

## WRESTLING SEASON PLANS BEING MADE

Three Letter Men Ready to Respond to the First Call Issued This Year.

A call will soon be given for wrestlers. Plans are being made where several applicants for berths on the team can be handled. The competition this year is going to be very keen as there are three letter men back, Captain "Flitz" Reed, Stanton Troutman, and Rudolph Bengston. All of these men received a lot of praise over their work last fall and they will no doubt show up some other men in the valley meets this year. This is a sport that has not received much attention at Nebraska but which deserves a great deal. Men can develop greatly by wrestling and can learn how to take care of themselves if an opportunity ever presents itself along those lines.

There are to be many good meets here this year, and the athletic tickets will admit anyone to any of these meets. When the call for wrestlers is given it is hoped that at least twenty-five or thirty men will report.

### STUDENT SPECIAL IS NOW A REALITY

(Continued From Page One.)  
is a great deal more data and material in the directory this year than in former years, and also the books are being printed on a better, heavier grade of paper.

Because of these circumstances it will be impossible to get the books from the binder in time to place them on sale this week. The binders had promised an initial delivery today but now state that the books will not be ready for distribution until Monday or Tuesday of next week.

The editors of the book, Orvin B. Gaston and Eugene Ebersole, stated yesterday that they regret the delay very much but believe the improvements in the book easily warrant the short delay.

—1,000 At Ames—

(Continued From Page One.)  
was arrived at. A committee was appointed to draw up a constitution for the Cobs. Enough new men were voted into the organization to make two men from each fraternity.

A meeting of the stunts committee of which Jack Whitten is chairman will be held Thursday afternoon and final arrangements will be made for the appearance of the Cobs on the Ames gridiron.

The Corncobs appeared on the Nebraska field last Saturday, dressed in cream trousers and scarlet sweaters. Each man smoked a corn cob pipe and carried a corn stalk. The "Cobs" all held onto red ropes which were used between the halves to form a large "N" within the circle formed by the cadet band. Appearance of the Corncobs on the Ames field will undoubtedly tie more securely the already friendly relations between Nebraska and Ames. Such was the effect the appearance of the Oklahoma Jazz Hounds had at the Sooner contest and the Corncobs fill the same position at the Husker school as the Jazz Hounds fill at Oklahoma.

### MORE PRAISE FOR TEAM FROM PITTSBURGH PEOPLE

Dr. R. G. Clapp, of the department of physical education is the recipient of a letter from a prominent Nebraska alumnus who is at present secretary of the board of public education for the city of Pittsburgh. He also enclosed some clippings from the Pittsburgh Dispatch which gave a very favorable account of the Nebraska-Pittsburgh game, as far as Nebraska was concerned. His letter follows:

Dr. R. G. Clapp,  
University of Nebraska.

My Dear Dr. Clapp:  
I was very glad to have your letter and particularly to meet Mr. Luehring, Mr. Dawson, and the boys. I was a member of the reception committee from the Alumni Chapter who met the boys at the train.

We were sorry that the limited time and their duties prevented us from being able to show them some of the characteristic Pittsburgh activities, including the mills. We were, however, able to take them for a short automobile ride Saturday evening.

The result of the visit seems to have been perfectly satisfactory to them, however. I want to say, that I never saw a better-looking team on Forbes Field and I was even more pleased by the modest and gentlemanly demeanor of the men after the game.

I am enclosing the report from one of the Pittsburgh papers. They were all unanimous in praise of the team and its playing. I assume that the boys got the papers before they left.

In the earlier days I always had to explain where the University of Nebraska was and sometimes even where the state was. The boys, however, have definitely put the University on the map here.

Congratulate them all most sincerely for me, and for the Pittsburgh Alumni Chapter. We were all tremendously proud of them.

Sincerely yours,  
G. W. GERWIG.

### LINCOLN CIVIC LEAGUE WRITES TO LEROSIGNOL

The college of business administration has received an interesting letter from one of the seventh A students of the junior civic league of Everett school of Lincoln. The young people recently visited the college and were addressed by Professor J. E. Kirsham, who talked of "Thrift." Miss Leone Lattue in an excellently written letter to Dean Le Rossignol said:

"As a seventh A student of the junior civic league of Everett school, I wish to thank you for the courtesy extended to us by letting us have the use of the building and the room in which Professor Kirshman talked to us. One thing which especially interested me was the question of thrift. I should like to know if the men who are great business men now were thrifty in order to become so great. I was very glad to take this trip, for I knew I would learn something which will become of use. I hope it will not be long until I take another civic league trip."

### EPISCOPALIAN CLUB HOLDS BIG MEETING

The regular meeting of the Uni Episcopalian club was held on Tuesday evening at 7 o'clock in room 101, social science hall. About twenty-five members were present to hear the report of the delegates to the recent provincial session of the national student council. The resignation of Mary Sheldon as vice president was very reluctantly accepted and Carletta Cheney was elected to fill the unexpired term.

Mr. E. F. Schramm and Mr. L. O. Wyman lectured in Fairbury Tuesday November 15 at a meeting of the V-men's club. The resources of Nebraska with special emphasis on oil were discussed.
