

## ENTIRE UNIVERSITY WILL TAKE PART IN RALLY MONDAY

### UNI GLEE CLUB ORGANIZED FOR COMING YEAR

Thirty Members on Club's Roster—Fifteen New Men Added to List

**PARVIN WITTE DIRECTOR**  
Quartet to Sing in Omaha Friday Evening at State Teachers' Association

The University of Nebraska for a number of years has been without a glee club, a valuable organization to any college or university. This condition is in a fair way of being improved, however, for a complete organization has been formed. The idea of forming a male glee club was revived last spring by several student artists. Dean Parvin Witte of Nebraska Wesleyan university was selected as director, and members were chosen by tryouts. A number of these members were seniors and did not return this fall. Over one hundred voices were tested in the tryout this fall, from which number, fifteen were chosen to serve with the old men. This makes a club of thirty men, as follows:

**First Tenors**  
P. A. Bentz, C. R. Hess, F. H. Diers, Joseph Dahlberg, Hugh Poora, Robert E. Slattery.

**Baritone**  
J. W. Dibble, V. A. Doly, K. J. Cozier, Oscar Bennet, Archie Jones, Raymond Lewis, Richard McCann, J. Word Wray.

**Second Tenor**  
D. J. Merriam, J. D. Marshall, R. G. Story, E. J. Berquist, Sutton Morris, Everett Johnson.

**Bass**  
Fred Sturm, Diefrick Dierks, Roy Eller, Aldrich Hanfcke, Ervin A. Jones, Arthur G. Latta, Lloyd Robinson, Hart Jenks, F. H. Leisher.

**Pianist**  
Dean Bickford.  
Mr. Witte, director, is an artist possessing both ability and experience. He was connected with the musical department of Ohio Wesleyan for two years, during which time his glee club made the free trip to the Panama canal zone which is awarded each summer by the government. He is now dean of the music department at Nebraska Wesleyan. He is enthusiastic about the club's prospects, remarking after rehearsal, "with this nucleus we can have the best glee club this side of Harvard."

Patsy Hunter, president of the club last year, is not in school this year. Vance Doty, law '23, was elected to the position. The other officers are: Francis Diers, vice president; Sutton Morris, secretary-treasurer; Elmer Berquist, business mgr.; Diefrick Dierks, custodian.

One of the features will be the quartette, composed of Francis Diers, Allen Kibars, Archie Jones and Diefrick Dierks. Rooters at the South Dakota-Nebraska game will remember with satisfaction their singing at that game. Friday evening the quartette goes to Omaha to sing at a meeting of the teachers' association.

### Bill Bradley Chosen Third Cheer Leader For Football Games

Bill Bradley has been chosen as cheerleader. This is the announcement made after the final tryouts held at the South Dakota game. Those trying out at that time were Bradley, Rex Reese and Dean Lowry. Fred Richards and Monroe Gleason are the other two men who were chosen some time ago for the trio. The whole group is under the leadership of Floyd K. Reed.

The appointment of Bradley came at last Saturday's game. Each one had a section, and they were chosen according to the results they got from the students. The competition was very keen. Dean Lowry was elected as alternate.

**FRESHMEN TRYOUTS.**  
Freshmen Olympic tryouts for boxing and wrestling will be held Thursday evening at 7 o'clock in the Armory. The track tryouts will be held next week. Freshmen wishing to tryout for any event should hand in their names to one of the following men: Fred Funk, Donald Reese, Harold Hutchinson or Henry Clark.

### Chancellor's Wife Entertained Faculty Women Yesterday

Mrs. Samuel Avery entertained the University Faculty Women's club at tea Wednesday afternoon at 3 o'clock at Ellen Smith Hall. One hundred guests were present. The club meets the second Wednesday of each month from October to May. Two general meetings to which the men are invited are held annually. The club exists to foster acquaintance between the faculties of the different colleges. It is a purely social organization. All women connected in any way with the administrative or teaching forces of the University are eligible to membership.

### CADET OFFICERS' BALL OPENS FORMAL SEASON

Annual "Prom" Date Set for December 8—Will Be Held at Auditorium

The Cadet Officers' ball, the opening party of the formal season, will be held Friday, December 8, at the City Auditorium.

