Students and faculty members will form in line by colleges and march eight abreast. Detailed directions for the formation for the parade will be published in the special convocation edition of the Daily Nebraskan Tuesday. It will be necessary that each student notice these directions carefully so that he can find his place in the parade without delay.

The resolutions committee has been working on the resolutions and will have them ready to announce Tuesday.

The movement among students to hold group meetings to study the problems of the limitation of armaments conference has spread rapidly, and many organizations have held such meetings with members of the faculty as speakers. The women's dormitories grouped, and each group of two dormitories held a discussion meeting. Faculty members to speak at such meetings are still available, and organizations that have not yet succeeded in getting a speaker can make arrangements either with the faculty member they chose or with Prof. J. MILITARY CARNIVAL STAGED LAST NIGHT

Over a Thousand Nebraskans Make Merry at First Scabbard and Blade Fun Fest.

The First Annual Military Carnival which was held last Saturday evening in the Armory was an unqualified success. A crowd of over one thousand filled the Armory to capacity. There were drinks and carnival favors enough for everybody.

There was not a dull moment during the entire evening. Amidst the strains of the jazz orchestra could be heard the shouts of the bally-hoo men and the cries of the barkers. The stillness of the evening was further broken by pistol shots which gave a real wild west atmosphere to the place.

Around the room circled the motley crowd of dancers, among them were Spanish girls, cow-girls, and gypsies all of surpassing beauty. The bar was busy and working overtime, vainly trying to keep up with the large vol-

AGGIES WIN CROSS COUNTRY TOURNEY

Trio of Aggie Long Distance Men Tie For First Honors—Bowman Finishes Fourth.

EXPECT CHANGE IN LINEUP

Scarlet and Cream Will Enter a Stronger Team in Valley Run Next Saturday.

Nebraska's hopes of winning the Missouri Valley cross-country run were given a decided setback yesterday morning, when the Kansas Aggie cross-country team defeated the Scarlet and Cream barriers by the score of 38 to 17. The Aggie team took the lead after the first mile and was never headed, altho Bowman, a Husker runner, succeeded in passing three Aggie runners.

Three Aggie distance men, Capt. Mathias, Henre, and Clapp finished in 28.45 and first. Bowman, the first Cornhusker to finish, was just four seconds behind the Aggie leaders. Two Kansas runners followed Bowman in.

Coats of Nebraska set the pace and lead the field for the first mile, when sickness caused him to fall back. The Kansas Farmers then took the lead and held it through the race. Bowman picked up toward the middle of the race and was close on the heels of the leading Aggie at the finish. The other runners were strung out over the course, the last man finishing five minutes after the winners.

Although the Aggies' victory over the Cornhusker distance men has noticeably lessened Nebraska's chances of winning the valley run next Saturday, Nebraska is not yet out of the running. Several glaring weaknesses in Nebraska's team were disclosed in yesterday's run and will undoubtedly be corrected by Coach McMasters during the coming week. Several changes in the lineup of Nebraska's team are also expected, due to the showing which was made by several participants in the varsity tryout, which was held in conjunction with the dual meet.

The runners finished as follows: Mathias, Kansas.

Clapp, Kansas.
Henre, Kansas, tied for first, time 28.45.
Bowman, Nebraska, Fourth, 28.49.
Chapman, Kansas, Fifth, 29.41.
Bradley, Kansas, Sixth, 29.50.
Weir, Nebraska, Seventh, 30.15.
Hyde, Nebraska, Eighth, 30.26.
Bryan, Nebraska, Ninth, 30.37.
Hartman, Nebraska, Tenth, 30.45.
Nollson, Nebraska, Eleventh, 30.55.
Coats, Nebraska, Twelfth, 33.59.

In the tryouts for varsity positions Slemmons, Fisher and Alexander bettered the time made by the Scarlet and Cream distance runners. The tryouts were won by Slemmons who made the course in 23.46, three seconds faster than Bowman, the leading Nebraska runner.

The runners in the varsity tryouts placed as follows:

1. Slemmons, Omaha (Medic) 23.46.
2. Fischer, (Omaha Medic) 29.22.
3. Alexander, 29.46.
4. Cook, 30.32.
5. Weekley, 30.38.
6. Summers, 30.45.
8. Jackson, 32.41.

