Mr. Willard M. Olson, a graduate of the Civil Engineering department of last year is at present doing graduate work at the University of Illinois

PERSONALS

Charles C. Wiles left last week for Kansas City, where he will start his winter tour with the White and Meyers Lyceum Company. Mr. Wiles has just finished an excellent summer chautauqua program. With this company he will play the Xylophone. When in school he played trap drums in the University orchestra and in the band he played the snare drums.
 Mr. Wiles is a member of Acadia, Iron Sphinx and Green Goblins. After he has finished his winter's work he is going into vaudeville and stage his own act.

Gertrude and Marie Streeter of 1220 R Street, spent the week-end at their home in Seward.

Gertrude Quinn, of Weeping Water, spent Sunday with her sister, Marjorie, at the 1220 R Street dormitory.

Loah Dewey, of 1220 R Street dormitory enjoyed a visit at the home of her parents in Fairfield over Sunday.

G. W. Walrod, C E '18; H. S. Kinney, E E '13; O. D. Smalley, E E '20 and L. S. Hamilton, C E '19, are registered in the engineering college for graduate work.

IRENE MANGOLD IS HIGH IN CANDY SALES

Irene Mangold, won the box of candy for selling the most candy at the game Saturday. W. A. A. is offering a box of candy for the best saleslady at each game this year. Competition ran high at the game and the sales for each girl was better than usual. Bernice Bayley came second when she turned in 18.40, just one dollar behind the winner.
 W. A. A. will offer this prize for each game during the year. Every girl must sell the candy from the basket assigned to her, only. There will be no doubling up of sales and splitting of prizes. The association is pleased with Saturday's results. Any girl desirous of selling at the next game should see Mary Hardy at once.

Nine new members were initiated into Iron Sphinx, men's sophomore society, Sunday afternoon at the Sigma Nu house. Plans were discussed for the work of the organization during the year. It is the intention of the members to make Iron Sphinx an active campus organization.

The men initiated Sunday were: John Long, Sigma Alpha Epsilon; Herman Weigel, Pi Kappa Phi; Jack Norris, Phi Delta Theta; Gordon House, Sigma Chi; Thomas Duke, Sigma Phi Epsilon; Roy Forsman, Lambda Chi Alpha; Alfred Daniels, Alpha Gamma Rho; Ross McGlasson, Kappa Sigma; William Edelman, Jr., Beta Theta Pi.

UNIVERSITY GRADUATE RETURNS FROM AFRICA

Melvin M. Garret, class of 1917, has been visiting the campus for the past few days. Mr. Garret is on his way from Africa to Wichita Falls, Texas. On graduating Mr. Garret was employed as an oil geologist in New York and Pennsylvania. During the war he served in France for more than a year and for the past year or so has been in Africa in the interest of the Sinclair Oil Company. Mr. Garret reports a great many interesting experiences from his two years' residence in Africa. Mr. Garret appreciated getting back to this country and like all alumni, especially enjoyed visiting the campus and noting the changes which have taken place.

"Makes home brew with a 'kick,' does he?"
 "Too much so. If he added two drops of gasoline to the gallon he could run his car with the stuff!"

A young man in St. Johnsbury, Vt., looking rather sheepish applied at the town clerk's office for a license. "Hunting, fishing or combination," asked the clerk, who was busy with game licenses.
 "Combination, I guess," replied the blushing youth. "We want to get married."—Boston Transcript.

Gentleman—(to house agent)—The great disadvantage is that the house is so camp.
 House Agent—Disadvantage sir? Advantage, I call it. In case of fire it wouldn't be so likely to burn.—Earlson's Weekly (London.)

"What was the first thing the Pilgrim Fathers did when they landed on Plymouth Rock?" asked the teacher.
 "They fell upon their knees," said one bright girl.
 "And what was the next thing they did?" pursued the teacher.
 "They fell upon the aborigines," said a brighter boy.—Life

FAUBEL ENTERTAINERS GIVE PLEASING PROGRAM

Much applause was given Mr. Faubel on presentation of his program last Friday evening in the Tempie theater. Impersonations, readings, and violin selections were well given in a very pleasing way. This program was given in behalf of the DeLoan Literary Society. Mr. Faubel, a graduate of the University School of Music, has given his programs in this manner each year before going out on lecture tours.

SPORT BRIEFS

The 1921 dope bucket received its first noticeable upset Saturday when the mighty Pittsburgh eleven suffered defeat at the hands of Lafayette. The smoky city gridsters were generally conceded to be leaders in the fight for eastern honors this season and their early setback is a distinct surprise to fans and critics throughout the country. The Cornhuskers realize that the Panthers are formidable opponents, however, in spite of Lafayette's victory.

Notre Dame is setting a fast pace. In their first two games the Irish have compiled a total of 113 points and have not been scored against. They trounced Kalamazoo 56-0 and ran over DePauw to the tune of 57-0. The pre-season bear dope which emanated from the Catholic camp evidently was a bit of Knute Rockne's strategy. Coach Dawson and the Huskers are expecting a hard battle when they meet the Irish at South Bend, Oct. 22.

Big Ten football is off with a bang. Michigan and Wisconsin look like winners, while Illinois and Chicago will doubtless be in the running. Northwestern has already suffered two defeats at the hands of Beloit and Chicago and is practically out of the conference race. Purdue will not be a serious contender. The strength of Iowa and Ohio State cannot be estimated yet. The Hawkeyes are said to be a formidable aggregation.

Yale had a hard time with Holy Cross Saturday. A 3-0 score was the best the New Havenites could register against their tough opponents. These teams played to the same score last year. Yale also winning then.

The Kansas Jayhawkers had little trouble in winning from Washburn. Kansas is represented by a practically new team this year, only three veterans returning to Allen's camp. The Jayhawkers and Huskers are slated for their annual classic November 12 in Lincoln. Revenge for the humiliating tie score of last year is the cry of the Cornhuskers and the Kansas, too, seem confident of victory.

Never before was more interest manifested in high school football in Nebraska than this season. All most every high school in the state is supporting a gridiron team this year and an interesting season is expected. It is yet too early to predict any championship possibilities. Several western teams look good.

HENDRY'S CAFE
