**Outlook Brighter.**

CHICAGO, Oct. 20.—The prospective rail strike cannot be postponed but it can be settled. This was the opinion of the four big brotherhood chiefs and the president of the switchmen's union after a conference this

morning at which it was learned they had considered all phases of the situation as they may be presented at the meeting this afternoon with the United States railroad board.

Union headquarters was optimistic and there was strongly evident a feeling that there will be no strike unless something unexpected occurs to disrupt the conference this afternoon.

Mark Havens of Omaha visited at the Delta Tau Delta house Thursday. Dr. and Mrs. Maynard of Chicago visited Marvel Trojan on their way to Denver. Emelyn Bickell, 25, will spend the week-end in Omaha.

The dictionaries and universities have much to say on this subject, but we say PSYCHOLOGY is only human nature in a new dress; and if the proper study of PERFUMES is woman-lovely woman. When a woman contemplates the purchase of toilet articles, she first smells them. Therefore, get a good Bouquet. OH! You have one? Well, get a better one!
