A Merry Christmas for Mother and Sister Ann

A Merry Christmas for Father and Brother Bob

- They are plotting and planning for your home coming this Christmas. Can't you see Sister Anne using up packages—and little bright-eyed Mary toddling back and forth carrying boxes, ribbons, and tins—big "fruity" one, too. All for you. What have you planned for them? Anything? Look over these few suggestions—and you'll find something or you at least get an idea of what we have from which you can make your selection.

They're too busy tearing around selecting toys for little Mary, and getting the Christmas tree platform ready. That's their job. But, still, they've got something up their sleeves for you. Men are so mysterious about Christmas, you know—and don't you think for one minute they haven't wondered what you're going to get for them. They hope it will be something for a MAN tho. Here are some hints as to what we have for men in our Store for Men and our Center Aisle on Floor One.
