## First Vesper Service to be Next Tuesday

The first vesper service of the year will be held Tuesday at 5 o'clock. This is to be an "Everybody's Lonesome" service. Anyone who is should just come and meet the secretary and cabinet members as well as every other lonesome girl.

The year's work will be outlined by the cabinet members. This will be the best opportunity for new students to learn what the Y. W. C. A. is doing. It offers a variety of activities for all girls and all who are out at the service will get an early start on the year's work.

## GREEK ORGANIZATIONS HAVE NEW HOMES

### Delta Tau Delta to Build a New Home on Sixteenth Street in the Greek Row

A new home for the Delta Tau Delta fraternity will be built on the lot located on the east side of Sixteenth street between R and S which it has purchased. This fraternity will be housed at 345 North Fourteenth their present home until the new building is ready. Zeta Beta Tau has purchased the Delta Tau Delta house.

Farm House fraternity will be in its new home for the coming year. A house at Twenty-sixth and O streets which it purchased last spring. Acaela is now located in its home at Fifteenth and H streets, and Bushnell Guild has moved into the building at Twelfth and D streets.

Alpha Sigma Phi is now the owner of the house at 500 North Sixteenth street formerly occupied by Alpha Omicron Pi. Sixteenth and R streets, will be the location of the home of the Delta Chi.

Alpha Omicron Pi has acquired the lease of the Alpha Sigma Phi house at 1620 R street. The Delta Chi house at 1610 R street will be occupied by the Chi Omegas; Achoth will have its home at the former Acaela house at 1325 R street; Kappa Kappa Gamma has leased the fraternity home on North Sixteenth for three years, and the Alpha Phis will live in the house at Twentieth and D streets which was formerly the Whitton-Carlisle school. Sigma Phi Epsilon has rented the house at 1237 R street, formerly the Alpha Phi house. Delta Sigma Delta has bought a new home on the corner of eighteenth and G. The house at 1840 F street has been rented by the Phi Tau Epsilons, who have moved from 1341 F.

## Find Increase in The Registration Of the Ag College

The registration in Ag college this semester shows a decided increase over that of the first semester last year. This increase is made up almost entirely of women. The present figures show forty more women registered than registered the first semester last year, and only one more man. The total for the semester will probably be raised from the present figures by the arrival of some late students.

## Hands crave this Over-size Pen

As they crave a balanced golf stick

Chinese-red barrel—handsomer than gold

Super-smooth point—guaranteed 25 years

NO ONE more appreciates the new Parker Duofold than the students who play golf. The moment you grasp it your hand responds to that unmistakable feel that means business. Its fit, weight and balance produce a sensation akin to the pleasure of gripping your favorite club. It holds nearly twice the ink of the ordinary.

It has a point of native Iridium—as smooth and life-enduring as a rare jewel bearing—and guaranteed 25 years for wear and mechanical perfection.

This is the pen that Geo. S. Parker, inventor of the leakproof "Lucky-Curve" perfected through 30 years of infinite pains. Money can buy fancier mountings, but the world contains no other point like this. Its popularity has made a stir at the campus and classrooms unlike anything known before. Many pronounce it "handsomer than gold."

When one record shows that the average student buys 4 pens a year, don't you agree that it's better economy to buy one Duofold in a lifetime even at \$7? Now is the time to come in.

**Parker Duofold**