Tickets will be on sale Thursday, Friday and Saturday of this week. Only cadet officers may obtain their tickets from Mrs. Heuline in the military department. Students may obtain their tickets from J. G. Noh or Chaucey Nelsop. Tickets will be at a premium, since they will be on sale these three days only.

Wonderful preparations are being made in line of decorations, refreshments, music and entertainment. All cadet officers will appear in their new blue-grey uniforms, and will take part in a grand march. All others, of course, will be in evening dress.

One of the most spectacular features of the party will be presentation of the honorary colonel. The name of this honored co-ed is being kept a secret until the night of the grand ball. This fair damsel will appear in some mysterious way immediately preceding the grand march.

This party promises to be the largest social event of the school year, and because of the limited number who can attend, it is important that students secure their tickets in advance.

### Frosh Given Final Warning Regarding Emerald Headgear

A fresh supply of freshmen caps has arrived at Magee's and no excuses will be accepted from the first-year men who do not have their emerald headgear. Even more drastic measures will be used than were adopted Tuesday night when several freshmen who had not been wearing their caps were sent through a hot paddling as a warning that further foolishness on their part will not be tolerated.

The innocents have commanded that the freshmen, every one of them, must wear their green caps. It is the duty of the Iron Sphinx, sophomore men's society, to enforce that edict and the Sphinx intend to do so. They demonstrated their intention on Tuesday night when some freshmen were sent through a series of gauntlets and reminded that they must henceforth appear on the campus adorned with the green caps.

### Miss Cecile Baldwin In Charge of Y. W. At Ellen Smith Hall

Miss Cecile Baldwin will have charge of the University Y. W. C. A. office at Ellen Smith hall during the absence of Miss Erma Appleby, who leaves Thursday night for Denver, where she will attend the meeting of the Regional Council. Miss Baldwin received her A. B. degree in 1917. She is a member of Delta Delta Delta.

### Membership Total in Y. W. C. A. Drive Reaches Thousand

Nine hundred and four membership cards had been turned in at the Y. W. C. A. office at noon Wednesday. The total number of members last year was eight hundred and fifty. Cards are still coming in. Miss Erma Appleby, secretary, asks that any girl who did not receive a card during invitation week call for one at the office in Ellen Smith Hall. Every girl in the University is invited to join.

### STUDENTS FORM CLUBS FOSTERING POLITICAL PARTIES

Republicans and Democrats Organize Last Evening in Interests of Parties

**WILL HOLD MASS MEETINGS**  
Expect to Make Clubs Permanent Organization on Campus—Adopt Constitutions

The Republican Club of the University of Nebraska was organized at a meeting Tuesday night in the Awgwan office, with fourteen charter members. The purpose of the organization is to foster the interests of the Republican party in the University.

Orvin B. Gaston presided as temporary chairman and the following resolution was adopted:

"We, the undersigned students of the University of Nebraska, associate ourselves together to form a Republican club of the University of Nebraska.

"We believe in the principles of the Republican party and pledge ourselves to work for the interest of the party at all times. We favor the candidacy of Charles H. Randall for Governor and R. B. Howell for United States senator and the entire Republican ticket, believing them to be the best fitted for the offices to which they aspire, and adhering to the platform which they advocate.

"Signed: Addison E. Sutton, Andrew F. Schoepel, Charles C. Caldwell, Robert F. Craig, Carl J. Peterson, Walton B. Roberts, Harold S. Hartley, Lewis Somborg, Joe Pizer, Phillip M. Lewis, Carl C. Kruger, Paul S. Sutton, William G. Alstadt and Orvin B. Gaston.

The following officers of the club were elected: President, Walton B. Roberts; vice president, Addison E. Sutton; secretary, Robert F. Craig; treasurer, Orvin B. Gaston; sergeant-at-arms, Carl C. Kruger.

Another meeting of the club will be held Tuesday, October 18, at which a constitution will be adopted and plans formulated for holding a rally and mass meeting of all Republican students in the University.

