

RALLY AND PARADE WILL SEND OFF TEAM TODAY PLAN TO HAVE SPECIAL TRAIN TO KANSAS

NEBRASKA TEAM TO LEAVE HERE AT ONE O'CLOCK

Departure for Norman, Oklahoma, to Be Signal for Celebration and Parade.

INNOCENTS TAKE CHARGE

Every Student Is Urged to Participate in Send-Off of the "Fighting Cornhuskers."

A huge parade of students from the Temple building to the Burlington will take place at 1 o'clock today to send Nebraska's fighting Cornhuskers off to battle with the Oklahoma Sooners. The parade will be headed by the band and the cheer leaders.

All students are urged to march in the parade and not to go individually to the station. The train leaves at 1:30 for Norman, Oklahoma. Speeches by members of the team and songs and yells by the students will feature the send-off at the station.

Members of the Innocents are in charge of the parade and will conduct the line of students through the business section of town to the station. Nebraska students have not had a chance to send off their team to foreign fields this year. Last year parades were formed to accompany the team to the station on the start of their trips to both Ames and Pitt. The send-off for the trip to the East was the most enthusiastic of the year. It is estimated that one thousand students took part in the parade and were at the station when the train left. The coach in which the team traveled was decorated with Nebraska slogans and signs of warning to the Pitt team.

The Nebraska team will return from the Oklahoma game on Sunday. For the two weeks following the Oklahoma game, the Huskers make trips, on the 4th of November to Syracuse, and on the 11th to Lawrence, Kansas. No definite announcement has been made of the number of men that Coach Dawson will take with him to the game this week. It is not expected that the freshman team will make the trip.

The University Republican Club is scheduled to take part in the celebration and every loyal Republican is being urged by the club to get into the rally.

The University Republican club met Wednesday night in the AWGwan office to complete plans for participation in the city celebration and parade. Available cars belonging to University Republicans will be mustered at 6:30 this evening and decorated with the banners of the University Republican club.

PICKETT STRIKES OUT BAMBINO RUTH

Former Husker Twirler Blanks Ruth in "Barnstorming" Game With Bases Full.

John Pickett, former Husker pitcher, struck out Babe Ruth when the bases were loaded, last Friday in an exhibition game at Scottsbluff, Nebraska. Ruth and Bob Meusel both of the New York Yankees, were featured on opposing aggregations of home talent.

"John Pickett, star twirler of the Indians, pitched the last three innings for the Meusel crowd, which defeated the Ruth outfit by a score 6 to 2. Pickett struck out the great Bambino in the seventh with the bases full. He used his famous ski ball on Babe. This ball is a fast breaking outshoot to a left-hand hitter." From last Sunday's issue of the Wyoming State Tribune of Cheyenne, Wyo.

Pickett was presented with a beautiful sweater for his part in the performance and for striking out the "King of Swat." He is practicing law at present in Cheyenne, with Judge W. C. Mentzer of the class of '95.

College Girl Voters Encourage Co-eds to Exercise Suffrage

College girls of voting age met Tuesday evening at 7 o'clock at Ellen Smith hall. The purpose of the meeting was to encourage girls to vote in the coming election and to urge them to vote in favor of the candidates supporting present prohibition laws. The meeting was not held in the interest of any political party. The respective candidates and their policies were discussed. Adelheit Dettmann presided.

A notary public was present to attach his signature to applications for ballots which will be sent to the residence of the girls. This arrangement removes the difficulty non-resident girls would otherwise have.

On account of the small attendance Tuesday evening sorority houses, rooming houses, and dormitories will be visited in an attempt to interest women voters in exercising the suffrage.

The Vesper Choir, an organization under the auspices of the University Y. W. C. A. gave the first of its annual series of programs at the City Mission, last Sunday evening. An organization of thirty voices, this choir is particularly successful at sacred music.

The program at the Mission Sunday was the most elaborate one attempted by the choir. Two anthems, in which the solo and duet parts were taken by Kathleen Raugh, Mary Creekpaum, Frances Weints, and Beatrice Eno, were the principal features of the evening.

RECEIVING MANY FACULTY PLEDGES TOWARD STADIUM

Campaign for Funds Will Be Complete Thursday Afternoon Says the Committee.

ONE COMMITTEE AT WORK

Nineteen Thousand Dollars Subscribed in the Drive Conducted Few Years Ago.

Solicitation for the Stadium among the University faculty will be completed at 5 o'clock Thursday afternoon, according to plans of the committee.

A fact that has been overlooked by the student-body, and which was not announced at the big Stadium rally at the auditorium, is that the faculty subscribed about \$19,000 to the Stadium fund in the drive two years ago.

Most of the faculty made pledges at that time. Others have been making payments since then, so a large part of the faculty pledges were paid even before the student drive began.

Instead of a chairman for the drive among the faculty, the solicitation is centered in the hands of a general committee, with one member for practically each building on the campus.

Members of the faculty committee are:

- Dr. Lida B. Earhart.
- Fred Dawson.
- R. A. Lyman.

