

HUSKER WARRIORS TAKE A WORKOUT

Head Coach Gives Three Hour Practice to Forty-three Varsity Candidates Tuesday.

SHOWING OLD TIME FORM

Light Scrimmage Work Scheduled for This Week in Preparation for Wesleyan Game.

Nebraska football fans will have a chance to see the heaviest aggregation of men work this season under the Scarlet and Cream that has represented the Husker school for a good many years. Head Coach Dawson had forty-three candidates at the "Ag" college gridiron last evening taking a three hour workout.

For the end positions Coach Dawson has a large number of men and is personally conducting the work of the wing men. Captain Swanson and Sherer, last year's regular ends, look good in practice and are showing their old time form in getting under the long passes.

Klempe, Toft, Schoepel, House, Eckroth, and a number of others are showing up well in the workouts for the wing positions. At center Coach Dawson is trying out a number of men with Peterson of last year's yearling eleven making a big showing for the pivot position. Nelson, McGlasson, Nixon and Moser are the other candidates for the center position.

Coach Dawson expects to give the men some light scrimmage work the remainder of the week with heavier work coming on as the season advances. The Huskers will meet the Nebraska Wesleyan team a week from Saturday and Coach Dawson expects to have the squad in first class condition by this time. The Methodists are touted to have the fasted eleven that has represented that school for some time and will no doubt furnish keen competition for the Husker warriors.

Most of the kicking this year will probably fall on Russell and Lewellen. Russell played varsity football two seasons ago but was intelligible last fall. Lewellen was one of the stars of the Freshman eleven last fall and will be a valuable asset to the varsity eleven. Coach Dawson worked the ends down under punts last evening giving the wing men a chance to test their speed.

INNOCENTS FROWN ON UNI KLAN UNIT

Men's Senior Honorary Society Oppose Organization on Campus at Tuesday Meeting.

The formation of a University of Nebraska unit of the Ku Klux Klan on the campus was frowned upon by the innocents society at a meeting of that organization Tuesday evening in which it went on record as opposing such a society at Nebraska.

Admitting that an organization of that kind may have its place in cities and towns throughout the state and in other states, the members of the innocents society believe that the University of Nebraska is not the place for the nucleus of a branch Klan.

These objections come on the heels of rumors and near-announcements that a Klan unit is being organized on the Nebraska campus.

DEAN HEPPNER TO GIVE ANNUAL TEA FOR COEDS

The annual tea given by Dean Heppner for all University girls will be held Thursday afternoon from 4:00 to 6:00 at Elen Smith Hall.

University women will have an opportunity to get acquainted with each other and to meet the following people whom Miss Heppner will introduce: Miss Appleby, Y. W. C. A. secretary; Miss Wilson, secretary of Dean of Women; and Miss Dunning, manager of the commons.

The W. S. G. A. and Senior Advisory board will have charge of receiving and entertaining and the Y. W. C. A. girls will serve refreshments.

All University girls are urged to attend this tea.

NEBRASKAN FILINGS

Applications for the positions of Associate Editor and Assistant Business Manager of The Daily Nebraskan will be received in the Student Activities office until 5 o'clock Thursday, September 22.

AL REESE VISITS UNIVERSITY FRIENDS

Alfred I. Reese commonly known as "Pete" is visiting at the Acacia house this week. He won his "N" on the Nebraska track team, received Phi Beta Kappa honors, and was active in university affairs, especially in dramatics.

Reese won the Rhodes scholarship and has been attending Oxford College in England for the past year. He won a place on the Oxford track team and took second honors in the shot put in the Oxford-Harvard dual track meet. Reese will spend two more years studying in England at Oxford College.

NEW HEAD OF DAIRY DEPARTMENT ARRIVES

Professor H. C. Davis is the new head of the department of Dairy Husbandry at the College of Agriculture, elected to succeed J. H. Franssen, who resigned March 1. Professor Davis comes to Nebraska from Idaho where he held a similar position. He took charge August 1, and has thoroughly familiarized himself with the department and its personnel, so that the work may go on without change when school work starts.

