CROSS-COUNTRY TRYOUTS HELD ON SATURDAY

Juniors Win Interclass Run; Dean Higgins is First to Finish

ANOTHER TRYOUT MONDAY

Dual Meet With Missouri is Saturday—To Finish Between Halves of Game

The juniors won first place and Dean Higgins individual honors in the interclass cross country and Varsity tryouts held in connection over the Belmont cross country course. The juniors took the first four places, while the seniors copped second honors by winning the next three places. John Haskell finished second and Hyde third, in the race. The race was run in exceptionally fast time, the first three runners finishing in less than thirty seconds.

Haskell took the lead soon after the beginning of the race, and held it up until fifty yards from the finish, when Higgins passed him in a terrific sprint, and breasted the tape a bare yard ahead of Haskell. Hyde was close in the rear of Higgins and Haskell, and the others trailed in.

Another tryout will be held Monday for those runners who were not able to compete today. Coach McMasters announced. Captain Bowman, "Bud" Gardner, Bob Weir, and probably Norris Coats will run in that tryout. The dual meet with Missouri will be held next Saturday at Lincoln, and the plans are to have the runners finish on the football field between the halves of the Husker-Tiger contest.

Results of the run are as follows:
First, Higgins, 29:49.
Second, Haskell, 29:40.3.
Third, Hyde, 29:55.
Fourth, Cook, 30:19.
Fifth, Hartman, 30:26.
Sixth, Hart.
Seventh, Rogers.
Eighth, Reese.
Ninth, Jetter.
Tenth, Mitchell.

Tryouts for the freshman 440-yard relay team for the Olympics will be held Tuesday afternoon on the track. Every freshman interested should turn out.

The finals for the three weights in boxing and wrestling will be held Tuesday evening at 7 o'clock in the Armory.

Will Nebraska Win Valley Track Championship Again This Year

For thirteen years Nebraska had track teams but not one brought home to the Cornhusker school Championship Honors. Then something happened. In 1921 the Husker cinder path artists won the Missouri Valley Championship for the first time. At last Nebraska had produced a team of champions. But this noteworthy feat was soon eclipsed, for in 1922 Nebraska's track team won the championship of the valley for the second consecutive year, and eight of Nebraska's seventeen track records were broken. Thus, after thirteen years of mediocre performances on the track, the Husker team sprung into the "spotlight" by winning two Missouri Valley championships in a row. Evidently, something had happened at the Husker school. Surely there was some reason of vital importance behind such a marvelous change from weak and unheard-of teams to championship and nationally known teams.

Henry F. Schulte, the man who coached Nebraska's championship teams, and who would naturally know better than anyone else the "why" of the Husker victorious teams, says that the reason that Nebraska has produced championship teams for the

past two years, can be expressed in four words, "Fall Training and Numbers."

Fall training and numbers have been most vital factors in Nebraska's sudden success on the track. Two years ago fall training was inaugurated at the Husker school, and 250 men, the largest number that had ever reported for track at Nebraska, turned out for track. Result: the next spring Nebraska had the first victorious team in its fourteen years of track activity. Again last year a big fall training program was carried out, 300 men reported for track, and in the spring Nebraska once more was able to boast of a championship team. Coach Schulte is evidently right. "Fall Training and Numbers" is the secret of our prowess on the track.

By her two victorious teams, Nebraska has made a good start toward gaining the same enviable reputation in track that she has won in football. Coach Schulte declares that if Nebraska is to have a winning team in 1923, at least 300 men must report for fall training.

Let's win the Missouri Valley championship again in 1923!

HARD GAMES AHEAD FOR ROCKNE'S CREW

Notre Dame Faces Stiffest Part of Schedule with Few Experienced Men

Special to The Nebraskan.
Notre Dame, Ind., Oct. 14.—With Kalamazoo, St. Louis, Purdue and DePaul out of the way the Notre Dame eleven will face in succession Georgia Tech, Indiana, West Point, Butler, Carnegie Tech and Nebraska.

As the season progresses toward the Georgia Tech engagement which is considered the contest which will make or break the year's work, the improvement in Rockne's new eleven has been gradual. Whether the team will have progressed to a form sufficient to tackle an outfit of the calibre of Georgia Tech will not be known until the men are put to the test.

Castner at fullback was the only backfield fixture when the season began and his running and punting in the early games has justified the confidence placed in him. Don Miller, brother of the famous Red Miller, who captained the 1909 team here, broke loose for a 94-yard run against St. Louis and turned in enough dashes of shorter distance to safely place him above all other candidates for right half with the possible exception of Gus Desch, who was injured in the second play of the season and may not be able to show for weeks.

The fight for left half has sifted to Crowley, Layden and Bergman, with the selection a toss-up. Bergman, who had the edge when the season began, was overcome by the brilliance of Crowley in the opening against St. Louis. Layden ran well in both games and possesses the advantage of punting over the other two. Thomas, with two impressive returns of punts in the St. Louis game, stepped a bit to the fore of Stohldraher, his sophomore rival for quarterback.

Captain Carberry, Lieb, Cotton, Brown and Degree are granted places in the line. Regan, an imperceptible edge over Walsh for center and Mayl and Vergers are contesting the remaining end position.

The pledges of the Xi Psi Phi fraternity entertained the members of the active chapter with a dance at the chapter house, 1640 G street, Saturday night. Dr. and Mrs. A. H. Schindt and Dr. and Mrs. B. C. Williams acted as chaperons for the party.

Correct this sentence: "After five years of marriage the man brought his wife a box of roses and she expressed no surprise."

UNI RADIO STATION HAS NEW MANAGER

Bertram Ellsworth Will Be in Charge of Broadcasting Until Nov. 1

Mr. Frank J. Moles of Schenectady, New York will be in charge of the university radio station in the Electrical Engineering building after the first of November. Mr. Moles is a graduate of Union university, Schenectady, and is now in the employ of the General Electric company. He has had wide experience with radio. Bertram E. Ellsworth will continue as radio operator until November 1.

A regular broadcasting service of educational value and interest is contemplated in the plans of the department. Instructional lectures, travelogues, and musical programs will be planned and announced from week to week. The various departments of the university will be asked to co-operate to this end.

The station will continue to broadcast weather predictions and reports and will co-operate with Director Loveland of the weather bureau in securing and sending out information of this sort. Co-operation with the extension department is planned, covering extension courses and programs. Further announcements are to be made as these plans develop.

Dairy Judging Team Wins Good Places at St. Paul Exposition

The dairy judging team, representing the University of Nebraska at the Agricultural College Students' Contest in judging dairy cattle which was held at the National Dairy Exposition, St. Paul, Minn., October 8th, placed fourth in Holsteins, eighth in Jerseys and ranked sixteenth in the judging of all breeds of dairy cattle.

In the individual placings, Glenn