Get Acquainted Party for "Frosh" Saturday Evening

First-year students and freshmen will have a chance to become acquainted at the All-University party, Saturday, October 28, at the Armory.

The evening's entertainment will start with dancing at 8:15. At 9 o'clock there will be a program especially created for every freshman's delight. Dancing, and games for those who do not wish to dance will then claim the rest of the evening. Excellent entertainment, unique decorations, good music, and unlimited freshman spirit will all go to make this affair one of the most successful of the year, according to the committee.

INTER-FRATERNITY SING THIS FRIDAY

Entire Student Body Invited to Song-Fest Sponsored by the Kismet Klub.

The entire student body is invited to the Kismet Klub inter-fraternity sing to be held Friday evening at 7:15 at the Armory. The committee from Kismet Klub, in charge of the sing is planning to make this third sing bigger and more popular than either of the two held last year.

Three judges, to be announced later, have been chosen to select the fraternity which presents its two songs most effectively and successfully. The winning fraternity will be announced on Sunday. The number of men present, the harmony, the volume and the cleverness of presentation will be considered by the judges in their decision.

Every fraternity on the campus is expected to be at the sing which will be completed in time for the fraternity men and the spectators to have regular Friday evening engagements.

The first inter-fraternity was held under the auspices of Kismet Klub just about a year ago on the Athletic Field. A large crowd of University men and co-eds gathered outside the fence to hear the fraternity songs as well as the Nebraska songs which were sung. The second sing was conducted after the tapping of the Innocents and Mortarboards at Antelope Park on last Ivy Day in connection with the Cornhusker Roundup week.

The purpose of the sings as announced by the committee in charge is not only to promote a spirit of good feeling among the fraternities but to serve as a "pop" meeting for the Husker team which will play the Oklahoma Sooners on the next afternoon at Norman, Oklahoma.

Present plans call for the seating of the men in fraternity groups in the Chapel, while the spectators will be in the balcony seats. As each fraternity is called upon to sing two of its songs, the group will come to the front. The University quartet, and the Northwall and Ragadore Jazz orchestras will be there to live up to the occasion. Fraternities wishing to know of their exact part in the program Friday, may get this information by calling Kenneth Cozier or Oliver Maxwell today.

Those who are to appear are as follows:

Frankforter Will Address Rotarians

Professor Frankforter of the Chemistry Department will speak at a meeting of the Lincoln Rotary club November 7, and at a convocation at Cotner next week on "The Status of the Reserve Officer." Professor Frankforter holds the rank of major in the Coast Artillery Reserve corps.

OPENING NIGHT OF UNIVERSITY PLAYER SEASON

Indications Point Toward Crowded House for "Thirteenth Chair" Tonight.

ADVANCE SALE IS LARGE

Music Will Be Furnished by the University Orchestra Directed by Quick.

The University Players open their 1922-23 season at the Temple theatre tonight at 8:20, presenting Bayard Veiler's "The Thirteenth Chair." Advance ticket sales indicate that a crowded house is assured for the first play which will be presented Thursday, Friday, and Saturday evenings and at a Saturday afternoon Matinee.

The Players ticket campaign was conducted last week among the student body and the people of Lincoln. Not only were single production tickets sold, but a special effort was made to sell the season tickets, which may be reserved for the entire season at Ross P. Curtice Company.

The University orchestra under the direction of William T. Quick will furnish the music for the mystery play which has been selected for the initial performance. The staging will be under the direction of the University Players management and only University students will take parts in the play. The cast was announced through the Daily Nebraskan on Wednesday.

Tickets for the play tonight will be on sale at the door in the Temple preceding the production for those who have not purchased tickets and for those who have bought tickets and have not as yet had a chance to reserve them. Many patrons of the Players have reserved their tickets for a certain seat for the entire list of plays of the season.

Prof. H. Alice Howell, head of the Dramatic department, is directing the play, assisted by members of the Dramatic department. Miss Howell returned to her teaching work this fall after a severe illness and will have charge of the productions throughout the year. She has directed the players since they started several years ago and was in charge of the Little Green theatre, an outdoor playhouse on the campus, when it was open two summers ago.

The Players are starting the plan of giving Saturday afternoon performances for University students especially. It is planned that later in the year, special Saturday morning children's plays will be given for the grade school children of Lincoln. This plan was carried out successfully last season.

The second production of the Players comes on December 7, 8 and 9 when they present, "East is West."

Jack Best Past Crisis In Illness

Jack Best, traditional trainer of Nebraska's athletes, is past the crisis of several weeks of serious illness. He was propped up in a big easy chair by the front window of his home at Twelfth and U streets when the reviewer entered.

"He likes to sit by the window and watch for the boys," his daughter explained. "Several of them come over every day to see him."

"The boys all came over to see me before the game Saturday—I couldn't go to it," he said wistfully. "It's hard for me to stay in when they are starting on their trip. I've been with them so many years, that they seem just like my own children. The coach came over to see me alone before the game."