ATHLETIC CAMPAIGN NEARING FINAL GOAL

Last Rush to Purchase Season Tickets Expected Before Football Game October First.

The student ticket athletic campaign is gradually approaching the two thousand mark. Tuesday evening Neil T. Chadderton, agent student activities, announced that the total number of tickets sold had reached 1,850.

With registration still continuing the ticket sale is in progress and those in charge are confident that it will reach the two thousand mark.

A rush to purchase tickets is expected when the football season starts. The fact that no separate campaign for each athletic group will be held is expected to increase the sale with the opening of the grid season.

LIONS CLUB SUPPLIES PART TIME POSITIONS

Permanent part time positions for close to five hundred students was supplied by the employment bureau of the Lions club, a Lincoln organization according to announcement made Tuesday by President Guy Reed.

The work of the bureau will be turned over to the Y. M. C. A. as soon as the preliminary work is out of the way.

SCHEDULE CORRECTION IN MILITARY SCIENCE

The drill period on Wednesday afternoon has been changed from the hours of 3-6 and will be held from 1-4. Any students registered for that hour who cannot make the change should report to the office of the Department in Nebraska Hall at once.

MORE FRESHMAN REPORT FOR FOOTBALL

The attendance at Freshman football practice Tuesday was increased to about seventy. Although some that were out Monday did not respond there were more than enough to fill their vacancies. More are expected to be out about the last of the week.

The yearlings were put thru practically the same workouts as they were Monday. In addition to Monday's work they received instruction in receiving and running down punts. Before the last of the week Coach Young will put them thru some stiff scrimmage work. With a little more training and practice they will scrimmage against the varsity and will no doubt give them some stiff opposition.

Frosh Green Cap Tradition Will Be Observed Beginning Today

Beginning today every Freshman in the university will receive his customary green cap. The caps this year will be given free to all first year men.

According to announcement made by those in charge, starting today, the Magee Clothing Co., Twelfth and O streets will present each Freshman with a green cap.

The first year students will be given a period in which to acquire these caps and adorn their heads with the required green regalia. The final date when the Freshmen must wear the green on the campus will be set later.

It is university custom and tradition that the Freshmen wear these caps for a certain period of time during the first semester. If the first year class captures the

Olympic clash with the Sophomans then the Freshman may drape his head with a Stetson or a Knox. But should it be the sad fate of Green and White to fail to down the Soph color, then the Freshman probably cannot cast the green object aside until the snow flies.

In previous years the green caps have been sold to the Freshman at one dollar. This is the first time the first year students have been given the caps without charge.

The "N" book says regarding this custom: "Every Freshman is expected to wear, whenever he is upon the campus, the Freshman green cap. Freshmen are to speak to every man who wears his class cap, and thus get acquainted at the start with members of his class."

FRESHMAN STUDENT DIES AT HOSPITAL

Miss Edna Hansen, Homer, Nebraska, Succumbs To Heat Exhaustion Monday Evening.

REGISTERED ON THURSDAY

Became Over Exhausted From Waiting In Line. Taken Ill Thursday Night Rushed to Hospital Tuesday.

Miss Edna Hansen, 18 years old, who came to the University a week ago to register for her first year's work, died Monday night at the Lincoln hospital, from heat exhaustion, according to a statement yesterday by Dr. Frank A. Snyder, one of the attending physicians. The girl had been taken to the hospital Tuesday noon.

Miss Hansen first became ill Thursday, after a hard day of waiting in the registration line. She had stood in line all Wednesday forenoon, and Thursday afternoon, which it was claimed exhausted her. Room-mates said that she complained of illness Thursday evening, and that she went to bed Friday. At the hospital she was attended by the Drs. F. A. Snyder and B. F. Williams.

A sister, Carrie Hansen, a senior in the Arts and Science college, was staying with her at 1220 R street, one of the college dormitories. She will not carry out her plans to finish school this year, owing to the sudden death of her sister.

