## FIRST-YEAR MEN HOLD BIG RALLY

Thursday Convocation in Armory for Freshmen Instills Cornhusker Spirit and Pep.

### INNOCENTS HAVE CHARGE

Engberg Luehring and McMasters Urge Students to Get Out for School and Class Activities.

Freshmen convocation for men at the Armory, Thursday morning, brought out a goodly number of the green-topped yearlings to receive their initiation into the Cornhusker spirit. Selections from the band and cheering led by Richards, Kimball and Shoemaker started the meeting off with enthusiasm.

Hugh Carson, representing the Innocents, presided. He said that there were enough school activities for everyone and urged every freshman to enter some form of activity. Dean Engberg, the first speaker of the program, urged that the freshmen adopt some regular program for studying and systemize their work in a way to get the best results. The non-fraternity men, he said, were allowing the fraternity men to excel them in school activities and it was time for the Barbarians to come up and run the Greeks. He also pleaded with the men to raise their standard in scholarship so that it would be better than that of the women. His main point was that if every student in the university would enter into the school life and work that Nebraska would "take a place under the sun."

Mr. Fred Luehring, director of athletics, told the freshmen that they would have to be a success in their studies before they could take part in interscholastic athletics. He said that there were games for every one, from football, the greatest intercollegiate sport, to wrestling and tennis. Nebraska has a corps of coaches and instructors that are equal to any in the United States. Over a hundred freshmen reported for football practice this fall and are learning the fundamentals of the game under efficient coaches. There were 250 men out for track last spring, Mr. Luehring said, and it is the aim of the athletic department to increase the number to a thousand. Five hundred men are needed for cross-country. Every man, he stated, should go out for one of the fighting sports, such as football, basketball and wrestling and work for a place on the team.

Mr. McMasters, coach of the cross-country squad was the last speaker of the meeting. He told the freshmen to engage in athletics as a means of self-development and self-confidence. Engagement in sports will enable the student to become better known and help him to form many friendships that would be lasting. The average conception that cross-country is a hard sport was disclaimed by Mr. McMasters who said that proper training would enable anyone to take part in it.

### WOHAI CAMPFIRE GIRLS TO ORGANIZE ON MONDAY

The Wohai Campfire will hold the first meeting of the year at Ellen Smith hall at 4 o'clock, Monday, October 10. The purpose of this organization is to train girls to be campfire leaders on the different points of fire leaders.

Mrs. C. F. Teal talked to the girls campfire work. The girls outlined the program for the first two months of meetings of a newly organized campfire organization. After taking this course, girls receive certificates that entitle them to be campfire guardians.

These meetings are held every other Monday and all those interested in campfire work are asked to be present at the meeting on October 10.

### Final Decision on Rail Strike Soon

Chicago, Oct. 6.—General chairman of the six railroad unions which have voted on a railroad strike will meet here next Monday night to decide whether or not the strike shall be called. Lee Cheppard, head of the Order of Railway conductors, made this announcement today. Six hundred chairmen are expected to attend.

### All-Uni Party Committee

Chairman of All-Uni Party Committee will meet Friday at 5 p. m. in Ellen Smith Hall. Meeting is very important.

### ANNUAL RECEPTION FOR FACULTY MEMBERS FRIDAY

Chancellor and Mrs. Avery will give their annual informal party to the faculty and their families at Ellen Smith Hall on Friday, October 7, from 8 to 11 p. m. All members of the teaching and administrative staff, also those connected with associated organizations as the Christian Associations, student pastors, etc., are cordially invited.

### HAINER SCHOLARSHIP AWARD TO PHI GAMMA

Alpha Theta Chi, Bushnell Guild, Farm House and Acacia Rank High in List.

The Hainer scholarship cup, given to the national social Greek letter fraternity making the highest average, is now in possession of Phi Gamma Delta, the winners of the cup for last year. Owing to the fact that regular convocations are no longer held, there was no opportunity for the official presentation of the trophy to the winners. It was turned over to them yesterday informally by Dean C. C. Engberg.

Although winning the Hainer cup, Phi Gamma Delta stood only tenth among Nebraska fraternities. Alpha Theta Chi, Bushnell Guild, Acacia, and Farm House all outranked the Phi Gammas as did several others but they were ineligible for the cup. It is given only to national social Greek letter organizations.

Great interest is always manifested by the fraternities in the race for scholarship honors. The giving of the cup is a strong incentive in this direction. The cup was first presented by E. J. Hainer five years ago. Last year it was held by Delta Tau Delta.

### SECOND ROUND OF TOURNAMENT OVER

Finals for University Fall Tennis Championship Scheduled for Friday.

