

## "BUILD FOR NEBRASKA" IS THE STADIUM CAMPAIGN CRY

### PLAYERS DRIVE GETS "O. K." OF STUDENT COUNCIL

Season Ticket Sale for University Players Season Will Begin This Week.

### SCORE SEVERAL DRIVES

Subscription Campaigns Being Carried on Without Approval of the Council.

In accordance with the recent announced rule of the student council for the regulation of all drives on the campus a member of the University Players appeared before the council Thursday evening and secured their complete approval of their drive. This drive of the University Players will be started today and the early part of next week. The student council recognizing that the Players are essentially a university activity and one of the most important ones on the campus recommends to every student in the school that they buy a ticket.

The University Players has a wide reputation over the country and it is an institution that brings great credit to the school. This credit has been won because of the good plays and fine players in the company so it is the opportunity for the loyal student not only to secure good entertainment but to see an organization of general renown. Bargain matinees are being given this year in order to secure a greater student attendance. The council approves of the drive, especially since there will be no running after a prospect on the campus, but will be conducted from a booth on the campus.

### Ticket Sale Opens Friday for Players

The University Players season ticket sale opens tomorrow with three booths on the campus. One of these booths will be located at the old selling ground between University Hall and the Armory. The second will be located at the corner of Twelfth and R streets and the third will be located in the Library. The special inducement which was mentioned in last Wednesday's Nebraskan is as follows: The Players offer a season ticket for the night performances at the reasonable figure of \$2.50. This entitles the holder to a reserved seat for all six performances of the Players productions. The seats may be reserved at the Ross P. Curtice Music Co., the week commencing October 23.

### University Players Waive Superstition By Opening up With Thirteenth Chair

Superstition does not exist in the University of Nebraska. The University Players are beginning their campaign Friday the 13th, and their first play will be that weird, ghostly production entitled "The Thirteenth Chair."

### SPHINX WILL CHECK UP ON SOPHOMORS AT OLYMPIC MEET

Sophomore Try-Outs Held Wednesday Evening and Most of Entries are Filled

### LIST WARRIORS FOR FRAY

Varsity Football Men are Only Ones to be Excused From Participation in Events

An effort to check up every sophomore to see whether or not he reports to uphold the honor of the class of 1925 in the annual Olympics battle will be made this year by the members of Iron Sphinx, sophomore men's society. A list of all second-year men has been secured and efforts are now being made to line them all up for the big battle. The only men who can possibly be excused are the members of the varsity football squad who will not be asked to take part in the scrap because of their more important school duties.

Every year the sophomores have been lax in their class support at the big battle. Last year the horizon was all bright for a sophomore victory and the members of Iron Sphinx were certain they would have a 100 per cent representation at the battle grounds. The day of the fight came and literally hundreds of the sophomores failed to appear for the scrap. The second-year men lost by a scant margin. Had more appeared, it is doubtful if the freshmen would have won.

Sophomore tryouts for boxing and wrestling were held Wednesday evening and most of the places filled. A few men still wish to try out and the committee on Olympics is leaving the places open until these men have had an opportunity to try for the places. Men who wish to try out for boxing and wrestling should report to Ward Kelly-B1554, immediately.

### CONFERENCE REPORTS ON COLLEGE PAPER

Twenty Colleges Represented at the Yearly Conference for Rocky Mountain Region

At the Estes Park Y. M. C. A. Conference for college men last June, the men from the various states of the Rocky Mountain region who were interested in college paper editing or managing, and in student body governing, held joint meetings through the conference. Nebraska was one of the twenty colleges and universities represented at these meetings.

At the close of the meetings a report was gotten out explaining the ways different schools met their difficulties. This contains the different ways and means of meeting the numerous problems that arise on the campuses of the schools. It contains much of value to those in any way connected with school activities.

The following is the report of this association, not as to definite things decided, but as to the ways in which the numerous problems of the campus are worked out by the schools represented. The association hopes that the schools in the Rocky Mountain region will give their consideration, and next year make a special effort to have at least their college paper Editor, and their student body president in attendance.

College Paper Subscriptions. All of the schools except the following listed ones have a compulsory subscription to the college paper, which is collected on the student enterprise tickets at the beginning of the year.

### SOPHOMORES AND FRESHMEN ELECT MINOR OFFICERS

There was a time when thirteen people would not sit at a table together and when the very mention of the number thirteen would cause a crop of goose pimples to pop out, or would cause low whispering and spooky glances. Those days seem to be over. Thirteen is considered lucky and this will undoubtedly be proven by the organization of University Players.