BIZADS TRIUMPH OVER ENGINEER GRID SQUAD

Victory of 6 to 0 For Team From College of Business Administration.

The Bizads and the Engineers finished their football game Thursday afternoon on the Nebraska field, with the score remaining the same as it was, 6-0 in favor of the Bizads. In the first quarter the Engineers threatened to score by taking the ball to the Bizad 10 yard line but the Bizads' line held and the Engineers lost the ball on downs.

The first quarter the Engineers had the ball in the Bizad territory most of the time. In the second quarter the Bizads made it very interesting for the Engineers and several times a touchdown was in sight but two costly fumbles kept them from scoring. When the half was up the Bizads had the ball on the Engineers' two yard line.

Outhouse, Troutman, and DeWitz were the stellar performers for the Bizads, while Milton and Brown were the ground gainers for the Engineers. Davis showed up good at end. The lineup was:

Engineers	Pos.	Bizads
Davis	le	Andrew
Rimmer	it	Cable
Stevator	g	Buckingham
Kreuch	c	Phinney
Ellermel	g	Troutman
Moomau	rt	Sandrock
Slason	re	Outhouse (C)
Reams	qb	Phillips
Schram	lb	Lake
Milton	lb	Davidson

It has been rumored that the winners of the Bizad-Engineer game would play in a preliminary game November 12.

NEBRASKA TROUNCES PITT IN INTERSECTIONAL GRID BATTLE

Scarlet and Cream Warriors Win 10-0 Victory Over Big Eastern Football Aggregation Before Large Crowd on Forbes Field at Pittsburgh—Huskers Threaten Panther Goal Often.

WRIGHT, SWANSON AND HARTLEY ARE HUSKER STARS

Preston Hurlied 25 Yard Pass to Captain Swanson Who Ran 35 Yards for First Touchdown Scored Against Panthers on Home Field This Year—Drop Kick Comes in Fourth Quarter.

PITTSBURGH, Penn., Nov. 5.—(Special.)—Out-playing, out-fighting, and out-generalizing their opponents, the Nebraska Cornhuskers defeated the Pittsburgh Panthers in the greatest gridiron battle staged on Forbes field this year today by a 10 to 0 score. This is the second time the Panthers have been forced to bow in defeat this season, the previous one being at the hands of Lafayette in an early season contest.

The playing of Wright, Captain Swanson, and Hartley were the outstanding features of the game. The Nebraska eleven made a total of thirteen first downs. The Husker line lived up to their reputation and stopped every attempt made through the forward wall. The Panthers were unable to collect only three first downs during the entire game. The "fight" displayed by the Nebraska forwards was by far the best seen here this year. Preston used excellent judgment throughout the game and is responsible for the field goal registered in the final period of play.

The first score came late in the second period when with but a minute or two to play, Preston hurled a beautiful 25 yard pass to Captain Swanson who raced 35 yards for a touchdown. This was the most spectacular play of the game and brought a great amount of applause from the 16,000 shivering fans. The Panthers made a desperate attempt to stage a comeback in the third period but the defensive work of the westerners' forward wall proved to the Pennsylvanians that a score was almost impossible to put over. When the whistle sounded the ball was well in the Pitt territory and looked like another touchdown for the Nebraskans.

Most of the Nebraska gains made during the early part of the game were through the center of the line. Stein, Pitt's all-American candidate put up a weak defense against the heavy Nebraska backs and was unable to stop the rushes of the Huskers. Wright made several nice gains for the visitors and proved himself a versatile athlete by being for a 25 yard gain and 18 yard trip in two instances. Hartley is probably the hardest hitting fullback seen here this year. Lewellen held up his end of the punting game and booted the ball out of danger whenever necessary which wasn't very often.

The Husker victory came as a surprise to Pittsburgh pigskin fans as well as most of the football fans over the country. Betting favored the Pitt athletes 10 to 3 and 10 to 4 before the start of the game. The chilliness of the weather held the attendance down. The Nebraska squad left here in their special car early this evening bound for Lincoln. Before leaving Coach Dawson of the Husker aggregation expressed his desire for a return contest with Coach Warner's men. Following is the line-up and officials:

Nebraska— Pos. —Pitts
Swanson (C) le Jordan