Great interest is being shown in the university tennis tournament the second round of which has about been completed. Fourteen players have reached as far as the third round while there are four contestants who have not yet played their second matches. These matches must be played tomorrow so that the winners may meet in the next round and not hold up the balance of the matches.

The results of the second round are as follows:

- Lanfoco won from Koch 6-0, 6-1.
- Mathews won from Northwall 6-2, 6-2.
- Macagha won from Bennet 6-2, 6-2.
- Grasnickle won from Kinsey 6-3, 6-4.
- Peddicord won from Hudson 6-0, 6-2.
- Colby won from Newton 6-2, 6-0.
- Aistrup won from Loedstein 6-0, 7-5.
- Fisher won from Scriven 6-0, 6-0.
- Skallberg won from Getty 6-1, 6-2.
- Crawford won from Howard 6-3, 6-0.
- McBrien won from McArthur 6-4, 6-0.
- McBride won from Ellsworth 6-2, 6-2.
- Genoways won from Phillips 9-7, 6-4.

The present plan of the tournament is, considering the interest being taken by the students, to play the semi-finals next Monday and the finals Tuesday evening, thus affording opportunity for all who wish, to witness these matches if they will take the time to come out to the courts. The caretakers will begin tomorrow to get a couple of the courts in the best of condition for the final and semi-final matches.

### TICKET SALE FOR UNI PLAYERS PROGRESSING

The University Players' season ticket selling contest is progressing steadily. Most of the organizations are settling down to steady work and the returns indicate that several of them are going to be in on the money. Now is the time to help the contest along by getting your season ticket and being assured of a good seat for all six plays. The Players are offering the best plays that can be secured. The price of the season ticket is \$3.50, a saving of two dollars over the single admission cost. The Players are a student organization boosting for a bigger and better known Nebraska "U" and want your support.

## NEWS OF THE DAY

### Yanks Win From Giants

New York, Oct. 6.—The Yankees duplicated their feat of yesterday and again defeated the Giants 3-0 in the World's series race. It was a pitcher's battle throughout between Hoyt and Nehf, the former allowing but two hits and the latter three. Three errors were chalked up against the National leaguers and were partly responsible for their defeat.

Babe Ruth again failed to deliver one of the long hits for which he is famous.

The air-tight fielding of Higgins' men and the superb pitching of the youthful Hoyt were practically unbeatable.

Score by innings:  
R. H. E.  
Giants .....0 0 0 0 0 0 0 0—0 2 3  
Yankees...0 0 0 1 0 0 2 x—3 3 0

### Agree to Deliver Building Material to France Within Next Three Years

Wiesbaden, Oct. 6.—An agreement whereby the German government is to deliver to France within three years 7,000,000,000 gold marks worth of building materials was signed here today by Louis Locheur, French minister of the liberated regions, and Walter Rathenau, German minister of reconstruction. The signing consummates a tentative agreement drawn up by them last September.

### Manufacturers' Tax Draws Fire From Lenroot

Washington, Oct. 6.—The Smoot

manufacturers' sales tax plan drew fire today from Senator Lenroot, republican, Wisconsin, who told the senate it utterly ignored the rules that taxes should be imposed according to ability to pay and that it would be impossible of administration because of the difficulty in determining who should pay the tax.

Where the three per cent tax proposed could not be passed on to the consumer, Senator Lenroot said it would add to the already heavy burdens of manufacturers now operating without profit to give employment to labor.

"Our tax laws," he said, "are bad enough now. Don't let us make them worse by attempting to levy taxes, the amount of which is impossible of determination."

### Italy to Receive Canvas of Hughes

Guiseppe Troita, noted Italian painter, has just completed an oil of Secretary of State Hughes which is to be presented to the Italian government by 100,000 Italian citizens of the U. S. Hughes has endeared himself to the Italians by promoting closer relations with Italy and by his work while president of the Italian American association.

### Kenyon Declines Iowa Judgeship

Washington, Oct. 6.—Senator Kenyon, republican, Iowa, informed President Harding today that he could not consider at the present time the acceptance of the federal judgeship of the northern Iowa district.

### ALPHA KAPPA PSI PLANS WORK FOR COMING YEAR

Professional Business Fraternity Selects Delegates to National Convention in Chicago.

Alpha Kappa Psi, professional fraternity in the college of business administration, held its first business meeting of the year last night at the Bushnell Guild house. A partial report of the national convention held at Atlanta, Georgia, was read.

W. C. Farmer, '22, was elected as treasurer of the organization to fill the place of H. C. Bancroft who did not return to the university this year. Harry Latowsky was chosen as delegate to the next national convention to be held some time next year either at Cincinnati or Chicago.

Plans for the work of the organization during the coming year were discussed. It was proposed to keep in active touch with the business element of the state and perfect plans whereby the alumni of the organization would keep in touch with the active chapter.

