

## HUSKERS WIN BIG HOMECOMING VICTORY

### FIRST YEAR MEN ARE VICTORIOUS

Freshmen Class Wins Annual Olympics Contest Saturday Morning.

### CONTESTS ARE EXCITING

Fresh Win Cane Rush And Pole Push To Overcome The Sophs Lead.

Eight hundred freshmen were entitled to burn their green headgears Saturday afternoon at the Homecoming Day battle between the Cornhuskers and Jayhawkers, as a result of wiping up the earth with the sophomores Saturday morning in the annual olympics. The sophomores were thrashed to the tune of 40 to 60.

In individual contests, the sophomores easily outclassed the first year men but in the mass events, the sophomores were way out of it. Both the pole rush and the cane rush went to the wearers of the green caps and tallied 40 of their 60 points.

The events of the day were started off even. The two classes lined up for the tug-of-war but the powerful pulling of the contestants was more than the rope could stand and it parted sending fifty sophomores and freshmen sprawling on the ground. The points were divided fifty-fifty on this event, the sophomores receiving five and the freshmen five.

In the boxing and wrestling events, the sophomores captured the fight and heavyweight wrestling battles leaving the middleweights contests to the freshmen. In the boxing matches, the freshmen were only able to get a decision in one match.

The results of the boxing and wrestling matches follow:

- Wrestling.**  
 125-135 pounds, won by Defords, sophomore.  
 135-145 pounds, won by Merritt, freshman.  
 145-158 pounds, won by Lundee, freshman.  
 Heavyweight, won by Simon, sophomore.

- Boxing.**  
 126-135 pounds, won by Barrett, freshman, decision.  
 135-145 pounds, won by Gardner, sophomore, decision.  
 145-158 pounds, won by Rowland, sophomore, knockout.  
 Heavyweight, won by Cameron, sophomore.

**Relay.**  
 The sophomore relay team defeated the freshman team and tallied ten of their classes' total.

With the points standing, 40-20 in favor of the sophomores, the freshmen carefully picked their twenty-five men for the cane rush. This was the most exciting part of the entire battle. The freshmen tore into the sophomores and when time was called had more than enough hands on the cane to take the event.

The battle of the day was the pole rush. The points stood 40-35 for the sophomores and the freshmen had to have those twenty-five points.

They tore into the second year men with a vim and soon separated them from the pole. With most of the sophomores being held on the ground by the freshmen, it was not a difficult task to bring President Woodward down. Elton George was the first freshman to straddle the rod.

Following the olympics battles, the freshmen paraded down town to celebrate. At the football game in the afternoon a good share of the members of the first year class tossed their green caps into the fire as a part of the series of events between the halves.

**FOOTBALL RESULTS.**  
 PHILADELPHIA, Nov. 12.—Penn State, 13; Navy, 7.

### ELIZAD CO-EDS NOW HAVE ORGANIZATION

The girls of business administration college have organized into a University woman's chamber of commerce. Thirty enthusiastic girls met Wednesday night to affect the organization. A constitution was drawn up and accepted. The purpose of the club is to build friendship and a democratic spirit among the students and to promote the interests of women in the college of business administration and encourage them in developing efficiency in commercial activities. This organization will co-operate with the men's commercial club to the best interests of the college.

Membership of the club is open to any girl registered in the college of business administration and do any girl registered in teachers college taking business administration subjects. Any girl registered in the above named colleges can become charter members by paying the membership fee to Eleanor Dillap, secretary, who will hold the funds in trust until a regular treasurer has been elected.

A nominating committee composed of Helen Shonka, chairman; Blanche Gramlich, Mildred Othmar, Florence Ham and Susie Riches are working on a report to have ready at the next meeting at which time permanent officers for the year will be elected.

### EMERALD HEADGEARS THROWN ON BONFIRE

Freshman Caps Make Big Blaze To Celebrate Olympics Victory.

Followers of the pigskin sport at the University of Nebraska were the witnesses Saturday afternoon of the inauguration of a new tradition—burning of the freshman green caps.

Following out the suggestion of the Innocents, acting on the endorsement of the Green Goblins, freshman men's society, the members of the first year class held a jubilee between the halves of the Nebraska-Kansas game at which they set fire to their green caps. They were entitled to do this as a result of trimming the sophomores, 60-40 in the morning at the olympics battle at the Rock Island ball park.

