## UNI PLAYERS CLOSE SEASON SATURDAY EVE

"Grumpy" to be Presented at Temple Theater Tonight Friday and Saturday

BEST SEASON FOR PLAYERS SOON OVER

Excellent Cast Ready to Give Students Final Performance of Year

The University Players will close their 1921-1922 season of six plays with a three night presentation of "Grumpy." "Grumpy" will be produced at the Temple Theatre Thursday, Friday and Saturday evenings this week. The play was chosen because of its unusually fine story and splendid workmanship. It is from the pens of Horace Hodges and T. Wigney Percyval, the two well-known English dramatists.

This is the celebrated play in which Cyril Maude originated the part of an apparently half senile old man with a crusty exterior, but a wonderfully kindly nature and the keen wit and indomitable courage of a Sherlock Holmes. "Grumpy" is probably the most expressive name the authors of this play have chosen for it.

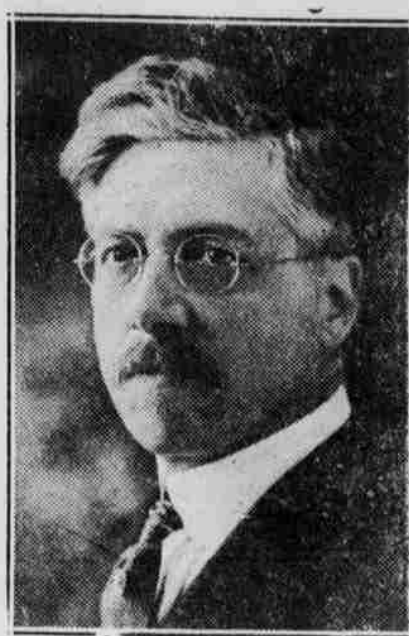

The story deals with the robbery of a large uncut diamond and the detection of the thief through the consummate shrewdness of the old man. The robbery takes place in the house of Mr. Andrew Bullivant, familiarly called "Grumpy" by his granddaughter, Virginia, and his nephew, Ernest Heron. The latter is bearing the gem to his employers in London, and is about to pass the night in the house of his uncle. Seated alone in the sitting room after all have retired, he is mysteriously set upon in the dark by an unknown assailant, rendered unconscious and relieved of the valuable stone. Through a white camelia, the stem of which has been tied with a woman's hair, with no other clue to guide him, the amusing old man, step by step, traces the perpetrator, fastens the guilt upon an unsuspected personage, and in the end makes him disgorge the gem, and so crowns the happiness of his nephew and granddaughter, who love each other.

"Grumpy" is a distinct novelty and a rare theatrical treat. It is a sure cure for the blues generally and for grumpiness particularly. The New York Herald said: "Grumpy" is delightful. To see it is to enjoy one of the best things in the theatre."

The Players are determined to close their most successful season this year with a climax of effort. An unusually strong cast has been selected. The lead "Grumpy" is being handled in superlative fashion by Mr. Neil Brown who was so thoroughly enjoyed in "What Every Woman Knows." The demands of the part are great, it being one of the longest leads in present day drama. Virginia is played by Lucille Foster who will be remembered for her work in "The Tailor Made Man." Floyd Johnson, the Magee of "Seven Keys to Baldpate" will be seen as Jarvis. Hart Jenks, who has appeared in many parts since jointly chosen. It consists of Marie King of Players will be seen in the role of Ernest.

The remainder of the cast is as excellently chosen. It consists on Marie Mills, Viola Looobrock, Herbert Yenna, David Lindstrom, Lloyd Streeter and John Dawson.

Now that the Orpheum has closed its vaudeville season and there seems to be a dearth of road shows, the Players feel that in producing such fine things as "Grumpy" and the other plays which they have given this season they are doing their share of keeping the legitimate drama available for students of the University and the theatre going public of Lincoln. It remains to be seen whether or not moving pictures will eventually become the only form of theatre entertainment left. The Players need your support to help them carry on their purpose. Besides this, the Players offer you a thoroughly enjoyable evening with "Grumpy". The doors are open at 7:30 and the curtain will rise promptly at 8:20. Don't miss this splendid play. Tickets may be secured at Ross P. Curtice Music Co.

## DR. HENRY COPE TO SPEAK HERE AT CONVOCATION

SPECIAL CONVOCATION TO BE HELD AT TEMPLE

Addresses and Receptions Planned For Visitors Next Week

Dr. Henry F. Cope, General Secretary of the Religious Education Association of America, will give a University Convocation address, "The Challenge of Democracy," in the Temple Auditorium, Tuesday of next week at 11 a. m. On the same day he will give an informal address at the noon luncheon of the Faculty Club, to be held at the Grand Hotel.

