THE MEMORIAL STADIUM.

In the fall of 1914, Europe was cast into one of the greatest wars of history. Germany and Austria-Hungary combined forces to fight practically every other country.

As the war went on the United States was drawn more and more into the scrap. Germany demanded that America stop sending ammunition to the Allies.

Throughout the country there were thousands of America's finest men attending daily classes.

Today, the University of Nebraska is planning to erect a Memorial in honor of the men who went from her class rooms to join the forces of Uncle Sam.

This Memorial is to take the form of a gigantic Stadium; a Stadium which will seat 50,000 people.

Monday, students of the University of Nebraska will be asked to contribute toward this Memorial for the men who died that others might live on in peace.

Nebraska owes it to these scores of men who died for the cause of democracy, to those hundreds of men who returned in broken-down health.

Nebraska owes it to the mothers, the fathers, and the sisters and brothers of her dead and wounded warriors.

Attend the rally, and after the rally, be prepared to take your pledge made out for the most which you can sacrifice to the booth where the pledges will be collected.

Campus Comment.

A Defense of Organizations.

To the Editor:

The author of the comment on organizations in The Daily Nebraskan

for September 13th has apparently overlooked the true value and purpose of several of the campus organizations.

"Why the Y," he asks, but in attempting to answer this question to his own satisfaction he reveals the fact that he is blissfully ignorant of the Christian basis of the Y. W. C. A. and Y. M. C. A. organizations.

Let him read the purpose of these organizations as stated in the "N" book or on the membership cards available at either office.

To lead students to faith in God thru Jesus Christ. 2. To lead them to membership and service in the Christian church. 3. To promote their growth in Christian faith and character.

Everybody like! Girls, meet at the Temple, six o'clock Sunday, ready for a good time. Hiking gives W. A. A. points.
