

THE SUMMER NEBRASKAN

VOL. XXI. NO. 183.

LINCOLN, NEBRASKA, SATURDAY, AUGUST 5, 1922.

PRICE FIVE CENTS.

FOUNDATION FOR FRATERNITY ROW

North Sixteenth and R Streets Literally Crowded With Greek Letter Homes

What will probably develop into the foundation for a fraternity row at the University of Nebraska is being presented this summer in the recently announced changes of locations for several Greek letter organizations. Two have purchased new homes, one has moved into the center of fraternities and several others have come closer to the campus.

The nucleus of fraternity row, which in all probability will soon be developed, is found at Sixteenth and R streets. On that corner are now located the homes of Kappa Alpha Theta sorority and Delta Chi fraternity, while further down North Sixteenth is found the homes of Kappa Kappa Gamma, Alpha Sigma Phi, Phi Kappa Psi, Sigma Chi and Delta Zeta. To make the nucleus more complete, the Chi Omega and the Alpha Omicron Pi sororities will move soon into the houses at 1610 and 1620 R street. Across the street from them is the home of Gamma Phi Beta.

Up another block south from Sixteenth and R streets is found the home of Kappa Delta. Across the street is the house formerly occupied by the Achoths, which, it is said, will soon be taken up by another organization. A block away at 229 North Seventeenth street is the home of Sigma Alpha Epsilon.

Extend up R Street

The fraternity row, if it is developed, would probably extend up R street. From Sixteenth and R, west are found the houses occupied by Sigma Alpha Iota, musical fraternity, Silver Lynx, Delta Tau Delta, Omega Beta Pi, Achoth, (formerly the Acacia (Continued on page 4)

"CORNHUSKER ROSE" TO BE BROADCASTED

The Lincoln Star to Radio Latest University Song Next Tuesday Evening

University students at their homes in Nebraska will have an opportunity to hear "Cornhusker Rose", the late University of Nebraska sweetheart song composed by Howard Adamson, next Tuesday evening when The Lincoln Star will broadcast the waltz piece from its radio station at Eleventh and M streets.

Patsy Hunter, who played the lead in the Kosmet Klub comedy last spring, tenor in the Varsity Quartet last year and next year president of the University Glee club, will sing the song. He will be accompanied by Frances Morley, recently returned from a trip with a chautauqua circuit. Hunter has a clear tenor voice and should be heard easily over the radio.

The concert will start about 7:45.

BELLE FARNAM, '23

will be the editor of the Daily Nebraskan for the first semester of 1922-23. Miss Farnam is a senior in the arts and science college. She was associate editor the first semester and managing editor the second semester last year. She has worked on the Nebraskan since she was a freshman.

Miss Farnam is one of the newly chosen members of Black Masque chapter of Mortorboard, girls' senior honorary society. She was a member of Silver Serpents, junior girls' society. She was vice president of the Press club last year and is an active member of Theta Sigma Phi, women's journalistic fraternity. She is a member of Gamma Phi Beta sorority.

CHANCELLOR AND DAWSON GIVE O.K.

Avery and Dean of Men Declare Iron Sphinx Welcome Plan Great Thing

That the Iron Sphinx, sophomore men's society, may go ahead with their plans for a Freshman Welcome week to be ended with a big barbecue is now assured. Complete cooperation of the university with the sophomore society is assured, by Chancellor Avery and Dean of Men Dawson.

Chancellor Samuel Avery has promised to help the Sphinx in any way possible. He has asked that he be permitted to be right in the "swing of things" throughout the entire week.

The details of the plans will be handled for the university by Dean of Men Fred T. Dawson. Dawson will advise regularly with the members of the Sphinx but has given permission to the sophomore men to carry out their plans as so far worked out.

When the entire program is more definitely worked out, Dawson will have a more definite statement to make. He completely endorsed the plan as so far presented in the Summer Nebraskan and has assured the Sphinx that he will cooperate with them in putting the big stunt across in every way possible.

Both Chancellor Avery and Dean Dawson have consented to give short talks at the sophomore and freshman men's rallies to be held on Monday and Tuesday of the week starting September 18.

