

LITERARY SORORITY TO HOLD BANQUET

Final Arrangements Are Made For First Annual Feast of Chi Delta.

Chi Delta Phi, honorary literary sorority, held its March meeting at the Phi Mu house, with Jaqueline and Mary Bost. Final arrangements for the first annual banquet to be given at the Brown Betty, March 16 were made. Miss Lenore Burkett sang three groups of folk songs, collected by Miss Louise Pound, Miss Pound classified the groups and explained the history of each of the songs.

All members that have been elected this year will be initiated before the banquet. Mrs. Charles Aldrich, known as Bess Streeter Aldrich of Elmwood, will be initiated into the society and will give a talk about some phase of magazine work. Mrs. Myrtle Keegan Mason, a member editor of the women's page of the Omaha Bee will be present and tell of her work on the newspaper.

The following girls were elected to membership at the last meeting. Emily Ross, Clarissa Bucklin, Nancy Pennoyer, LaVern Brubaker, Barbara Martin, Dorothy Dougan, Hope Barkley.

SLIDES OF CAMPUS WELCOMED BY ALUMNI

Denver Grades Glad to Get Pictures Sent by Alumni Association.

The university alumni association is in receipt of a letter from the secretary of the University of Nebraska alumni association of Denver, thanking the university for sending slides of this institution to be shown at a meeting of the Denver association. He states, "to say that the views were a success is putting it mildly. When we saw a list of 77, we thought we would simply select the best ones, but it was a difficult matter to make the selection so we used them all and the expressions from the older members as they recognized their friends of the past were indeed interesting. There were more than forty at our party and classes from 1886 to 1920 were represented, so you can imagine that there was food for everyone in the way of reminiscence.

"When we finished showing the pictures there was a general expression of enjoyment and several suggested that we show them again.

"Mr. O. T. Reedy, president of the association here is a good booster. Our next meeting will be in May and it has been suggested that we include alumni from the surrounding towns, so there are a number at Pueblo, Colo. Springs, Fort Collins, etc., who will be glad to come for the occasion.

ANNOUNCES MEMBERS OF NEW GLEE CLUB

Successful Candidates Selected For New Campus Organization.

Mr. Seth Taylor of the conservation survey division exhibited the state reels and colored slides at a community and good roads meeting held at Guide Rock, Tuesday evening.

Dr. E. G. Anderson, '15, called upon friends in the botany department during the past week. Dr. Anderson specialized in botany and horticulture while in the university. He is at present an investigator in the Carnegie Institution of Washington with laboratories at Coal Spring Harbor, Long Island.

Mr. F. J. Pipal, who received his A. B. degree in 1907 and his A. M. degree in 1911, was a recent visitor at the department of botany. Mr. Pipal was for many years assistant botanist at Purdue University, Lafayette, Indiana. He has just recently left his professional work and has gone into business at Humboldt, Nebraska.

Clyde T. Morris, engineer for the Ohio Stadium Building Committee, has written from Columbus, Ohio requesting two photographs, one of which will be the model of the athletic stadium here as it will appear when completed.

We now have a large and better selection of brief cases than ever before. See them. George Bros., 1213 N St.—Advertisement.

Theodore Benda, '08, died at his home near Cleveland, Ohio, February 15, of pneumonia. Mr. Benda followed the teaching profession for many years and received his masters degree also at this university.

A. H. Dinsmore, a former graduate, who is boys work secretary at the Y. M. C. A. at Harrisburg, Pennsylvania, has sent the university a copy of the Penn State songs. He comments upon the remarkable spirit exhibited by the students of Penn State.

Gifts for birthdays, weddings—or all occasions. George Bros., 1213 N St.—Advertisement.

A memoir, written by Professor R. A. Emerson, '97, dealing with problems in plant breeding, has been published by Cornell University. Professor Emerson is now head of the department of plant breeding at Cornell and has contributed many researches in published form.

TWO KIDS "CHAMPS" SQUARE DIFFERENCES AT GYM SATURDAY

(Continued from Page One.)

evenly matched, and neither seemed able to throw the other. After the match had lasted for about ten minutes, the youthful referee, ever desirous to display his knowledge of the mat game, hollered, "time," and the "coming champions" ceased their struggling. "Howie" and "Whitie," exhausted, but happy because a large crowd had witnessed their endeavors, rejoined their "gangs."
