place in the discus.
The first day of the relays was by far
the better of the two on account of
the bad weather that prevailed Satur-
day and made the races slower.

Floyd Wright's race against Thomp-
son of Dartmouth, the Olympic cham-
pion and world's record holder and
Barron of Penn State, the second place
man in the Olympics, Wynne of
Notre Dame, Smalley of Pennsylvania,
Coughlin of Sewanee, Hill of Ohio
and a dozen others, was one of the
features of the meet. Wright won
his first heat in 15 3-5 seconds and
Thompson winner of the finals made
the same time. In the finals Thomp-
son, Barron, Wright, Wynne and
Coughlin got away to an even start
and topped the first hurdle together.
From that point on the race resolved
itself into a battle between the six
foot three world's champion and the
doughty Husker athlete.

Thompson was falling behind an
inch or two over every hurdle. Wright
leading the easterner about a yard at
the sixth hurdle. Wright hit the
seventh hurdle and on the eighth
hurdle Thompson caught the Husker
star, gaining about six inches on the
ninth barrier. In the final sprint

STUDENTS VOTE ON SINGLE TAX

Election on Live Issue Called for
May 12-13—Backed by
Student Council.

WILL BALLOT TWO DAYS

Meeting of Presidents to Be Held
Wednesday in Social
Science Hall.

A meeting of all presidents and
chairmen of all campus organizations
in the auditorium of Social Science
Hall at 7:15 Wednesday evening, May
4, and a general election to be held
Thursday and Friday, May 12 and 13
in which every student will be asked
to cast his ballot in favor of the
Single Tax, was the result of a spe-
cial meeting of the Student Council
Monday afternoon at 5 o'clock in
Faculty Hall, Temple building.

It was decided unanimously to send
circular letters to every student who
is enrolled at the University, telling
him of the advantages of the Single
Tax and asking him to vote favorably
to it at the coming election. In order
that the proposition is to have weight
with the Board of Regents two-thirds
of the student body must vote favor-
ably on the issue. For this reason
each student is asked to urge three
other students each day until the
election to vote for the Single Tax.

With Council Election.

The election on the Tax will be
held in conjunction with the election
of the members of the Student Coun-
cil for 1922 on Thursday, but the polls
will be open all day Friday on the
former issue in order that every stu-
dent in school will have the oppor-
tunity to cast his ballot.

The meeting of presidents and
chairmen of all campus organizations
which has been called Wednesday is
for the purpose of spreading Single
Tax propaganda into every corner of
the campus. The editor of the Daily
Nebraskan was present at the meet-
ing yesterday and told something of
the need of the Single Tax.

CIVIL ENGINEERS PLAN ELECTION WEDNESDAY

The Civil Engineers' society will
hold an election of officers for 1921-22
Wednesday evening, May 4, in M. E.
206, at 7 p. m.

R. E. Glover will give an illustrated
lecture on the theory and field tests
of the Harding universal engineers'
instrument. Paul O. Harding, the in-
ventor, was formerly a student in the
College of Engineering and an active
member of the C. E. society. He has
sent special drawings and data for
use with the above lecture.

MYSTIC FISH DANCE DATE ADVANCED A DAY

The Mystic Fish subscription dance
which was to have been given Friday
evening has been changed to Thurs-
day evening, May 5, at the Lincoln
hotel. In order not to conflict with
Omaha day, members of the fresh-
man girls' honorary sorority who are
sponsoring the party, decided to ad-
vance the date one day.

Polly Butler and his orchestra have
been secured to play and the commit-
tee on arrangements is planning to
make the party one of the biggest and
best of the spring. Tickets may be
secured from any Mystic Fish during
the week for \$1.10.

VARSIITY TENNIS.

sity of Nebraska Varsity tennis