ACHOTHS MOVE INTO FORMER ACACIA HOME

Achoth sorority has rented the house at 1325 R Street, which was occupied until last spring by the Acacia fraternity. The Achoths were formerly located in the house at 1544 Q Street. That house has not as yet been re-rented to any other organization.

SIG EPS MOVE IN ALPHA PHI HOUSE

Sigma Phi Epsilon has rented the house at 1237 R until last spring occupied by the Alpha Phi sorority. The fraternity men moved into the house soon after school closed in the spring and are now perfectly settled. Their former home at 1319 Q Street has been occupied by a private family.

ENBERG TO RETURN ABOUT SEPTEMBER 1

Carl C. Engberg, executive dean of the university, will return to Lincoln about September 1, after having spent the summer at Olga, Wash. With the start of the school year, Engberg will assume the duties of provost of the university, at the same time turning his position as dean of men over to Coach Fred T. Dawson.

SPOT CASH FOR SEASON TICKETS

Selleck Announces That Student Athletic Books to Sell at \$7.50 Straight

Spot cash payment of \$7.50 straight will be asked for the student athletic tickets this fall. No rebates will be given nor will any signatures be accepted, other than those on checks. The full price of \$7.50 will have to be paid before the tickets will be delivered.

Such was the announcement as made by J. E. Selleck, agent of student activities, who will have charge of the sale of the books. The books will be sold during the first week of school.

The 1922-23 athletic tickets will be the same as those of last year. They will admit to all football, basketball and baseball games, all wrestling contests and track meets. They will include a one year membership in the University Tennis association. No change will be made in the features of the last year tickets, except that the tickets will be sold spot cash.

Last year when the tickets were first introduced by Neil T. Chadderton, until August 1 agent of student activities, a \$2.50 cash payment with three later installments of \$2.50 each were asked. In case the sale went over the 2,000 mark, the final \$2.50 installment was to be cancelled. The sale exceeded the 2,000 mark by a great number and but \$7.50 was collected. A few tickets were never paid for in full.

NEBRASKA R.O.T.C. WINS SECOND PLACE

Lose Out to Missouri by Failure to Have Men Out For Infantry Drill

Because of a misunderstanding of orders which resulted in no Nebraska men being qualified for the infantry drill tests, the Cornhusker at the R. O. T. C. training camp at Fort Snelling lost out to Missouri by a narrow margin of 156 points for first place. Had but three Nebraskan men been qualified in the infantry drill tests, Nebraska would have left the Missourians far to the rear.

Nebraska was awarded a beautiful loving cup for winning second place. The cup is now on display in the show window at the College Book store.

Regarded by many as one of the best groups at the camp, Nebraska order. He did not have his men out for the infantry drill and the Nebraskans came out second. The difference in the totals was slight, the grand totals running far into the thousands.

South Dakota A. and M. came out third and the University of Iowa fourth in the efficiency tests.

The efficiency tests consist of excellence in rifle and pistol marksmanship, automatic rifle marksmanship, bayonet drill, infantry drill, physical drill, minor tactics, combat tactics, infantry weapons.

Leading Until Last Day

The Nebraska aggregation was leading all groups until almost the last day when the misunderstanding sent the Missourians to the front.

The University of Nebraska men at Camp Snelling follow:

Jay W. Anderson
Edward M. Buck
John A. Cameron

DELTA CHI BUYS NEW FRAT HOME

Will Move Into Home at 1600 R Street —Chi Omega Rents House at 1610 R

Delta Chi fraternity has closed a deal for the purchase of the house on the northeast corner of Sixteenth and R Streets, the first house west of their former home at 1610 R Street. The Chi Omega sorority will move into the old Delta Chi house.

The Delta Chis will move into their new home about the first of September and the Chi Omegas will immediately occupy the house at 1610 R.

The purchase price of the new Delta Chi house has not been announced. It is a large frame building with a beautiful corner location.

An addition to the corner house is being built by the Delta Chis. A sleeping porch, dining room and kitchen are being added. When that is completed they will have a large home.