### Stadium Builders Are Active in Committee Meetings on Thursday

College committee meetings for the Stadium Builders' campaign were held last evening. Definite instructions to the committee members were given by the college chairman. A member of the innocents addressed each meeting.

The committee members will speak for one minute in each class today and Monday morning at the huge mass meeting which is to be held Monday at 10 o'clock at the City Auditorium at Thirteenth and M streets.

### Y. W. C. A. Drive Gets Started on Thursday

Thursday noon, the Y. W. C. A. had received \$302.75, \$162 of which was in cash. The reports are slow in coming in, as Thursday was the first day of the campaign, and the committee members had not yet been able to see the girls.

At the luncheon held in Ellen Smith Hall at noon, to which the 130 girls, working on the thirteen committees were invited, the amounts were counted. Today another count will be made which will be announced at the luncheon, which is under the management of Helen Guttrich.

The goal for the University Y. W. C. A. campaign is \$1,700, an amount which will be easily raised if the girls maintain the \$2 average. The Association is one of the most important activities for girls, and the members of the committee contend that the students should do their part to support it.

### Elliott Is Winner From Skalberg In Tournament Finals

Don Elliott is the new 1922 tennis champion, having defeated Minor Skalberg at the final match of the tournament played yesterday afternoon. The game was short, Elliott winning the first three sets. The scores were 6-3, 6-0 and 6-4.

Elliott's winning terminates the tournament, which has dragged along the few past weeks like it was dead. He will get the silver loving cup for this year and if he wins again it will be his for good.

### Dumbbells Planned Picnic and Adopt New Constitution

Wednesday evening the "Dumbbells" met and adopted a new constitution. It is the purpose of the club to promote an interest in athletics among the girls who are not majoring in Physical Education. The "Dumbbells" are not working in opposition to the W. A. A. and the Physical Education girls, but are trying to co-operate with them in every way possible.

"Dumbbell" will entertain the girls who are majoring in Physical Education at a picnic at Electric Park on Wednesday, October 18.

### Organize Auxiliary of American Legion

An American Legion auxiliary for University women was organized Wednesday afternoon under the direction of Mrs. H. R. Ball, the state secretary, at the home of Mrs. Samuel Avery. Mrs. C. E. McGlasson outlined the purpose and the plans of the organization for the coming winter. Temporary officers elected were: Ruth Small, president, and Ellen Eastman, secretary.

### Cox Elected Vice-President of Freshmen—Arlene Rosenberry is Secretary

KELLY APPEALS FOR SPIRIT

### Chester Beardsley, Kathryn Warner and Dorothy Brown are Sophomore Choices

About three hundred freshmen attended the first class meeting Thursday morning at 11 o'clock in the Temple theater. The class elected the following minor officers:

Vice President—Hugh Cox. Secretary—Arlene Rosenberry. Treasurer—Ward Lindly. Sergeant-at-Arms—Ted Page.

### IRON SPHINX TAKE TWELVE MEMBERS

Knights of Iron Sphinx swung paddles last night on fourteen new members recently appointed for men who have left school. Each aspirant appeared at the Sigma Nu house at 6:30 to go through the traditional ceremonies.

### Swing Paddles on New Men at Initiation Held Thursday at the Sigma Nu House.

A sophomore roll-call for the Olympics was planned after the initiation. The name of every sophomore is to be taken out of the lists of students in the Registrar's office, and each Iron Sphinx will be personally responsible for the appearance of a definite number of these men on the field, the day of the freshman-sophomore battle.

The initiates follow: Farm House—Jack Ross. Alpha Tau Omega—Chas. M. Cox. Beta Theta Pi—Kenneth Wilson. Delta Chi—Elmer Lake. Lambda Chi Alpha—William Bert well. Phi Delta Chi—C. A. Olson. Delta Sigma Delta—Ralph R. Tomer. Phi Tau Epsilon—Ralph R. Gruenig. Zeta Beta Tau—Lewis Somberg and G. Goldansky. Non-Fraternity—J. R. Tottenhoff and John Kellogg.

### Postpone Meeting of Junior Class

The meeting of the junior class which was to have been held Thursday at 11 o'clock has been postponed until Tuesday at 11 o'clock. The place will be announced later. Minor officers will be elected at that time, and committees will be announced.