It has been made possible to arrange to have Dr. Cope give these addresses at the University because he is coming to Lincoln under the auspices of the American Unitarian Association and the Western Unitarian Conference, to give a series of special addresses on Liberal Religion in A. S. U. Unitarian Union, April 23 to 27. His subjects on Tuesday will be: "What is the Education," and "Religion and the Problems of 1922." His week-night subjects will be: The Church and the Needs of 1922; The New Evangel and Evangelism; The Mind for a New World.

From seven to eight o'clock Sunday evening in the Unitarian Church parlors, there will be held an informal public reception in Dr. Cope's honor. All who wish like an opportunity to meet him are welcome to attend this reception.

Dr. Cope was born in England 52 years ago and has been for fifteen years the secretary of the Religious Education Association, which includes in its membership persons from all churches and has upon its executive board some of the leading educators of the United States and Canada. Dr. Cope is well known throughout the country for his work in keeping before the public mind the ideal of religious education and the sense of its need and value. He is in constant demand by churches of various denominations because of his ability as a popular speaker. His interpretation of religion is modern but never offensive. Besides his addresses at the Unitarian church and his University engagements, Dr. Cope will give an address, "The Foundations of a City," at the Monday noon luncheon of the Chamber of Commerce. On Monday evening he will give an address at the opening session of the six weeks Training school for vocational school teachers. This session will be held immediately after a supper served at 6 p. m. at the Grand Hotel. It is probable that Dr. Cope will also give an assembly address at the Lincoln high school.

## SPRING FOOTBALL SQUAD DWINDLES TO TWENTY MEN

Captain Hartley Sends Out Call For More Men For Daily Grid Practice

COACHES DAY AND YOUNG IN WORK

Fundamental of Football Being Drilled Into Candidates For 1922 Team

The Cornhusker spring football squad has been holding strenuous workouts on the athletic field daily under the direction of coaches Bill Day and Farley Young, who are drilling the candidates without letup. The squad has dwindled to a bare eighteen or twenty men instead of the fifty or sixty who should be out daily. The work is being severely hampered by the large number of varsity gridsters who are not reporting.

The men who are out for practice daily include Captain-elect Chick Hartley, Wenke, Pete Preston, Berquist, Schoepel, Sherer, Klempe, Peterson, Henry, Addison, Herb DeWitz, Rufus DeWitz, McAllister, Rorby, Packer, Phalen, Packer, Halbers, Spies, Hinnan, Shainholtz and Cameron.

The coaches are devoting the workouts to the drilling of the fundamentals of the gridiron sport. Tackling the dummy, charging, backfield stepping and duckwalking are forming a part of the workouts. Scrimmaging has also been a feature of the recent practices. All the fundamentals are being stressed now so that they can be dispensed with in the fall workouts.

The necessity for a strenuous spring training period at Nebraska is shown by the fact that at all the colleges a stiff spring training is being held. At Kansas University, Nebraska's time-honored foe on the gridiron, hard practice is being held, which is featured by a scrimmage game every Saturday. Notre Dame, Turkey Day adversary next year, has a spring training squad consisting of a hundred enthusiastic grid men.

## HUSKER NET TEAM WINS FIRST MEET

Tennis Team Opens the Season With Victory Over City Team Yesterday

The University of Nebraska tennis team opened the season yesterday with a victory over the Lincoln city team in a dual meet. The Huskers copped three out of the four single matches and one of the two double matches. The feature of the meet was the Russell and Skallberg vs. Archer and McProud doubles match. The University Place stars won only after a hard fight, the score of the sets being 17-15, 6-6, 6-3.

In the singles, the Husker Philipino star, Conrado Limjoco, defeated Don Elliott in straight sets, 6-1, 6-3. Bob Russell of the Cornhuskers also won his singles match, defeating Ced Potter, 7-5, 6-2. Crawford was victorious over Gregg McBride, 6-4, 3-6, 6-4. Dean McProud was the only city team man to win in the singles, defeating Minor Skallberg, 6-4, 6-2.

Limjoco and Crawford, the other Husker doubles team, copped the match with Potter and Fullaway after a hard fight. The matches were slowed up considerably because the players have not yet rounded into mid-season form and because the courts are still somewhat soft.

GREEK PHOTOGRAPHS ARE NOW ON DISPLAY

An exhibition of photographs of Greece are now on display in the art gallery. They have been sent out by the American Federation of Arts at Washington and will be on display for one week. These pictures are very beautiful and interesting in that they show the relationship of landscapes to Greek architecture.

## Ags Show Lots Of Pep Preparing For Famous Fair To Come May 6

From the way those two hundred from the standpoint of the Ags, a business in separate committee meetings after the peppy mass meeting Tuesday night, the Farmers Fair will be a success. But above all it will be, from the standpoint of the Ags (a business proposition managed on a business like basis. An office will be opened this week in the Y. M. C. A. room of Ag Hall for use of the entire college in making arrangements for the fair.

