

## INDOOR RECORDS BROKEN THIS YEAR

Six New Marks Are Hung up by Sprinters in Recent Indoor Meets Held.

Six new world's records will come on the books as a result of recent events. Four of these will go to Bob McAllister, newly arrived sprint marvel, at the 110, 120, 130 and 150 yards distances, made in the Thirteenth Regiment James in Brooklyn.

Jake Driscoll, of Boston college broke his old 500 yards mark of 59 1-5 seconds, when he won the Buermeyer cup in the New York A. C. meet doing 57 3-5 seconds. The second record fell to Leroy Brown, the Dartmouth high jumper, in the Harvard-Cornell-Dartmouth meet in Boston. Brown took the record recently made in the Milrose meet by Murphy of Notre Dame, of 6 feet 4 5-8 inches. The new figures now stand at 6 feet 4 3-4 inches.

McAllister's running stands out

somewhat from that of the others due to his being such an inexperienced athlete. He has literally leaped into fame as a sprinter, and the recent performances by him seem but a forecast of his future on the track. Seldom do record breakers spring from the novice class as has this New York policeman.

### Some Record Marks

Driscoll's running in the N. Y. A. C. meet comes next in importance of meritorious performance. Jake had two great runners to beat in the Buermeyer 50 yards, and he did it in a very masterly way. His race could not have been better timed; had he made his try earlier it would have been his defeat, as it proved to be of his two opponents.

Koppisch took the pace in this race and set it fast. The first quarter was covered in 50 4-5 seconds, with Koppisch leading, Stevenson of Princeton right on his shoulder. Driscoll contented himself in trailing this pair until the quarter mile distance was covered then came up on the outside. Koppisch and Stevenson were dead from the early running and could not hold the spurt, which Jake uncorncd to win by a fair margin.

Brown's jumping was not inspired by competition, so is all the better. His nearest competitor could clear but 5 feet 11 1-2 inches, showing that the man was not pushed to his utmost.

The chance to use spikes on a specially built soft wood track has been a great boon to the runners, with the result that the game has been made much safer. The same is true of the pits for the jumpers who in the past ran the risk of serious injury.

Driscoll's running this season has been quite up to his best, and he has demonstrated the strength of the contention of those who felt that he received anything but a fair deal at the Antwerp Olympiad. Jake is a born runner with a first class style and plenty of racing courage.

Yale uncovered in Comins, a freshman, a promising sprinter, who gets away from the mark in great shape. The former Worcester schoolboy won all three of the dashes from a field that included Bernie Wetters and Bob McAllister, equalling the world's record of 7 1-5 seconds for seventy yards. This was great going for a racer of any age.

McAllister is not suited to the shorter sprint distances. He is a solid, top-of-the-track runner, who has a great burst of speed after the first fifty yards, in which he reminds one of the Charlie Paddock and the late John V. Crim. Once well under way, the field came back to him fast, but he was no match for the New Haven youth when it came to getting under way.

Jackson Scholz has been disappointing in this respect this season. At one time or another most of the leading sprinters have beaten him at the start, something that at one time was his specialty. For the last two years, Loren Murchison was supposed to be the fastest man off the mark in the East. Then Scholz beat him in the start twice out of three times, and he was left down on his heels at Antwerp. Recently Murchison has come back to his old form and it is greatly to the credit of young Comins that he was able to get away in front of this remarkably quick starter.

Mr. Frank A. Hayes left Friday for soil survey work in southern Louisiana where he will be until the spring work opens up in Nebraska.

## TRYOUTS FOR TRACK MEET ARE SATURDAY

Athletes to Represent Nebraska in Championship Contest to be Chosen.

Tryouts will be held Saturday afternoon at 3 o'clock for the cinder path artists who will represent Nebraska in the Missouri Valley championship indoor meet at Kansas City, in March. Competition will be conducted in all events, and all track men must report for the tryouts.

Only sixteen men will be taken by Coach Schulte to the Kansas City meet and the competition for the places on the team will be exceedingly keen. Coach Schulte has been putting the tracksters through a series of strenuous workouts for the past week in spite of the bad weather. The track team is in fairly good shape now and indications point to some excellent performances in the tryouts Saturday.

### Personals.

Mr. Seth Taylor, of the Conservation and Survey division of the University, exhibited the state reels and colored slides at a community and good roads meeting held at Guide Rock Tuesday evening.

Dr. Charles Fordyce, professor of Educational Measurement and Research, spoke to the boy scout masters of Omaha at a meeting there, Friday, March 3. Dean Fordyce is actively connected with Lincoln Boy scout work.

Miss Erma Appleby, Y. W. C. A. secretary, left last night for Cedar Falls, Ia. Miss Appleby represents the Y. W. C. A. at a rural life conference. She will spend a day at Grinnell college visiting friends and will return Monday.

Lucille Fox, '25, will go to Kansas City for the week-end.

Ruth Easley of Chadron is visiting at the Kappa Kappa Gamma house this week.

Lucille Anderson, '22, will visit at Topeka, Kansas, during the week-end.

Frances Costetta and Elizabeth Elliott of Omaha were guests at the Kappa Alpha Theta house this week.

Mildred Smith, who is teaching at Columbus, visited at the Kappa Alpha Theta house for several days.

### Campus Notes

Mr. L. A. Wolfanger, who has been in charge of the field work of the soil survey of Garden and Perkins counties during the summer has just completed his written reports on these counties. The reports have been submitted to the director of the state survey here and will be forwarded to Washington within a few days.

Both the university museum and the art exhibition have shown a decided increase in attendance during the latter half of the week because of the number of basketball contestants who have availed themselves of the opportunity of inspecting these outstanding features of the university. A very large percentage of the players viewed either the museum, the art exhibition, or both, in addition to visiting the other buildings on the campus.

### In Years Gone By.

**Seventeen Years Ago Today**  
Nebraska girls basketball team scored two victories, the first team defeating that from the Haskell Indian school, and the second team defeating the Peru Normal.

**Thirteen Years Ago Today.**  
Mr. Walter B. Tripp of the Emerson school of oratory was the guest of the University, delivering two addresses, one at convocation in the morning and the other in the evening at the Temple where he delivered the conologue "Martin Chuzzlewit."

**Seven Years Ago Today.**  
The largest audience at recent convocations heard Lillian Helms-Polley and the University Chorus give a program which was received with marked appreciation. The selections by the Chorus were well-known Wagner compositions.

**Six Years Ago Today**  
An All-Missouri Valley basketball team was picked by the Daily Nebraskan. Three Nebraskans were given places on the honor roll.

**Two Years Ago Today**  
Only about seventy baseball candidates responded to the call of Coach Schissler for a meeting of all men interested in baseball. At least fifty of these were freshmen, leaving only twenty Varsity candidates.
