

Society

Now that the strenuous rushing season is over, the University students have started on their round of the season's gaiety. Already the annual mixers have started with the Y. M. C. A.—Y. W. C. A. mixer Saturday night and a W. S. C. A. dancing party Saturday afternoon in which the girls of the different classes became acquainted. This spirit also extended to the fraternity world when on Thursday evening the Delta Delta Delta fraternity entertained the Delta Gamma fraternity at an informal dancing party at the chapter house.

The annual house dance season opened Friday evening when Delta Sigma Delta fraternity entertained thirty couples at its home. The chapter house was decorated in turquoise and granite, the fraternity colors. Refreshments consisting of brick ice cream and chocolate cake were served. The chaperones were Dr. and Mrs. H. C. Zellers, Dr. and Mrs. S. W. Albright, and Dr. and Mrs. H. H. Capek.

Green vines and autumn foliage formed an attractive decorative scheme at the Bushnell Guild house dance Saturday evening. Thirty couples were present. Punch and wafers were served during the course of the evening. Prof. and Mrs. R. L. Cochran, and Prof. and Mrs. J. E. Almy were chaperones. The out-of-town guests were Lawrence Metzgar, Alma; Harry Anderson, Hastings; and John Judd, Omaha.

Fifty couples were present at the Phi Kappa Psi house warming, Saturday evening. The evening was spent in dancing. Punch and pineapple ice and wafers were served. The chaperones were Mrs. Dan DeCar, Mrs. Hayward and Mr. and Mrs. W. Scott. Lyman Mead of Ashland was an out of town guest.

Farm House entertained thirty-five guests at a house dance Saturday evening. Ice cream in the fraternity colors, maroon and gold and wafers were served. Mr. and Mrs. W. W. Derrick and Mr. and Mrs. M. E. Dossom, acted as chaperones.

The Xi Psi Phi fraternity gave a dinner and smoker to the freshmen of the Dental College Wednesday evening, September 21. Most of the members of the faculty of the Dental College were present. Dean Davis gave a short address on the advantages and benefits of Fraternity life. Music was rendered by a seven piece orchestra consisting mostly of Xi Psi Phi men.

MARRIAGES

A wedding which held much interest for the members of this university was that of Miss Mildred Dyer of Exeter to Arden W. Godwin. The latter attended the University of Nebraska, while here he affiliated with Sigma Alpha Epsilon fraternity. Mr. Godwin besides being a member of Square and Compass and Ag. Clubs, was a winner of the Pershing medal. Miss Grace Rood was married this past Saturday to Guy Cleveland Chambers of this city. Both people were popular attendants of the University of Nebraska. Mr. Chambers is a member of Delta Upsilon fraternity.—in his senior he was ivy day orator and a member of the Innocents.

BROWN-DOBSON

An attractive wedding took place Saturday afternoon at three o'clock at the First Presbyterian church when Miss Elizabeth Brown became the bride of Paul Dobson. Dr. Benjamin H. Nyce officiated. The church was decorated in roses and ferns. The bride wore a black hat and dress and carried a bouquet of pink roses; the attendants were Miss Mary Guthrie and Miss Ruth Lindsay, also were dressed in black and carried pink roses. Carlisle Jones, a fraternity brother of the groom acted as best man. Francis Diers sang "At Dawning" and "Calm of the Sea" during the service. Immediately after the service the young couple left for San Francisco where they will make their home.

Both Mr. and Mrs. Dobson were very prominent in the University. Mrs. Dobson, although a graduate of Wellesley, attended Nebraska University for three years. She was a member of Delta Gamma sorority, a member of Mystic Sish, Xi Delta, and Silver Serpent honorary societies. She was also in many other activities. Paul Dobson was a member of Alpha Sigma Phi, football captain 1919 and a member of the Innocent Society. He graduated in 1920.

ENGAGEMENTS

An announcement was made last Monday at Kappa Delta house of the engagement of Madeline Lucille

Green to Mr. Frank Dwyer of Omaha. The latter, a member of Alpha Tau Omega, is a graduate of the University of Iowa; Miss Green is a Sophomore in the University of Nebraska.

SPANISH AS SHE IS SPOKE

"Rato" is a little time;
"Rata" is a rat I think;
"Tinto" is a kind of wine,
"Tinta" and kind of ink.

Look, there is a "rata" rat
Eating up the "fruta" fruit!
Good things we have "gata" eat.
Hit it with the "bota" boot!

"Musica" is music—Hark!
Listen to the "banda" band
Playing in the "Plazaz" park!
Do you "sabe" understand?

Take a "banco" bench and note
Ripples that I "hago" make,
When I row my "bota" boat
On the silvery "lago" lake.

But if "banda" is a band,
And a "bota" is a boot,
How can "mano" mean a hand,
Or my "ropa" be my suit?

"Pino" always means a pine,
"Ropa" never is a rope,
"Mina" always means a mine,
"Sopa" never is the soap.

If I ask for "vino" wine,
"Vino" also means it came.
Combination "fine" fine!
What is in a "nombre" name?

"Carta" never is a cart,
"Mano" never means a hand;
What can be the "arte" art,
Is there any "plano" plan?

"Mula" always means the mule,
"Mula" always means the mule,
"Desde" since old Noah's flood,
But we say "escuela" school;
"Claro" clear as "lodo" mud.

Since a "rosa" is a rose,

But a "vino" not a vine,
Bo it then my "fin" or close—
Not another "linea" line.