**Democrats Organize.**  
Hitchcock-Bryan Club, previously known as the Bryan for Governor Club, held a meeting in Room 201 law building. About thirty of the one hundred and fifty members were present. The president of the club from last summer was S. L. Smith and he presided over the meeting. Smith was re-elected president of the club. Al Deutsch was elected chairman of the Hitchcock committee, and W. B. Quigley was elected chairman of the Bryan committee.

The club voted to hold meetings once a week. These will be on Wednesday night at the same place.

### Dean Sherman Moves From Administration Building to U Hall

Dr. A. L. Sherman, dean of the Graduate College, moved his office from Administration building to "U" hall, 101, at the beginning of this semester. Students seem to be having great difficulty in finding the dean and continue to inquire for him at the Registrar's office. His office hour is from 11 to 12, "U" hall 101.

The enrollment in the Graduate College is a third larger than last year. It is expected that the enrollment will be doubled by the end of this semester. Nebraska draws so many of the graduate students who are working for their Master's or Doctor's degree, because they have ample opportunity for research work and the expenses here are so much less than at Yale, Harvard or any of the endowed colleges.

### Visiting Teachers to Be Honor Guests at Tea This Afternoon

Members of the Nebraska State Teachers' Association who are in Lincoln for the first district meeting will be the honor guests at a tea this afternoon from 4:30 to 6 at Ellen Smith Hall. The tea is given by the University Alumni Association. Members of the board and the women in the senior honorary society of Teachers College will assist in receiving the guests.

A special invitation is extended to the University faculty to meet the visiting teachers, many of whom are graduates of the University.

### Nebraskan Staff Holds First "Feed" of the School Year

Over sixty members of The Daily Nebraskan staff celebrated at the first "Rag" feed of the year at Faculty hall in the Temple last night at 6 o'clock. Songs, speeches and plenty of "cats" turned the dinner into the biggest and "peppiest" of its kind.

Belle Farman, Herbert Brownell, Jr., Marjorie Wyman, Robert F. Craig, Charles A. Mitchell and Clifford Hicks, members of the editorial and business staffs were called upon by the committee in charge to give impromptu talks. A quartet made up of the editor, managing editor, associate editor and one of the night editors was called upon to sing original songs.

The purpose of the "feed" was to acquaint the members of the staff with one another and to bring them into closer touch with the work of the Nebraskan. The custom of holding the "feeds" originated two years ago this fall. Each succeeding staff has enlarged the plan of the get-together. In the spring, a scandal sheet named "The Ragger" discloses the secrets of all members of the staff.

Nebraska songs, starting with "The Cornhusker," were sung during the dinner. A vote of thanks to the committee in charge was given when the "Raggers" broke up at 8 o'clock to go to the work of "putting out" the Thursday Nebraskan.

### SOPHOMORES HOLD OLYMPIC TRYOUTS

Freshmen Will Test Ability This Evening—Good Material on Hand

Sophomore boxers and wrestlers with knockout punches and sure fall holds tried out for places on the sophomore Olympic team Wednesday evening at the armory. The competition in some classes made it impossible to select the members last night and students who have not yet had the opportunity to tryout may do so at some time later this week. They should call Ward Kelley, B1654, to make arrangements for tryouts.

Freshmen tryouts for the Olympics will be held tonight. The freshmen have awakened to the fact that the sophomores are planning to do the impossible. They intend to spill the beans on the sophomores and not give them the chance.

Olympics is the annual class scrap between the freshmen and sophomores to see whether the freshmen shall discard their emerald headgear at that time or continue to wear them through the winter. For years the freshmen have been successful in winning the event and have been able to throw off the green caps.

Last year a tradition was started which allows the freshmen to burn their caps on the athletic field during the intermission of the homecoming day game. If the freshmen win, October 21, they will build a bonfire of their caps before the crowds at tending the Nebraska-Missouri game.

### Nebraska Graduate Has Fine Position at Northwestern Uni.

Gayle Pickwell, who took his master's degree in Zoology this summer at the University, is instructor in Zoology in Northwestern University this year.

Mr. Pickwell's thesis for his degree was on spiders, and he spent some time the past summer collecting spiders in western Nebraska. He says that part of the state is quite rich for collecting, in a letter to Professor Wolcott recently, in which he told of his work during the summer and in Northwestern.