WARNING! The Iron Sphinx sent out a squad of twenty men Thursday night to punish a number of freshmen who "Neglected" to wear their green caps. The Emerald headgear is now being distributed at Magee's and it must be worn at all times on the campus and off, according to the decree of the Iron Sphinx and the innocents.

### GIVES FOUR HUNDRED DOLLARS TO STADIUM

"Red" Long Pledges a Large Contribution Toward Big Nebraska Memorial Stadium

The College Book Store is for the new Memorial Stadium 100 per cent. With the Stadium Builders' campaign not yet underway, the book store sent a hurry-up call to Alumni office, headquarters for the Stadium Builders, to send a man over to their shop to collect Stadium pledges.

Harold F. Holtz, alumni secretary, and chairman of the general Stadium Builders committees, made the call in person and Thursday afternoon had placed in the Stadium coffers a total of \$545 in pledges, all made by persons connected with the College Book Store.

E. H. "Red" Long, the proprietor, raised the pledge of \$200 made two years ago, to \$400 and handed over the money for the one-fifth down payment. The \$400 is the contribution of the book store toward the new athletic structure.

"Chuck" Hall, in the name of the Cornhusker Stationery Shop, signed a pledge for one unit of \$25. Besides that he personally pledged \$25 and Mrs. Hall, formerly Winifred Brooks, pledged an additional unit of \$25.

### Commercial Club Has Smoker Thursday Eve

One hundred students attended the University Commercial Club smoker at the Grand hotel last night. Harold Holtz and Dean Letrossignol spoke to the club. Jim Tyson, president, presided.

After the speech by Mr. Holtz the club pledged \$150 to the Stadium, \$50 of which is to be paid the day that the drive opens. Norris W. Coates, E. H. Helbenthal and Harry Adams made speeches on what they have gotten out of the Commercial Club. Refreshments consisting of coffee, doughnuts and apples were served.

### Olive Huey Winner of Women's Singles in Tennis Matches

Olive Huey, '24, won the All-Girls Singles tournament from Dorothy Dougan, '25. Score, 6-4, 6-2, in the finals played Wednesday afternoon. Miss Huey is a new girl at Nebraska, coming here from the University of Missouri. To claim the University championship, Miss Huey must play Meach Miller, who has held that title for three years.

In the semi-finals Olive Huey defeated Jessie Hiett, 6-3, 6-2; Dorothy Dougan defeated Adah Mills, 6-1, 6-0. Interest is now centered in the girls double tournament, which is now being held.

### Separate Evening Swimming Classes

Because of crowded conditions the following schedule has been prepared for girls swimming classes: 7:30-8:00—For beginners only. 8:00-8:30—Girls who can swim a little. 8:30—Advanced swimmers, coaching in form swimming and diving. Beginners who come after 8 o'clock will not be given special attention.

### RALLY FOR STADIUM DRIVE TO BE HELD IN LINCOLN AUDITORIUM AT TEN MONDAY

Well-Known University Alumni Living in Lincoln and Important Speakers Will Be on the Committee to Explain the Features of the Stadium.

### ENTHUSIASM MOUNTING AS CAMPAIGN APPROACHES

Lincoln Business Men and Business Houses Have Already Made Large Contributions Toward the Memorial Structure—Plan to Have It Completed in 1923.

### NEBRASKA MEN OF SIGMA DELTA CHI WANT MEETING HERE

Two Committees Appointed—One For Purpose of Bringing Convention Here

### GIVE AWAY CUPS TO HIGHS

All State Publications are Urged to Send in Their Papers to Try For Loving Cups

Two committees have been appointed by Sigma Delta Chi, honorary journalistic fraternity, one for the purpose of bringing the national convention of 1923 to Lincoln, and the other to carry on the work of organizing the Nebraska State High School Press Association. The press association committee is composed of Jack Austin, chairman; Orvin Gaston and Herbert Brownell, jr. The convention committee is made up of Gregg McBride, chairman; Richard Reese and Reede Reynolds.

Two of the high schools belonging to the Press Association will be awarded cups for prize papers. The larger schools will be put in Class A and the others in Class B. Any high school winning the cup three times in succession will be allowed to retain it permanently. This afternoon one of the members of the fraternity will present the plans of the club for the approval of the Nebraska State Teachers' Convention. High school publications are asked to send copies of their papers regularly in order that they may be criticized by the Sigma Delta Chi committee.

The convention committee will arrange for the fraternity to attend to national convention at Manhattan, Kansas, in a body. An effort will be made to bring the 1923 convention to Lincoln. The co-operation of alumni and of the Chamber of Commerce will be sought. The Nebraska chapter of Sigma Delta Chi, one of the most centrally located chapters in the country, has never had a convention.