The parade, bigger and better than last year, will pass through O Street at noon of May 6 as an attraction and inducement to every onlooker to come and enjoy the afternoon and evening on Ag Campus. Plans for the wildest kind of a wild west show are very nearly completed. Plenty of bronks have been secured. Several steers are spoken for. The one difficulty confronting the committee is the lack of two or three days time to accommodate the large number of entries.

The Home Economic girls are to be seen every evening now practicing their pageant out of doors and from all indications gathered through casual observation the pageant will be a beautifully staged costume entertainment that will even surpass the envious reputation of these girls as first-class entertainers.

The Midway carnival shows will include all the novelties and freaks of the age. The ingenuity and originality of the Ags has never before been tested and taxed to such an extreme but suffice it to say both faculties are still intact.

The Snorpheum, that show company that makes its debut May 6, has already a program of the lightest of the light fantastic combined with the seriousness of the snappiest mixed chorus ever assembled behind one row of foot lights. The tumblers and the comedians will contrast with the real Ag quartette in furnishing the variety for the show. A minstrel show of forty-five minutes length guarantees right now a handsome prize to any man, his wife or child who can stay the full time without breaking their shoe strings with laughter.

A great barbeque that will feed the thousands will be served at the regular dinner hour. The roast will be prepared by expert chefs and from the prize steers of the fine herd that the College maintains.

Dances in the afternoon and evening

will entertain you all. The best orchestras of the country will be secured. No stone will be left unturned to make this feature a high class affair.

No one need go wandering about the campus this year without a place to go. Guide books are being printed that will contain among other things a map of the campus and the complete program of the day.

The campus of Agricultural College in itself is one of the attractive spots of Lincoln. The buildings are filled with attractive, interesting and instructive educational exhibits such as very few institutions possess. Every building of the campus will be open that afternoon and evening with students in the laboratories at their work demonstrating some of the laboratory exercises carried on by students of the college. This is the main purpose of the fair and special efforts are being made this year to make this phase a success.

## HUSKER TRACK MEN PREPARE FOR SATURDAY

Athletes Drill Hard For Fraternity and Varsity Meet This Week

MANY FAST RACES ARE EXPECTED IN TRYOUTS

Mile Run Will be Feature—Quarter-Mile Dash Will Be Close Contest

The Husker cinder path artists went thru another stiff workout last night in preparation for the interfraternity and final varsity Drake Relays tryout Saturday afternoon. The program of events Saturday is scheduled to begin at 3:30, so as not to conflict with the baseball game, Nebraska vs. Wesleyan, which will be played at 1:30.

Interest in track has increased at U. of N. since the athletic carnival last Saturday. The competition for places on the varsity team has grown much keener. The interfraternity meet Saturday has already aroused more rivalry than any previous intra-mural meet.

The latest intra-mural meet to be planned is an inter-company R. O. T. C. meet. Co. B, Captained by Norris Coats, varsity miler, has taken the lead in this direction, and is organizing a track team. The inter-company track meet will be held on May 6, according to Coach Schulte.

Coach Schulte was absent from the practice yesterday afternoon, having gone to Columbus to speak to a group of high school athletes. Coach Schulte is making a series of such talks in an effort to interest all high school athletes in coming to Nebraska.

Dixie Smith, the elongated hurdler, who placed well in the high jump last Saturday in the intercollege meet, has been working in the high jump this week and with slight change of form may do some very good jumping before the season is over.

Working with him is another Ag by the name of Drishaus, of the same height as Smith is showing greater possibilities in the jump with a slight improvement in form. Hatch is the third Ag who with Dixie Smith and Drishaus tied for second place last Saturday at 5 ft 6 inches and is showing some improvement in the event, has been slow, is coming steadily.

Red Layton, whose development has been slow, is coming steadily better and should be able to hold his own with the two Indoor Valley point winners in the quarter. Ted Smith and Hawkins.

Noble and Hatch, two of last year's freshmen Valley Champions, began fighting themselves in the discus and both were doing 112 to 115 feet.

Wenke and Hartley showed some improvement in the javelin as they both were getting 150 feet and better.

Allen from the Medical College writes that he is in good shape and hopes to make the four mile team in Saturday tryout in 4:34.4. He is closely pressed by Coats, Harry Kretzler, who is supervising the work at Omaha, is firmly convinced that

Hand bills advertising the Kosmet play, which were passed out at the Junior League revue this week at the Orpheum aroused great enthusiasm. The manager of the Orpheum has reported over three hundred requests for tickets to "The Knight of the Nymphs," to date from people outside the school.

Strenuous practices for both the chorus and cast of the play was the order of the evening last night in the Armory under the direction of J. Manley Phelps, head of the dramatic
