SPHINX FAVOR WELCOME PLAN

Write Letters Endorsing Plan as Outlined Recently in the Summer Nebraskan

Practically unanimous approval of the plan for a freshman welcome week this fall as outlined recently in the Summer Nebraskan appears certain following the receipt of fifteen letters from members of Iron Sphinx endorsing the plan. While no word has been heard in regard to the suggestion of Harold Holtz, alumni secretary, for the holding of a barbecue instead of a box lunch on the final day of the big week, indications are that no disfavor will be met with on that score.

Work toward the active arrangement of details will be started soon by the Lincoln members of the organization. A design to adorn the tag to be worn by the freshmen and sophomores will be selected and the order for the printing let. Arrangements will probably be made with some experienced "barbecueist" to handle the work of preparing the meat. By the time school is ready to start, practically all of the arrangements should be completed.

Advise With Chancellor

Help of Chancellor Samuel Avery and Dean of Men, Fred T. Dawson, in putting the plan across this fall will be sought by the Sphinx. Both men have been away on vacations and their help in the project has not been possible as yet. It is expected, however, that they will give the Sphinx much assistance.

Among the letters received the latter part of last week were those of Edmund F. Hold of Phillips, Nebr.; R. C. Clark of Swanton, Nebr.; George Carpenter of Carleton, Nebr.; E. Breese Hackett of Humboldt, Nebr.; Herbert Rathsack of Omaha, and D. D. Dudley of Norfolk, now at Eagle River, Wis. All the letters contained endorsements of the plan and statements of willingness to work for its success.

BUT ONE GAME IN LEAGUE TONIGHT

Pedagogues to Meet the Basketball Class in Only Contest This Evening

In the only contest of the Twilight league scheduled for Tuesday evening, the Pedagogues will meet the Basketball class. The Pedagogues have won two games and lost one for an average of .667 and the Basketball class has won one and lost two for an average of .333.

Both teams have been playing good baseball throughout the league. The Pedagogues have defeated the Baseball class once already but Wallie Waite's gang has been showing steadily improved form and may give the teachers their second tumble of the league race.

PIZER BATTING .267 IN THE STATE LEAGUE

Joe Pizer, 1922 Cornhusker baseball star, now a member of the Hastings state league baseball team, is batting the ball for an average of .267 in the Nebraska circuit, according to figures for the last week. Pizer has made forty-seven hits, tallying twenty-nine runs in 176 times at bat. He was until recently a member of the Beatrice nine but was swapped to the Hastings team.

Earl Carr, second baseman for the Huskers, is batting at .241. He is a member of the Lincoln state league team. He has brought in fifteen runs and tallied up thirty-three hits in 127 times at bat.

HUBKA TO COACH AT YORK SCHOOL

Ernest Hubka, former Cornhusker football captain and star, is to coach athletics at the York high school next year, according to an announcement which arrived in Lincoln from York last week. Hubka was previously reported to have signed up with Cotner college.

JOSHI ARRIVES IN LINCOLN TUESDAY

Professor From India to Lecture Each Day in Social Science Hall

Dr. S. L. Joshi of the College of Bombay, Bombay University, India, with whom Dean Philo M. Buck of the Arts and Science college is in an exchange professorship, will be attached to the faculty of the summer session from August 2 to 10. He will lecture daily at 4 o'clock on Indian culture and Indian literature in room 207 Social Science.

Dr. Joshi has spent a number of years in this country. He has a doctor's degree from Columbia university. He is one of the leading scholars in the Orient. The exchange between he and Dean Buck was affected last spring for the coming year by the Carnegie Institute. Dean Buck left July 20 on the long trip to India, to return early in the spring.

Dr. Joshi will be in residence at the University of Nebraska later in the winter. His time now is being devoted to lectures in the universities and colleges of the country. Summer students will have a opportunity for a full week of hearing his talks on the eastern country.

MUNN MAY COACH AT KEARNEY NORMAL

Monte Munn, alumni "N" man and three year Cornhusker football player, may be coach of athletics at Kearney Normal school next year. The Kearney college is open for a new coach and the application of Munn is being given high consideration.

EUGENE SLATTERY

Senior in the University of Nebraska College of Dentistry, won the Lincoln city golf tournament in the final Saturday on the Country Club green. Slattery defeated C. B. Copeland 12 up and 11 to go.

UNIVERSITY GIRL COUNTY SECRETARY

Miss Catherine Beacon Named Red Cross Secretary For Seward County

Miss Catherine Beacom, junior in the Arts and Science college, has been appointed Red Cross secretary of Seward county, according to an announcement made this week. Miss Beacom is a member of Alpha Xi Delta and is well known in University of Nebraska circles.

For the last year, Miss Beacom has been secretary to Miss Alma LeRoy, who is in charge of the Lincoln Red Cross office. Her appointment as Seward county secretary is the outgrowth of her work with Miss LeRoy.

Miss Beacom is the girl who won the tri-state beauty contest last year. The contest included girls from the state of North and South Dakota and Minnesota. Her home is in Pierre, S. D., and the first prize was awarded to her.

She will return to the university to continue her work the second semester and will receive her degree the following June.

FIVE VOTES GIVE MOODIE NOMINATION

Robert R. Moodie, graduate of the University of Nebraska College of Law, has been declared the democratic nominee for county attorney of Cumming county with a plurality of but five votes. Before the count of the absent voters ballots, Moodie had lost by two votes. These ballots gave him a plurality of seven which was cut down two later. Moodie is a member of Delta Upsilon and of Kosmet.

SLATTERY WINS CITY GOLF TITLE

University Student Wins Championship in "Cow Pasture Pool" in Lincoln Tourney

Eugene C. Slattery, student at the University of Nebraska, is the new champion of the city of Lincoln golfers. Slattery won the 1922 championship by defeating C. B. Copeland in the finals of the city tournament, 12 up and 11 to go.

The final match of the Lincoln city tournament play included 36 holes, half in the morning and half in the afternoon. Slattery clinched the championship by piling up a long advantage during the morning play when he rounded out the first 18 with a lead of nine holes.

Starting the afternoon play, Copeland halved the first two holes with his opponent and then won the third after which Slattery swung into winning form, capturing four successive holes and making certain of victory.

Slattery's triumph was due in large measure to his superior driving and approaching. His game was good in all departments but his drives and approaches won him medalist honors in the qualifying round and his ability to get distance along with accuracy, spelled defeat for Copeland in the finals before the conclusion of the first 18 holes.

Slattery is a senior in the College of Dentistry. He is well known in Lincoln circles and was a member of the 1922 Cornhusker golf squad, being one of the four men to earn golf "N's." Slattery was a caddy on Omaha courses and learned much of his golf from watching some of the metropolis' fancy golfers.

Slattery is a member of Sigma Phi Epsilon and Xi Psi Psi (dental) fraternities.

ASSEMBLY WILL START TUESDAY

Excellent Ten Day Program Arranged For at Epworth Park, Starting Today

The twenty-sixth annual Nebraska Epworth assembly now recognized as a national event, will open Tuesday for ten days, with the strongest program of its history. Epworth Lake park has been thoroughly renovated for the occasion, when people gather from hundreds of towns in Nebraska and other states to camp for the entire assembly period. League officials are expecting a larger attendance this year than ever before.

Among the high lights of the lecture platform who will appear at the assembly are William Jennings Bryan, who will speak Friday evening on "Our World's Greatest Need;" Sir Paul Dukes, English Journalist who was a spy among the Rus-