As the whistle for the end of the first half blew, the freshmen gathered together and filed out upon the field. With the caps in a pile, coal oil was poured on and a match lighted to them. A cloud of black smoke lifted from the field while the first year men danced about the fire. Yells for the freshmen class followed and the beginning of the second half of the game ended the first year's men's jubilee.

### FELLOWSHIP WEEK Y.W.C.A. PROJECT

University Association Will Observe World Fellowship Week Third Week in November.

The university Y. W. C. A. will observe the third week of November as the world fellowship week of prayer in which to remember by prayers the work of the organization in all the countries of the world.

No special meetings will be held except of course, vespers on Tuesday evening at which time emphasis will be laid on the two Americas "for none of us liveth to himself."

The university Episcopal church at 13th and R streets, will be open during next week and the girls are asked each day to step inside the church for a few moments of prayer for the two countries specified. New posters will be hung in the vestibule of the church to explain the particular countries under consideration that day.

The calendar is as follows: Sunday, November 13—World's Y. W. C. A.

### MISSOURI VALLEY TITLE TO AMES

Iowa Aggies Carry Off First Honors In Cross Country Contest Saturday.

### NEBRASKA TAKES FOURTH

Six Schools End Meet On Nebraska Gridiron Between Halves of Football Game.

The Ames cross country team won the Missouri Valley distance championship yesterday leading a field of six teams. Kansas University and Kansas Aggies took second and third places respectively, while the Nebraska harriers took fourth honors. Rathbun, of Ames, finishing in 26:13, carried off the individual honors of the meet.

Six conference schools, Ames, Grinnell, Nebraska, Kansas U., Kansas Aggies, and Washington competed in the run. The run was held over the Belmont course and finished on Nebraska field between the halves of the football game. Drake was also entered in the meet, but for some reason failed to compete.

The Cyclone hill and dale team, tutored by Coach Smith, topped first honors, with the low winning score of fifty points. The Ames team was composed of the following men: Captain Friert, Rathbun, Webb, Brown, Hollowell, and Bierman. The Ames team captured first, fifth, sixth, seventh, and twelfth places. This makes the fourth consecutive year that Ames has carried off the cross country championship of the conference.

The Kansas University team was second with fifty points and the Kansas Aggies were third with seventy-six points. The other competing teams, Nebraska, Grinnell, and Washington, finished in the order named.

In winning first honors, Rathbun of Ames gave an impressive demonstration of ability. The Cyclone's time, 26:13, was over two minutes faster than the record time for the Belmont course previous to this meet. Close in the rear of the Ames harrier was Patterson, a Kansas U runner. Massey, also of Kansas, succeeded in copying third honors. Bowman, the first Nebraskan to finish, took ninth place.

The Nebraska team, consisting of Bowman, Coats, Slemmons, Fisher, and Hyde, finished in fourth place. Coach McMaster's proteges made a

### SOPH CO-EDS WIN SOCCER TOURNAY

The Nebraska Girls completed a successful season of soccer, when the sophomores won from the juniors in the interclass finals Wednesday, with a score of 2-1.

The finals were played Wednesday afternoon. The juniors surprised the sophomores by scoring in the first three minutes of play. The sophomores played a swift game but every time the ball approached the junior goal, Ruby Damme, the guard used her dependable right arm in flinging the ball out of danger. The juniors were met with similar difficulty by Jo Creek-pain, in the sophomore back field who has the most powerful kick in camp. Bessie Epstein, junior, was indisputably the best dribbler on the field. At the end of the four quarters the score was 1-1. Lois Shepherd made the decisive goal and won for her class the right to have their numerals on the soccer cup. Davida Van Gilder, Blanche Gramlich and Sara Curber played well for the juniors. Many girls played a 'heady' game, but only the goal keepers were allowed to be 'handy' with the ball. Irene Springer, assisted by Irma Johnson and Eleanor Snell as linemen, refereed the game. Meach Miller was timekeeper.

### JAYHAWK IS BURIED WITH BIG CEREMONY

Husker Warrior Swings Mighty Ax On Kansas Bird.

The Kansas Jayhawkers were the victims of Nebraska heartlessness Saturday afternoon between the halves of the football contest.