The parents of the dead girl, Mr. and Mrs. H. C. Hansen, live at Homer. The body will be sent to that place for burial.

DEAN LYMAN NOMINATED FOR A. P. A. PRESIDENCY

Dean Lyman of the college of pharmacy attended the meetings of the American Pharmaceutical Association and the American Conference of Pharmaceutical Faculties at New Orleans. He is one of the nominees for the presidency of the American Pharmaceutical Association and was elected to the Committee of Publications of the A. P. A. He was also re-elected chairman of the executive committee of the American Conference of Pharmaceutical Faculties.

DR. W. W. LAWRENCE PASSED AWAY TUESDAY

Dr. William W. Lawrence, pastor of the Westminister Presbyterian church, Twenty-third and Garfield streets, died 7:45 Tuesday morning. Dr. Lawrence had been pastor of the Lincoln church for two years and was well known by university students.

CHEER LEADERS WANTED

Nebraska Cheer Leaders for 1921-22 will be chosen Friday, September 23, at 11 a. m., in the auditorium of the Temple Theatre. As usual, University men and women will compete for the places and great interest is already being shown in the try-outs. The members of the innocents society will be on hand to select the four men and four women who will lead Cornhusker yelling for the coming year.

CLASS ELECTIONS

Filings for class presidential elections must be made at the Student Activities office in the basement of Administration hall by 5 p. m. Friday, September 30, 1921.

Florence I. McGahey, Registrar.

PROF. ROBINSON IS NEW LAW INSTRUCTOR

Professor C. H. Robinson delivered his first lectures to Nebraska law students this week. The clearness of his presentation of facts, coupled with an amiability that will equal that of the other law professors caused much favorable comment among those who were present to welcome him.

Professor Robinson is an expert in his line. He was awarded his A. B. degree in 1905, his LL.B. in 1909, and his S.J.D. in 1916. After leaving Harvard law college he practiced his profession in the Wall Street section in New York for four years. Later he taught law at the University of California, from which place he came to Nebraska.

DR. SCHNEIDER WINS EBERT RESEARCH PRIZE

Dr. Schneider of the College of Pharmacy has just been granted the Ebert prize by the American Pharmaceutical Association for the best Pharmaceutical research of the year. The subject of Dr. Schneider's paper was "New Micro-Analytical Methods in Determining the Purity of Foods and Drugs." The prize is granted annually and represents the income from several thousand dollars. It was established by Mr. Ebert of Chicago in the interests of Pharmaceutical research.

W. S. G. A. TO PRESENT PAGEANT SATURDAY

All University Girls Invited to Opening Entertainment This Week.

The W. S. G. A. will begin its activities for the year with a party for all university girls, Saturday afternoon from two thirty to six o'clock.

Entertainment for the afternoon will be in the form of a pageant, "Telmacha at College," written and arranged by Madeline Craft Radke, a professor of English in the university last year. The cast for the pageant includes Willa Wyncoop, Marjorie Barstow, Ruth Miller, Betty Clark, Helen Wylie, Helen Spellman, Ione Gardner, Adelleit Dettman, Glee Gardener, Vivian Hansen, Peggy Stidworthy, Francis Burt, Winifred Merryhew, Irma McGowan, Pauline Starrat, Zoe Schalek, Blenda Olson, Meach Miller, Landa Newlin, Ruby Damme, Myrtle Carpenter, Lois Melton, Dorothy Work, Dorothy Seacrest, Jane Goodland, Wilda Weaver, Dorothy Zust, Sylvia Cole, Dorothy Williams, Margaret Hager and Ruth Lindsay.

Other entertainment will include dancing and fortune telling by Valora Hurlinger. Refreshments will be served during the afternoon. The committee in charge of the party is Mary Sheldon, chairman; Zita Mullaby, Catherine Beacon, Elizabeth Johnson, Helen Rhoades, Gladys Rozelle, Evelyn Spiellock, Madge Morrison and Louise Tucker. Ruth Kadel and Louise Schultz will furnish the music for dancing.