Following the meeting refreshments were served by the members from the Bushnell Guild house.

### ENGINEERING NOTES.

Albert Strom, E. E., '20, was a recent visitor on the campus, on his way home from his study in Sweden. Mr. Strom was a student selected from Nebraska by the Swedish-American federation for the advancement of intercollegiate education, and after completing a year's study in Sweden spent some time traveling over Europe, from where he brought many interesting photos, showing the present conditions there.

### GEOLOGY NOTES.

The collections of fossils, minerals, rocks and an extensive series of mound builder material and Indian relics (in general, which were donated to the state museum by Dr. M. H. Everett in 1894 are being hauled. The Indian relics are being mounted in flat wall cases, where they can be closely observed by those interested.

Fred Acton E. E., '20, has recently accepted a position with the C. B. & Q., in the maintenance department and will be stationed at Alliance.

### CONTRIBUTIONS FOR AWGWAN

### May Have Army of Cops to Weed Out The Party Raiders

The season for fall parties is upon us, and in this connection several persons have been heard venting their feelings against the small practice of certain and sundry individuals, of attending these functions without the required invitation. There are those, who would post a squad, well armed with brass-toed shoes, at the door to meet parasites; their to include into their unwelcome beings, with precise and energetic accuracy, a respect for that time-honored finer spirit of staying away from places where their presence would be obnoxious. Others would be less "footballish" about the proceeding, although they say that the results gained by the rough method would meet their highest approval.

One person, "It is lamentable that such a condition exists. Students should have a higher regard for their fellow's rights."

The party raiders caused much comment last spring, and rumors of plans to weed the "buttski" habit from the campus are being heard daily.

## SCRIMMAGE FOR HUSKER GRIDSTERS

Freshman Squad Pitted Against Varsity in Hardest Practice of Season

### SCHERER TEMPORARILY OUT

First Year Men Will Battle Upper Classmen in Game on Athletic Field Saturday

Coach Dawson sent the Varsity against the Freshmen last night for forty-five minutes in the hardest scrimmage of the season. Coach Young's first year men put up a real battle but could not hold the heavy Varsity line.

A number of substitutes were used by Coach Dawson against the yearlings while Coach Young used practically every man on the Fresh squad at some time or other in the lineup. Hodson, center on the Fresh team, was the outstanding performer for the first year men. Hodson hails from Omaha where he played with the Omaha Commerce team and was recognized as all state center last year. The entire Fresh team deserves lots of credit for the fight they put up and should furnish some real opposition for the Varsity before the season is over.

Coach Dawson plans to use the Freshman a number of times against the Varsity before the contest with the Haskell Indians next Saturday. Scherer, regular end on the Varsity, is out of the game for a few days on account of a bad ankle. Hartman, who has been working at fullback, is also out with a bad ankle. Neither case is serious and both men will appear in the attack against the Indians.

The Varsity will meet the first year men in what will be in the nature of a regular contest Saturday afternoon. Coach Young expects to strengthen the yearlings in the next couple of days plans to surprise the Varsity. The Varsity presented a formidable lineup against the yearlings and prospects for a winning team have never been brighter. Peterson, House, and Triplett are working at the pivot position with Berquist and Weller holding down the guard positions.

Lyman and Pucelik are a tower of strength at the tackles with Captain Swanson and Scherer working at the ends. Klempe is displaying good work at the end position in the absence of Scherer and should give his more experienced opponent a real battle for the position. Preston and Lovellen are filling the quarter-back position with Harpley, Noble, Dewitz, Wright and several others fighting for the halfback positions.

Reports from Kansas indicate that the Jayhawkers have bright prospects for a winning team and are looking forward to the Missouri Valley championship with favorable eyes. The Huskers and Jayhawkers will mix here November 12 in one of the most important contests of the season. Homecoming will be another big feature of the day on which the Huskers and Jayhawkers mix.

### DENTAL COLLEGE WORK BENEFICIAL TO SCHOOL

It is the aim of the dental school to give special attention to the faculty of the university. There have been several deans of the university that have gone there to have work done by the students. They have gone away with the feeling that they have received the proper care and treatment especially in regard to the price that they are charged. Much better work is turned out here than in many offices because of the fact that it is in the hands of the instructor and must be perfectly O. K. before the patient leaves. The students have been kept very busy, and are at all times ready to serve you.

Dean Clyde Davis is at the head of this school, and is not only one of the best, but the best there is to be had. He has been there for over twenty years and has done considerable research work, besides being editor of several books that are being used in the school. Come and visit the dental school, boys, to see what they are doing and for the care that you might need.

### University Week.

Application for manager of University Week will be received at the student activities office up until 5 p. m. Wednesday, October 12.