A large cardboard "Jayhawk" sprinting about the field under the clever guidance of a Cornhusker student, met his doom at the hands of an ax wielded by Erven Hodson, freshman football man dressed in a varsity suit.

The Jayhawk approached the middle of the field from the side lines and Hodson marched to the battle without daunting in the least. When he reached the bird he hesitated a little and then swinging the mighty ax, he cut the head of the Kansas Jayhawk from its body. Following up his heartlessness, he left the bird to suffer without giving it a second look.

The body and head of the huge Jayhawk was placed in the casket and the Sphinxes marched "sadly" off the field.

### Five Hundred Cornhuskers To Go To Ames With Nebraska Warriors

The Ames special is now a reality providing five hundred Husker enthusiasts make the trip according to latest reports of the Innocents society and the athletic department. A special train will be chartered for the journey and the reduced rates are expected to send more students than are necessary to fill the seven hundred seats that have been reserved for Nebraska students and fans in the Ames Stadium.

The round trip tickets can be had for \$11.50 or less than one and one-third of the price of a ticket ordinarily. This price is unusually low and was secured only after considerable difficulty by Dean Engberg who prevailed upon the officials of the railroad at Omaha to make this rate possible.

The trip will not only afford the students a chance to see a football game at another school but will also give them the advantage of seeing another great University.

Complete plans for the trip have not yet been made public but it is officially announced that there will be plenty of entertainment for any who make the trip in addition to the football game. The "Corncocks" are making the journey in a body and although their doings are a deep mystery it is a certainty that they will not be idle between the halves of the game.

Other schools have been sending huge delegations to the football games. Ohio state University recently sent six thousand students by special train all the way to Michigan University for a football game and the large numbers committees will campaign for students

of Oklahoma visitors who came to Lincoln from Norman, Okla., a much greater distance than from Nebraska to Ames. The Oklahoma boosters came all of seven hundred miles merely to see a football game and then proved themselves such good sports concerning the outcome of the game that Nebraskans will always remember them as some of the best rivals that they have ever known.

The distance to Ames is only two hundred miles and the trip can be made by starting from Lincoln at about 6 a. m. Saturday. The train will arrive at Ames about noon and the return will be made following and entertainment in the evening.

The University band is being taken to the game thirty strong and the students are wanted to back it up in its loyal support of the team.

The unusual strength of the Husker lineup this fall makes all of the games interesting games and there is a thrill to each of them and the Ames game is expected to be no exception. "On to Ames," will be the motto of the week and it is to be hoped that every student will take up the cry and be there himself bringing another.

In order to secure the special train it is necessary that those in charge of the trip know how many will go. The only way in which they can find out is by the number of tickets sold and five hundred of these must go before the Husker special can leave Lincoln. Reservations for the trip may be made at the Student activities office and it is expected that several to make the trip.

### KANSAS JAYHAWKERS FALL BEFORE NEBRASKA ATTACK

Scarlet and Cream Warriors Win 28-0 Victory Over Ancient Rivals on Nebraska Field Saturday Afternoon Before Crowd of Homecoming Graduate Visitors.

### FIFTH GRID VICTORY FOR COACH DAWSON'S GRID MEN

Heavy Nebraska Line And Fast Backfield Men Crash Through Kansas Line And Outplay Them In Nearly Every Department of The Game.

The 1921 Cornhusker eleven scored its fifth victory of the season yesterday before a crowd of 11,000 Husker and Jayhawk enthusiastic fans when the Kansas Jayhawkers were forced to bow in defeat to the Scarlet and Cream eleven after Coach Dawson's men had piled up a total of 28 points while the Kansas were unable to score. The Huskers have won every contest of the season by the shut out route and the Nebraska goal line has been crossed only once this year that coming at the hands of Notre Dame.

The heavy Nebraska forwards and backfield performers crashed through the lighter Kansas team for many big gains and completely outplayed the Jayhawkers in practically every department of the game. The entire Cornhusker team played wonderful football and Coach Dawson is to be especially commended for the manner in which he and his assistants have perfected the dazzling attack and stonewall defense of the Huskers.