Mr. Pickwell has charge of the laboratory work in general Zoology in Northwestern. He has under him as assistants one graduate student, two seniors and two other under-graduates. He is pleased with his work there, and writes that he appreciates his work in Nebraska as he never has before. The building and equipment at Northwestern are not so complete as at Nebraska. There are fewer courses, but they are heavier than here. Beginning Zoology is an eight-hour course.

### DRAMATIC CLUB

The Dramatic Club will meet Thursday, Oct. 12th in the club room in the Temple at 7:45 sharp. All active members, pledges and newly elected members must be there.

### ALL UNI PARTY COMMITTEE HELPS STADIUM DRIVE

Three Hundred Dollars in Liberty Bonds Added to Stadium Drive Fund.

**NEXT PARTY OCTOBER 21**  
Committees Announced for Party Homecoming Night—Student Council Takes Action.

Three hundred dollars in Liberty bonds, the accumulation of several years profits in the All-University parties and the result of investments in Uncle Sam's war-time notes, were voted to be turned over to the Stadium Builders by the members of the all-University party committee at their meeting Wednesday evening at Ellen Smith Hall. The bonds will be turned over to the Stadium Builders immediately. They have been held in trust by the University since they were acquired in 1917-18.

Decision not to approve the request of the Student Council that the work of the All-University party be turned over to them was also reached by the committee. Ross Perrin and A. O. Stenger, members of the council committee, to attempt to reach an agreement with the All-University party committee, appeared before the members and urged them to consider the proposition.

The next All-University party will be held at the Armory on October 21, homecoming, the day of the Missouri game. A part of the scaffolding which defaced the scene at the last party has been removed and now the merry-makers will not be bothered by the two-by-fours.

Girls especially are urged to attend the next party or for that matter all parties. At the first party of the year there was a marked scarcity of girls. Co-eds do not have to come to the All-University parties with dates; they are urged to attend them in a body, and if they have a date, they can do a good turn by bringing the gentleman friend to the All-University party. (A tip girls, it costs but 30 cents.)

The Collegiate Orchestra will furnish the musical harmony for the October 21 party. This is the group which supplied the music at the first party of the year.

The members of the University of Missouri football team and the rooters who accompany that team will be the guests at the party. Students are asked to turn out to help make the party especially good as a means of entertaining the Missourians.

**Committees Announced.**  
Members of the committees for the party to be held October 21 were also appointed Wednesday evening. Frank Frye was named to take the place of J. Wilbur Wolfe as general chairman.

The other members of the committees follow:  
Decorations—Ruth Small and Walden Hewsy, joint chairmen; Evelyn Shallock, Bee Braughton, Lola Hreckess, Erlene Herrriott, Marjorie Martin, Frances Wientz, Donald Wight, Fred Vetta, Harry Sidles, Phillip Wellman and Joe Lite.

Lester Hyde was elected to take the place of Arnold Fouts on the checking committee.

### Election of Minor Officers for Three Lower Classes Today

Freshmen, sophomore and junior class meetings will be held today at 11. Minor officers will be elected, and the presidents will appoint their committees. Reports of the meetings will be published in the Friday issue of The Daily Nebraskan.

Freshmen meeting will be held in the Temple at 11; the sophomores will meet in Social Science Auditorium, and the juniors will come together at the same time in Social Science, 101.

### Ag. College Student Gets Second Place in Dairy Judging Contest

Roy W. Koehler of the College of Agriculture, University of Nebraska, won second place and with it the silver medal for proficiency in judging milk at the National Dairy Exposition, St. Paul, Minn., October 7.

The Nebraska team, coached by Professor John A. Luthly of the department of Dairy Husbandry, and including Roy W. Koehler, Leonard Hammang, A. H. Hilpert and Rosina Brecht, alternate, placed second in judging milk and ranked eighth among the contestants. Ohio, Massachusetts and Iowa won first, second and third places, respectively.

### Y. W. C. A. FINANCE CAMPAIGN LAUNCHED

Ninety Girls Working on Various Teams—Luncheon Thursday and Friday.

