Students Seek Jobs Of All Kinds At Employment Bureau

Over four hundred students have so far been placed in jobs by the Lion's club in charge of the employment bureau in connection with the University Y. M. C. A.

The bureau is located in the library in the east end of the Commercial Club lounging rooms and a secretary is at the desk all the time.

All Lines of Work

There is a great variety in the kinds of work the students are seeking—everything from dish washing to teaching and accounting being included in the applications.

The large number of applications in which students are asking for enough work to pay their way thru completely indicates that many are here without any financial backing whatever.

Some want to work only for their board and room, others for only their clothes and spending money. The general atmosphere that pervades the place, however, is one of a desire to get the wherewithal to get thru the university, and the means and methods matter little so long as they lead to the end.

PEKAR AND HARDING ASSISTANTS TO FOGG

Assistants to M. M. Fogg in the department of journalism this semester will be Joe Pekar and N. Story Harding. Miss Lillian Margolin is secretary to Mr. Fogg.

COACH ROCKNE IS NOT OPTIMISTIC

Bear Dope Drifts In From Notre Dame as the Season Approaches

TALE OF WOE IS STARTED

Hoosiers Start the Practice Grind Minus a Number of Their Veteran Stars

NOTRE DAME, Ind.—Fifty candidates responded to the call of Coach Rockne for the opening practice of the season Thursday morning.

George Gipp, all-American sensation of the 1920 season, Joe Brandy, Frank Coughlin and Morris Smith, all-western selections and Dave Hayes and Norm Barry, stars of three seasons, have been lost to the squad.

Fred Larson, husky center of last season, will probably not return to school and will leave a weak spot in the center of the line which will be farther emphasized by the loss of Smith at guard.

Halas Is Assistant

Coach Rockne is being assisted by Walter Halas, former Illinois star, who also coaches baseball and basketball at Notre Dame.

Rockne Spreads Gloom

In discussing the prospects for the year, Rockne was far from optimistic. "Prospects are only fair," he said, "and no one acquainted with the real situation can expect more than a mediocre season."

Seventy-five freshmen reported for the first practice under Coach Barry Holton. The squad was inclined to beef and promises to offer lots of resistance to the varsity.

ALL-UNIVERSITY SING HELD FRIDAY NIGHT

Students Met on the Campus for One of the First Big Parties of the Year

The first all-university "sing" held on the campus Friday evening, was sparsely attended, due in most part to the fact that it was not known among the student body that such an event was to take place.

A platform had been erected, chairs provided, and spotlights turned on to the platform, so that all could see, and everything was in readiness for a large attendance.

Farm House fraternity led the list of University of Nebraska fraternities both semesters of last year, according to figures made public by Executive Dean Carl Engberg.

The first semester of the 1920-21 year the Farm House had no delinquency among its membership. The second semester showed a delinquency of 1.57 per cent.

Chi Omega led the sororities in scholarship the first semester with a record of 8 per cent delinquency. Achoth was first the second half of the year.

The fraternity members led the non-fraternity members the first semester but lost out the second semester.

Figures for the first and second semester are:

Among the literary societies the Delian men recorded a delinquency of 3.3 as compared to 5.7 for the women. The Palladian men turned in a card of 2.7 delinquency as compared with 3.1 for the women.

The Union society women had a clean slate. The Union men's record showed 4.5 delinquency.

RAILROAD OFFERS SOME SCHOLARSHIPS

Farm boys in Nebraska counties traversed by the Union Pacific have something new to work for, following the announcement of cash scholarships offered by the railroad for winners in the various boys' club contests.

PROSPECTS BRIGHT IN PITTSBURGH CAMP

Glen Warner, Pitt Mentor, Puts Record Squad Through Practice Sessions.

PITTSBURGH.—With the University of Pittsburgh football team having practiced for over a week at Camp Hamilton, near Windber, Pa., Coach Glenn Warner has been able to get a pretty good line on the candidates and has already picked a tentative first team.

This team gives Warner a line that averages 184 pounds from tackle to tackle. The two ends average 179 and the backs 171. Hewitt's 204 pounds of beef boosting up the average.

This team presents several startling shifts from the 1920 combination. Chief of them being the shifting of Camp's All-American center, Stein to end.

Seidelson is the only man picked thus far from the 1920 freshmen outfit. He played a bangup game on Coach Kerr's yearlings and seems ripe for the varsity.

Other 1920 freshman players who are real classy performers and who will make a stiff fight for regular berths are Fredette, center, Poke Williams, Winterburn, Shuler, Robusch and Colonna, backs and Lewis, Young and Peters, linemen. High class candidates (Continued on Page Five)

SHOWER BATHS IN ARMORY CHANGED

Those of the students who have in past years taken advantage of the free shower baths in the basement of the armory will note some change this year. New showers have been installed so that the temperature of the water can be regulated.