The registration figures in the Engineering College for this year are practically the same as last year tho the freshman figures are slightly lower. The upper classmen registration is higher than ever before. The entire junior class of last year has returned to take up its senior work and the latest figures show that approximately five hundred are now registered.

Recent additions to the faculty in the Engineering college include Harold K. Moritz a former student of the Uni. of Washington and a graduate of the Massachusetts Institute of Technology '21. He is instructor in mechanical drawing and takes the place of Miss Harriet Wyman who will soon leave to take up missionary work in India. Mr. Moritz is the son of Prof. R. E. Moritz, now head of the mathematics department at the University of Washington and formerly a professor of mathematics in the University of Nebraska.

FOOTBALL RULES FOR YEAR MAY BE CHANGED

NEW YORK.—The football rules committee has received a request from coaches and officials to interpret the rules so that there shall be a distinct pause before the ball is placed in play in shift formation.

Some coaches complained that some officials have permitted some men to get in motion before the ball had been snapped into play, but coaches who have specialized on shift plays objected to any change designed to cause a pause in the attack, on the ground that the defense would have greater opportunity to set itself to meet the shift.

The rules now provide that "a player shall not be ruled in motion if he has both feet stationary on the ground."

NEBRASKAN DRIVE CLOSES THIS WEEK

Circulation Manager Announces That Subscription Lists Will Break Last Year's Record.

ACHOTH SUBSCRIBES 100%

Phi Mu and Alpha Sigma Phi Also Complete Subscription Campaign Tuesday Evening.

The Daily Nebraskan subscription campaign will come to a close this week, according to an announcement made Tuesday evening by Circulation Manager Clifford Hicks.

The support given the campaign by the students has been splendid and Manager Hicks predicts that the subscription list will exceed last year's by a comfortable margin.

The honor of being the first organization to turn in a hundred per cent subscription went to the Achoth sorority, Tuesday evening two other societies, Phi Mu and Alpha Sigma Phi, reported one hundred per cent subscription. A number of solicitors had not reported and it is expected that every organization on the campus will take advantage of the opportunity.

A large number of subscriptions have been turned in at the Student Activities office and a swarm of solicitors have been active on the campus securing subscriptions from the students.

The proposition as presented to the organizations requires one hundred per cent subscription to secure delivery service. Organizations whose house membership is more than 25 persons secure a flat rate of \$25 per semester. Organizations or groups with less than 25 people at a house may secure the delivery service at the flat rate of one dollar a semester for each person.

Distribution on the campus will be made at two points, the Social Science building and the post office in "U" hall on the campus.

FRESHMAN CLASSES SHOW SLIGHT DROP

First Year Students Did Not Register in Large Numbers in Engineering College.

The registration figures in the Engineering College for this year are practically the same as last year tho the freshman figures are slightly lower. The upper classmen registration is higher than ever before. The entire junior class of last year has returned to take up its senior work and the latest figures show that approximately five hundred are now registered.

Recent additions to the faculty in the Engineering college include Harold K. Moritz a former student of the Uni. of Washington and a graduate of the Massachusetts Institute of Technology '21. He is instructor in mechanical drawing and takes the place of Miss Harriet Wyman who will soon leave to take up missionary work in India. Mr. Moritz is the son of Prof. R. E. Moritz, now head of the mathematics department at the University of Washington and formerly a professor of mathematics in the University of Nebraska.

J. W. McNaul another new member of the faculty in the applied mechanics department. He received his degree of B. S. in mechanical drawing at Massachusetts Institute of Technology in 1921 and was formerly a student at the Montana School of Mines. He is an instructor in the cement testing laboratory and will also assist in other applied mechanics laboratory work.

Claudius E. Bennett, E. E. '09, who is at present on his vacation but will return shortly to Barcelona, Spain, where he is assistant manager of the Riegosy Fuerza del Ebro visited at the engineering building this week.

Harold F. Holtz, M. E. '17, of Omaha, Neb., was also on the campus renewing acquaintances.
