The Youthful Spirit of the College Mode

HOW well the college girl expresses her personality in clothes—delightful clothes—clothes that in their smart or languorous way epitomize Youth with all its grace, self-assurance and distinction.
And so many college girls have shown their preference for the suits, coats and dresses created by the House of Youth! They know the poise that comes from wearing charming clothes, individual clothes, clothes that bring out all the delightful qualities of the wearer. The joy of choosing from a wealth of models, a riot of colors, the fabrics of the season!
The House of Youth is today the exclusive creator for many a college miss. Their very latest creations are now being featured by the leading stores.
