**AT THE THEATRES**

**Orpheum**  
An unusually varied program is offered at the Orpheum this week. Julian Eltinge the most famous impersonator of female characters headlines the bill in superlative fashion. Mr. Eltinge wears most beautiful creations and daintily trips thru his numbers. The act is the best of its kind in vaudeville.  
Edith Clifford sings a number of catchy songs in a catchy manner. Perhaps the most unusual act in the bill is Frank Wilson's cycling act. Wilson does everything imaginable with an ordinary bicycle and drew big crowds on nearly every feat. The man who wrote that great popular song hit "Darktown Strutters Ball" is here this week singing it together with a number of his other successes. He also has some good stories and "slips a surprising shoe." "Master Karl" the little Indian boy is a fine little entertainer and does a lot of things well.  
"Baby Mine" with a company headed by Nanon Welch provides some amusement. Countess Nardini plays the accordion and the piano.

**FACULTY NOTES**

Dr. Lida B. Earhart of the teachers college will give a series of lectures on extensio work before about 100 teachers in Omaha next Tuesday afternoon.

Dr. W. E. Sealock of the teachers college will give an educational lecture before the Lancaster county teachers institute here Thursday morning.

**VESPER SERVICES**  
**TUESDAY EVENING**

Gertrude Tomson Tells of Inspiration Received at Geneva Last Summer

"The Value of Bible Study" was the subject of Vesper Services Tuesday evening. Gertrude Tomson, who lead the meeting, explained the new courses which are to be held here and told of inspiration received at Lake Geneva while attending similar classes.

Alphonsine Clapp sang "Love Divine." Miss Easterday of the city Y. W. C. A. made a plea for Bible study and showed vividly what the world would be without Christianity.

The following classes will be held beginning next Wednesday:

- Classes Designed Especially for Freshmen and Sophomores**
1. The Meaning of Christianity to a modern World—Miss Appleby, General Secretary, University Y. W. C. A., Tuesdays at 11 o'clock.
  2. The Campus and the Student's Religion—Miss Miller, Religious Education Director, St. Paul's Methodist Church, Thursdays at 3 o'clock.
  3. The Bible in Every-Day Life—Miss Appleby, Mondays at 2 o'clock.
  4. The Meaning of Faith—Mr. McMillin, Episcopal Student Pastor, Tuesdays at 2 o'clock.

**Classes Designed Especially for Juniors and Seniors**

5. The Power of Personality—Mrs. E. L. Hinman, Thursdays at 11 o'clock.
6. Do Science and Religion Agree?—Dr. Barker of the University Faculty, Thursdays at 7 p. m.
7. The Bible as Literature—Prof. Staff of the University Faculty, Wednesdays at 4 in room 4, "U" hall.
8. Upper Room Bible Class—Dr. Huntington, Methodist Student Pastor, Thursdays at 8 a. m. This class is a morning worship class and will be open to both men and women.

**ENGINEERING SOCIETY**  
**ADOPTS STANDARD PIN**

Is the Badge of the National Society in University Colors With "Nebraska" on the Lower Part.

The regular departmental meeting of the American society of mechanical engineers was held Wednesday evening in the mechanical engineering building, President Weir presiding.

A short business meeting was held and the committee on the mechanical engineering pin submitted their recommendation. A standard pin was adopted. The pin is regular A. S. N. E. pin, in the University of Nebraska colors, with the word "Nebraska" on the lower part.

Paul Kneuch gave a short talk on the production of gas with special reference to the Norfolk gas plant where he worked last summer. He showed the correlation of the gas production engineer with the mechanical engineer, and how the latter readily could assume the duties of the former.

Mr. Harold Holtz, a graduate of the department and at present, secretary of the alumni, also gave a short talk

**"N" BLANKETS FOR SIXTEEN HUSKERS**  
sent a puzzling aspect to the Cornhusker and Cornhusker followers are due for a surprise Saturday when the Varsity clash with the Oklahoma men. The weak points exhibited in the Notre Dame contest are being overcome rapidly and a real fighting machine is scheduled to start against the Sooners Saturday. Providing good weather is on hand Saturday, Director Luehring predicts a record-breaking crowd for the big contest.

**Prepare for Pitt.**  
Prior to the Pittsburg contest, which will be played at Pittsburg a week from Saturday, Coach Dawson will have a very limited amount of time to get the Huskers in shape for the Panther mix. The Pittsburg crew defeated the Syracuse eleven Saturday by a 35 to 0 count and from the past experience Nebraskans show that Syracuse does not have a weak team. Coach Glen Warner of the Pittsburg clan is touted as being one of America's foremost coaches and Nebraskans will have some idea as to how the Huskers rate with the headliners of the east in the football world when the result of the Husker-Panther battle has been decided.

The Pittsburg trip will be similar to the Notre Dame trip with the squad leaving one day earlier. The Huskers are scheduled to leave Wednesday afternoon on the Burlington and Coach Dawson will probably give the men a stiff workout on Stagg field in Chicago Thursday morning. Leaving Chicago Thursday afternoon the team will arrive in Pittsburg Friday morning and take the final practice there before the game.

on his experiences in the engineering world and on the advantages of a college education.

Following the meeting the entire party adjourned to the forge laboratory where hot wienies and buns were served.