Between halves the Kansas and Nebraska bands paraded the fields and played the popular songs of both Universities. The University "Corncocks," a new organization on the campus, put on several stunts that brought a large amount of applause from the large crowd assembled to view the annual Husker-Jayhawk struggle. The Iota Sphinx and Xi Deltas held a funeral march for the beheaded Jayhawk between halves. The class of 1925 added to the excitement by sending the "green headgear" up in smoke.

Ideal weather conditions made the game fast and both teams responded with spectacular playing. The first quarter opened with Kansas kicking off to Preston who made a nice return. Wright made a nice gain but Nebraska fumbled and Kansas recovered the ball. A bad pass from center spilled the hope for the Jayhawkers when Schever picked up the ball and after shaking off two Kansas tacklers crossed the Jayhawk goal line for the first counter of the game. Captain Swanson added a point by kicking goal.

Nebraska kicked off to Kansas but the Jayhawkers punted after a few successful attempts to gain and Nebraska started a march for the Kansas goal with Wright, Hartley, and Lewellen carrying the ball. The Huskers fumbled on the Kansas 16 yard line and the Nebraska eleven had lost a good chance for another touchdown. After a couple of exchanges of punts with the ball see-sawing back and forth on the field time was called for the first quarter with the Kansas eleven in possession of the ball on her own 43 yard line. Score, Nebraska 7—Kansas 0.

The Huskers scored the second touchdown about the middle of the second quarter when the line plunging of Hartley and Wright put the ball across the line. Each team had the ball about an equal length of time this quarter and both elevens were forced to punt a number of times. Lewellen outkicking McAdams in most instances. The Husker machine was working perfectly in this period and seemed to have absolute control of the entire offense of the Kansas. The deadly aerial attack of the Kansas athletes failed to materialize to any great extent during any period of the game and only a small number of short passes were completed. The Kansas eleven were fighting gamely but could not overcome the advantage in weight of the Huskers. The half finally ended with the ball in possession of Nebraska on her own 35 yard line. Score, Nebraska 14—Kansas 0.

The second half started with Noble in for Wright. Wenke booted to Kansas and after an exchange of punts the Jayhawkers completed a long pass and a Kansas touchdown seemed imminent. Nebraska held and the Huskers completed a forward pass which brought the ball within scoring distance of the Kansas goal. Plunges by Hartley, and Noble put the ball across for the third counter. Captain Swanson kicked goal making the count 21 to 0. Wenke again kicked off and both teams exchanged punts but time was called in a short time with Nebraska in possession of the ball on the 40 yard line. Score, Nebraska 21—Kansas 0.

The final quarter was filled with thrills on both sides with the aerial attack coming into prominence in this period. A pass by the Jayhawk which Captain Swanson intercepted was almost good for a touchdown but the Jayhawkers held on the 1 yard line and punted from behind their own goal line. Two long end runs by Noble put the ball within scoring distance and Russell went over for the final touchdown. Captain Swanson kicked goal and the game was soon over with Kansas in possession of the ball in the middle of the field. Final score Nebraska 28—Kansas 0. Lineups and officials are as follows:

### FIRST APPEARANCE FOR NEW CORNCOCKS

New Nebraska Cheerleading Organization Makes Initial Showing.

The first formal appearance of the Corncocks, Nebraska's recently organized cheerleaders organization, was made at the Kansas-Nebraska game Saturday with more than pleasing results to the students of the University and the former grads in attendance for the Homecoming contest.

The Cocks, led by "South" Milham, and Audley Sullivan, chief "Cob," were dressed in scarlet sweaters and cream trousers. Each man smoked a corn-cob pipe and carried a corn stalk. Each man wore a scarlet and cream skull cap.

Preceding the game, the Cocks followed the band in a parade through O street. Arriving at the field of battle, they held a snake dance to introduce themselves. They then retired to a special section of the bleachers where they made an impressive appearance in their suits of scarlet and cream.

### FOOTBALL RESULTS.

NEW HAVEN, Conn., Nov. 12.—A powerful Yale eleven defeated Princeton here this afternoon in their annual game, 13 to 7. The Elis scored a touchdown and goal in the first period and field goals in the third and fourth periods. Princeton's seven points came as a result of a touchdown and a goal in the second period.

The game was bitterly fought from start to finish, the sheer power of Yale's attack conquering the smoother play of the Tigers for the first Elis victory ver Princeton since 1916.

The captains of both elevens were forced to leave the game on account of injuries.
