

BASEBALL CLASS IN FIRST PLACE

Win From Basketball Men By Lopsided Score and Win Honors in Twilight League

Twilight League Standings

| | | | | |
|------------------|---|---|---|------|
| Baseball class | 6 | 5 | 1 | .833 |
| Football-track | 6 | 4 | 2 | .667 |
| Basketball class | 6 | 2 | 4 | .333 |
| Summer Nebraskan | 6 | 1 | 5 | .167 |

The Baseball class won first honors in the Twilight League race for the first six weeks when they defeated the Basketball class in the final game of the league by the lopsided score of 14 to 1. The Football-track team took second place by defeating the Summer Nebraskan team 7 to 2.

The Baseball class lost but one game during the entire league race. The Football-track men lost two games.

The Summer Nebraskan-Football-track game was a crude affair. Both teams were forced to play with only eight men on account of the failure of some men to show up. Things became even more complicated when Lewton had a finger split in catching a fast one by Pitcher Hall. Owen Frank then took the box for the Nebraskan and Hall held down the catcher's position.

Prof. Joseph Alexis, of the modern language department, has returned to his work at the University of Nebraska, following a lecture tour which took him as far west as Seattle, Wash. Prof. Alexis will conduct classes in Spanish during the final six weeks of the summer school.

GENERAL RECEPTION NEXT FRIDAY NIGHT

Summer Students Invited to Party to Be Staged at Ellen Smith Hall.

A general reception for all students of the summer school will be held next Friday evening at Ellen Smith hall, according to an announcement from the office of A. A. Reed, director of the summer school. The reception is open to all persons connected with the summer school, students and faculty alike.

All students of the summer school are particularly invited to attend the reception. The party is the only means which summer sessioners have to get acquainted with other students.

Superintendents of schools will rub elbows with university freshmen at the Friday evening party. Games of all kinds are being planned by the committee in charge. There will be good music throughout the evening. Refreshments of a high order are being planned.

Ellen Smith hall is located on the northwest corner of Fourteenth and R streets. It is a spacious building and ideally cool for a summer party.

"In the Woodland"

In the forest lawns I see
Little ring-plots fenced around,
So that shrub and sapling tree
Thrive in safe and happy ground;
And I wonder, cannot I
Keep some little place apart,
Open to the wind and sky,
For the growing of my heart.

PHI DELTA KAPPA INITIATES THREE

Educational Fraternity Takes in Trio of Instructors Attending the Summer School

Three men were initiated into the Nebraska chapter of Phi Delta Kappa, national educational fraternity, at an initiatory ceremony held at the Pen groves recently. The newly initiated men are:

- W. G. Brooks of York.
- R. O. Bixler of Emerson.
- R. B. Bedell of Fairmont.

All three of the men are well known among educators of Nebraska. Superintendent Brooks of York is secretary-treasurer of the Nebraska high school athletic association.

Phi Delta Kappa is a national organization of educators. It is devoted to the interests of school executives and instructors and works to promote the interest of educational men.