### SELLECK ADDRESSES Y.M.C.A. FRESHMEN

President of the American State Bank Tells of Trip Through European Countries.

W. A. Selleck, president of the American State bank, addressed the freshman Y. M. C. A. members at a dinner on October 11 at the city "Y." The next meeting will be held October 25, when the organization will be completed. A constitutional and a program committee have been appointed. The meetings will be held every Wednesday evening.

Several ports in Spain were visited by Mr. Selleck, and he made a short trip into the interior of the country to see the Alhambra. In Italy he visited Pisa and Naples. After a stay of some length at Constantinople, he visited Jerusalem and Asia Minor. At Alexandria he visited the tombs of ancient kings. From there Mr. Selleck went to the battlefields of France.

After the summary of his trip, Mr. Selleck spoke mostly of his stay at Constantinople. The older part of the city, he stated, contained most of the mosques and temples. The newer portion of the city, however, is very modern and would be a credit to any American town.

The present trouble between Greece and Turkey really started in 1914, according to Mr. Selleck, and had never been settled inasmuch as these countries did not sign the treaty of Paris. If the turks are irritated too much, a Holy War will be the result.

Iron Sphinx meeting will be held at the Delta Chi House at 7:15 next Tuesday. Very important. All Sphinx must be present.

Enthusiasm for the Stadium Builders' campaign is rapidly mounting each day as the time for the opening mass meeting approaches. A rallying rally will be held at 10 o'clock Monday morning at the City Auditorium. University alumni living in Lincoln, well-known state officials and orators, will be on the committee to tell the students the "why and the wherefore" of the Memorial stadium. Students who are now prejudiced against the structure should be sure to attend the meeting in order that they may be given the other viewpoint; in order that they may weigh their own arguments against the arguments of the Stadium Builders' committee and why it should be raised by student and alumni contribution.

The members of the committees are working hard. Meetings have been held several nights this week and meetings will be held every night next week. Fraternities and sororities are being asked to call special meetings at which the proposition of the Memorial Stadium will be taken up and discussed.

Not yet under way, Lincoln business houses and business men have already come to the front with generous pledges. Accompanying the pledge is a check, in each case, for one-fifth of the total amount. The other four-fifths are to be paid in the same way that the student and alumni pledges will be paid, the second fifth six months after the contract for the structure is let and the other three-fifths in installments every six months following. The fact that pledges for generous sums, many of them doubling and tripling pledges made in the campaign for the Memorial Gymnasium two years ago, are already coming into the coffers of the Stadium Builders indicates that Lincoln will top the mark of \$150,000 which has been set as the quota for the capital city.

Thirty-six hundred units is the least which will be expected of the student body in the next week campaign. If at the general announcement to be made at the homecoming day game on Saturday indicates that every student has failed to fulfill his trust, alumni of the University of Nebraska will not feel that they should subscribe the other \$340,000. Students must top their quota of \$25 each, of \$50,000 for the entire student body, in order that the alumni of the state will go over the top in raising the other necessary \$340,000.

Nebraska's 1923 football warriors will play football in the new stadium. That is an assured thing. The Stadium Builders feel certain that the students will respond to the confidence which has been placed in them.

Not Too Large. In explaining the reason why the new Memorial Stadium is being built to accommodate an immediate patronage of 40,000, the Stadium Builders tell of Yale, where at a recent football contest 76,000 people were seated and \$125,000 worth of checks for further seats were turned away. At Illinois in 1909 a football field capable of seating 1,000 people provided the gridiron for all the football contests. Today Illinois is building a stadium capable of seating 75,000 people. The structure was planned as a million dollar architectural masterpiece. When the campaign was held \$1,800,000 was raised. Illinois is a state institution the same as Nebraska, having an enrollment of 9,208 students as against 6,566 for Nebraska.

Then after showing the comparisons, the committee explains that every day there are hundreds of men working to improve the highways throughout Nebraska. Most of these highways lead directly into Lincoln. Within a few years, by next fall, if the stadium is finished, these highways will be filled with a steady stream of cars headed toward the capital city of Nebraska to witness clashes of the Cornhuskers with opposing teams. At the state fair last September more than 61,000 people filed through the gates on the high attendance day. Fewer people living in Lincoln probably are interested in the state fair than in Nebraska's football teams. That means that at least 50,000 people

(Continued on Page Four.)