The Y. W. C. A. finance campaign was launched Wednesday evening at a meeting of ninety girls working on the teams. Each team captain turned in the subscriptions for her team. The average was well over two dollars apiece. A total of \$160.25 was reported from eleven teams. Luncheon will be served at Ellen Smith hall at 12 on Thursday and Friday. All girls on soliciting teams are urged to be present, as plans for the campaign will be discussed and reports made on canvass. A nominal charge of twenty-five cents will be made for luncheon.

Lois Thompson is in charge of Thursday's luncheon, and Helen Guthrie, Friday's gathering.

The Y. W. C. A. has a membership of over 900. If an average of two dollars per member can be kept in sight, the quota of \$1,700 needed for the budget can easily be reached.

The budget of the Y. W. C. A. calls for \$3,200, \$1,500 of which will be given to the University organization by the City Association. The remaining \$1,700 must be raised on the campus during the next week. The girls who are working on the campaign are particularly emphasizing the fact that the Y. W. C. A. organization which always asks for money at the beginning of each semester, and is not an extra appeal for money. The Association is an essential activity, say the girls, which every girl should support.

Adelheit Dettman is finance chairman, and she is managing the present campaign.

### California Uni. to Publish Magazine

Pictures of the numerous events of the first weeks of the semester, such as the Brawl, the Channing Way Derby, and the first of the interclass football contests, are shown in the California Pictorial on sale this morning on the campus.

The cover of the Pictorial shows the first of the freshmen on the rope in the tug-of-war, about to be pulled into the stream of water by the sophomore class, while the first page of the Pictorial is devoted to views of the victorious freshmen winning the other events of the Brawl from the class of 1925.—The Daily Californian.

### Freshman Commission Give Party Saturday For First Year Girls

Fortune telling, pink lemonade, candy kisses and dancing are only a few of the attractions to be found at the Freshman Commission party to be held Saturday afternoon from 2 to 5 at Ellen Smith Hall. All freshmen girls are invited to come and get acquainted, and plans are being made to accommodate 250. Don't fail to come.

### Finance Campaign Workers of Y. W. To Luncheon Today

A luncheon for the team workers of the Y. W. C. A. finance campaign will be given at 12 o'clock today at Ellen Smith Hall. The social committee, of which Gladys Mickel is chairman, will be in charge. Each team will report the number and the amount of contributions secured. A similar luncheon is scheduled for Friday.

Such is the program for the Stadium Builders rally to be held Monday morning at 10 o'clock.

Ten o'clock will be dismissed so as to allow every student in school to attend the big mass meeting which will be held at the city auditorium.

Detailed plans for the rally were formed at a meeting of the chairman of the Stadium college committees in the basement of the Administration building Wednesday evening. Every chairman attended the meeting and a heated discussion on a number of technical points was held. The band will lead the parade to the city auditorium. As soon as the masses are seated, the speakers will be introduced. They will speak with the purpose in mind to clear up points of objection to the Stadium.

Pledges will not be opened until after the meeting on Monday. Following the meeting, students who wish to make voluntary pledges will be called upon to bring their cards to the booth, make their first deposits and be checked off. Students who do not make voluntary pledges on Monday will be pestered throughout the week by some 150 members of the various college committees who will be given the names of delinquent students and told to "get them".

**Class Room Talks**  
Class room talks by members of the Stadium Builders committee will be made at the close of classes on Friday and Monday morning. These talks will be to urge students to attend the rally on Monday, rather than to talk Stadium pledging.

Instructors will give short talks at the beginning of their Monday classes on the advisability of the Stadium. Chancellor Avery will instruct all professors to this effect and the first two classes Monday morning and all the afternoon classes will be started off with Stadium talks.

**No Pledge Credits**  
Students should not start making pledges to help members of the committees. No person will be given credit for bringing in any number of pledges whether it is one or two hundred. Pledges do not have to be made to members of the specific college committee. The checking booth will be kept busy checking the students in the various colleges with the pledge cards. Every student who makes a pledge will have that pledge checked off with the quota of his committee.

No organizations of any kind will be given credit for pledges. That is, (Continued on Page 4)

### SOPHOMORES

A few places on the boxing and wrestling Olympics event on the sophomore team have not yet been filled. Sophomore boxers and wrestlers should call Ward Kelley, B1654 and arrange to try out if they failed to get a chance at the Wednesday evening official tryouts.
