

## NEW STUDENT COUNCIL FOR BIZAD COLLEGE

Resolution Provides For Election Thursday—Will Have Five Members

The following is a resolution which was passed at the mass meeting of the students of the business college held last Thursday night, May 4:

Be it hereby resolved by the students of the College of Business Administration of the University of Nebraska in mass assembled this 4th day of May, 1922, that a student council be established in the aforesaid college in accordance with provisions as stated below:

**Section I**

The purpose of such council shall be:

- To furnish a medium through which the students of the college can co-operate with the faculty in raising the scholarship.
- To provide a means through which a student of the college may be able to present any proposal or

grievance which may be of general or individual interest.

3. To act in the capacity of a disciplinary committee to take steps to eliminate cheating, cribbing or any other dishonest practice in school work.

**Section II**

The council shall be composed of representatives from the student body as follows:

- Two representatives to be elected from the Junior class to serve during their Senior year.
- Two representatives from the Sophomore class to serve during their Junior year.
- One representative from the freshman class to serve during his Sophomore year.

The same to be nominated and elected at the same time as the nomination and election of the student council of the University of Nebraska.

The resolution provides for a student council for the business college consisting of five members, two to be selected from the Junior class to serve during their Senior year, two from the Sophomore class to serve during their Junior year and one from the Freshman class to serve during his Sophomore year.

Following is a list of the nominees from each of these classes:

Junior—Herrman Wollmer, Harry Adams, James Fiddock.

Sophomore—Robert Maxwell, Miss Ruth Small, Norman Cramb.

Freshmen—Mildred Othmer, Arthur Stageman, Everett Crites.

The Bizad students will be given an opportunity to vote on these candidates Thursday at the same time as the student council election of the University of Nebraska.

The council which is elected will within a short time draw up a constitution for its own government and embodying the fundamental ideas proposed by the resolution. Students of the Bizad College will later be given an opportunity to accept or reject this constitution at a mass meeting held for this purpose.

### Other Worlds Than Our Own.

University of Michigan—The name of the summer publication of the school will be changed from the Wolverine to the Summer Michigan Daily and instead of the policy hitherto pursued of issuing three papers a week, it will appear every day except Monday, carrying full Associated Press news.

University of Iowa—Five charters for chapters of Delta Sigma Rho, national forensic fraternity, were granted at the national convention here. The new charters granted were to Arizona University, Washington University at St. Louis, Oregon Agricultural College, Wooster College, and Hamilton College.

### Campus Notes

The University extension division has begun printing lessons and instructions for correspondence courses. Heretofore there have been either typewritten or mimeographed.

Miss Louise Cook and Miss Margaret McGhee went to Broken Bow last week to judge a declamatory contest. Both are students in university dramatics.

Dean Le Rossignol of the college of business administration returned Sunday from a trip to Philadelphia, where he attended the meetings of the association of collegiate schools of business in session there.

Mr. Lewis C. Chapman, '10, an oil geologist in Texas, has just forwarded to the university museum some living cochineal bugs from which the commercial cochineal is derived.

### Alumni Notes.

Two former Nebraska students are the authors of articles published recently in the "Journal of Agricultural Research." One is, "Storage of Coniferous Tree Seed," by C. R. Tillatson, '11, and the other "Susceptibility of the Different Varieties of Seed Potatoes to Decay by Rhizopus Nigricans and Rhizopus Tritici," by L. L. Harter, '03, A. M., '06. The first article deals with the period from 1909 to 1913, during which the United States Forest Service was especially active in its reforestation program. The other has to do with the methods of experimentation, experimental data etc., with regard to the susceptibility of different varieties of seed potatoes to decay.

### Engagements.

Announcement has been made of the engagement of Miss Crystal Fern Ullstrom to Fred W. Wagner of Denver, Colo. Mr. Wagner has attended the University for the past two years.

## WILSON FOUNDATION DRIVE STARTS TODAY

Campaign For Subscription to be Held in Every Building on Campus

The campaign for the Woodrow Wilson Foundation fund begins today on the campus and will continue until Thursday evening. Tables will be placed in every building to receive student contributions. Students are asked to contribute voluntarily any amount which they feel they can give.

It should be remembered that this is not a political move in any sense. It is an educational move in the cause of world peace and as such deserves the support of all interested in education. This will be a permanent fund invested by a board of trustees and the proceeds will be used for awards to persons doing conspicuous service in the interest of world peace.

Other colleges throughout the country have turned in large amounts to the Foundation. It is hoped that the University of Nebraska will equal if not surpass the records made by other schools. Posters announcing the campaign will be made by Mr. Phil Harris.

Faculty members will receive letters asking them to give such amounts as they see fit. The faculty committee in charge of the University drive is as follows: Laura B. Pfeiffer, Philo M. Buck, Inez Philbrick, Lawrence Fossler and Fred Dawson.

The following is a list of Faculty members who have expressed their approval of the Woodrow Wilson Foundation:

Samuel Avery, E. A. Burnett, W. E. Sealock, A. A. Lyman, L. A. Sherman, O. J. Ferguson, J. E. LeRossignol, F. M. Fling, M. G. Wye, Lawrence Fossler, Clara Conklin, Hattie Plum Williams, M. M. University of Wisconsin—The Commerce Magazine is conducting a contest for beauty and popularity. Eight thousand ballots have been distributed for voting. Six representative types are to be determined by the contest. The ballot asks for the most popular girl, the most beautiful girl, the most popular man, the most handsome man, the most popular professor and the most able professor.

University of Wisconsin — The course in Journalism is just "sweet sixteen" and, in celebration of the fact, the first annual journalism week was held at Wisconsin last week. Five prominent men in the newspaper world were included in the program.