SIXTEEN HUNDRED TICKETS ARE SOLD

Campaign Committee Expects Total To Be Close to Two Thousand When Sale Ends

ATHLETIC DRIVE A SUCCESS

Sale Will Continue in Effort To Make Every Student a Rooter at All Games

The student athletic ticket sale was shoved up and passed the 1,600 mark Saturday when the registration mill closed for the week.

The committee in charge of the drive have been active during the entire week of registration and will continue to push the sale of the books until a maximum number of students will be enrolled among the loyal Cornhuskers that are supporting athletics.

The drive for season ticket sales in the individual sports is a thing of the past and it is with a sigh of relief that the students realize that a year will pass with the number of drives made at the student's pocketbook reduced to a considerable extent.

Students who have not purchased one of these season tickets will be compelled to pay the long price at all athletic contests. There will be no such thing as bargain sales for special games or combination tickets of any description.

Big Thing For Nebraska.

The move of the athletic department to place the price of a season ticket within the reach of every student in a big thing for Nebraska.

A squad of two thousand student rooters at every athletic contest will mean a great deal in the upward climb of student interest in sports.

Sale Will Continue

Students late in registering may obtain tickets at the student activities office. A great many of those who passed up the opportunity on registration day have returned to buy tickets and a still larger group from this class are expected to visit the student activities office during the next week and purchase the athletic coupon books.

Dean R. A. Lyman, head of the school of pharmacy, has been nominated by the American Pharmaceutical Association as one of the three candidates for president. The vote will be by mail and the result announced about January 1. Dr. Lyman has been in attendance at the meetings of the association at New Orleans.

Professor R. J. Pool, head of the department of Botany, spent the summer in Colorado Springs doing research work with the Carnegie institute.

BISHOP McDOWELL AT THURS. CONVOCATION

Bishop W. F. McDowell of the M. E. church will deliver the convocation address to the students Thursday at convocation at 11, in the Temple theatre. The Bishop is a resident of Washington, D. C., a timely speaker, and has been a student favorite for twenty-five years.

He is coming to the University under the auspices of the Committee of 200, and of Dr. Harry Huntington, Methodist University pastor.

HUSKERS TAKE STIFF WORKOUT

Coach Dawson Gives Men First "Rule Quizz" of Season

SCRIMMAGE THIS WEEK

Wesleyan Looks Formidable. Work Begins Tomorrow—Many Expected Out.

Coach Dawson put the 1921 Cornhusker Varsity football squad through a stiff signal practice and workout at the State Farm yesterday morning and allowed the men to lay off from the usual afternoon grind.

All of the Varsity men are being thoroughly coached on the new and old football rules. Coaches Dawson and Frank expect to hold these quizz sessions two and three times a week during the early part of the season.

Wesleyan Comes First

Nebraska will inaugurate the 1921 season with the Nebraska Wesleyan eleven on Nebraska field October 1. The Methodists have the greatest turnout of men for the pigskin sport in the history of the school and should furnish more than a practice contest for the Scarlet and Cream athletics.

The Huskers will have a two weeks rest following the Wesleyan game in which to prepare for the Haskell Indians who are scheduled to invade Nebraska camp October 15. Freshmen Coach Farley Young expects to have the Fresh well in hand by this time to give the Varsity some real workouts before some of the harder games of the season come on.

Fresh Hard at Work

The first practice of the season for the Freshmen will be held Monday afternoon. Coach Young was kept busy all day yesterday issuing equipment to the first year men and indications point to a record turnout for the yearling eleven.

Little Brown Jug Of English Club Has Weird Tale

Many freshmen who have been consulting some of the English professors have noticed the big jug which reposes on the shelf in the office occupied jointly by Miss McPhee and Mr. Frye.

There have been many weird tales spread over the campus about this English club jug. Maybe it is a coincidence that the jug and the English club ceased to hold their regular meetings at about the same time that Volstead became nationally disliked.

This jug—as a matter of fact—to come back to the subject, used to pour out delicious cider and provide the liquid entertainment at the meetings at about the same time that some of the members of this club, the jug will be put to regular use this year.

Membership in the English club is restricted to those students and members of the faculty who show marked talent for writing, and who plan to follow writing as a pursuit. Membership from the students is usually elected from the junior and senior classes.

Dr. Lida Earhart of the Teachers' College has returned from Indian River, Mich., where she has spent the past three weeks at Pinehurst Inn.

Application for reporters on The Daily Nebraskan will be received Monday afternoon from 2 p. m. to 4 p. m. at Room 206 "U" Hall.