"I don't think they will beat Oklahoma as bad as Missouri, but that doesn't make any difference, if they only beat them by one, that's enough. Just so they win."

"He's been very ill," said his daughter.

"Yes," said the aged trainer. "I think a bad cold I had brought it on. If I ever get so I can walk around it won't be so bad. As soon as I can walk I'll probably get better fast. The doctor says my color is improving already. He almost promised to have me up next week," he finished, coughing.

Y. M. C. A. SERVICES OFFERS LECTURES

First Lecture Will Be "Industrial Conditions in America as Compared With Europe."

The University Y. M. C. A. through its Industrial Service will offer a series of addresses to students by prominent men who have studied industrial conditions here and abroad. The lectures will be held in the Temple theatre on Friday noon from 12 to 12:50 so that students may attend without missing their 1 o'clock classes.

Mr. C. Towle of the Curtis, Towle & Paine plant will give the first lecture October 27 choosing "Industrial Conditions in America as Compared to Europe" as his subject. Mr. Towle has just returned from a trip through Europe. On November 3, Mr. W. E. Sellock, president of the Lincoln State Bank, will speak on industrial conditions in Germany and in France. Mr. Sellock has also been in Europe recently to make a study of the conditions there. Mr. H. L. Elwood, president of the Carpenters' Union and secretary of the Central Labor Union will speak on November 10 on "The Fundamentals and Aim of Organized Labor." November 17th, Rev. Mr. J. Slocombe will give an address on "The Principles Underlying the Railroad Strike." "The History of Organized Labor" is the subject on which Mr. Morris N. Adams, foreman of the Woodruff Printing company, and chairman of the Industrial Department of the City Y. M. C. A. Mr. O. J. Fee of the Evans Laundry will speak, December 1 on "Industrial Conditions in a Laundry."

These meetings are open to all people interested in industrial questions. They have received the approval of the Industrial Research club.

Teachers' College Faculty to Conduct County Institutes

Members of the Teachers' College faculty are receiving calls steadily to appear before county institutes throughout the state in the capacity of institute instructors and lecturers. Dean W. E. Sealock and Dr. Lida E. Earhart acted as instructors at the Nuckolls County institute which was in session at Superior Thursday and Friday of last week. Dean Sealock appeared at three meetings of the Fillmore County institute as instructor on Monday. Professor Rosenlof has been asked to be present at the Hays County institute which will be held Thursday, Friday and Saturday. He will give two general lectures and will conduct method discussions and Round Table meetings. Professor Clara O. Wilson was institute instructor in Dundy County on October 19 and 20.

RESERVE BLOCK OF TICKETS AT JAYHAWK FIELD

Six Hundred Pasteboards Will Be on Sale at Tucker and Shean's Monday.

SPECIAL TO LEAVE FRIDAY

Must Have One Hundred Twenty Tickets Sold to Guarantee the Train to Lawrence.

A special train will carry Cornhusker football fans to Lawrence, November 11, when Nebraska and Kansas, traditional gridiron enemies, mix in a contest that may decide the Missouri Valley championship. A special rate of fare and a half amounting to \$8.98, has been granted by the railroad company. A Pullman car will be included in the train. Pullman fare will be \$4.50 each way.

One hundred and twenty-five tickets must be sold before the train will be a certainty. It is expected that there will be no difficulty in selling that number of tickets, as forty members of the band have already signified their intention of making the trip, and a large number of students and townspeople will probably attend the game. The cheer leaders and the University quartette will go with the team. There is a possibility that the Corncoobs, University Pep organization, will make the trip.

Reserve Tickets Monday.

Six hundred tickets have been reserved for Nebraska students and will go on sale Monday morning at 8 o'clock at Tucker and Shean's. These seats are on the fifty-yard line, in Section G of the stadium, and include rows 1 to 42. Another six hundred tickets are being held at Lawrence for the Husker contingent. If the first six hundred are disposed of fast enough, the second block will probably be sent to Lincoln for sale. The tickets will cost \$2.00.

The special will leave Lincoln Friday night and will start the return trip Saturday evening after the game. Plans are being made at Lawrence to entertain the Nebraska students during their stay in the city.

Will Dedicate Stadium.

Kansas University will dedicate its new memorial stadium on the morning of the game. The special will arrive in time for the Nebraskans to attend the ceremony. A letter received by John K. Sellock, agent for student activities, from the director of athletics at Kansas University, says in part:

"We are expecting to dedicate the stadium on the morning of the 11th. We would be pleased indeed, if the Nebraska contingent could be present for these exercises on the morning of Armistice Day. The plans of dedication have not all been worked out, but we are planning on having the American Legion take charge of the service as this is a memorial dedication to our hero dead of Kansas, who fought in the world war."

The Jay Hawks have a formidable gridiron machine. Its only defeat was suffered in the first game of the season when with only two weeks of practice it held the Army to a 7-0 score. The Husker-Jay Hawk contest on Armistice Day may decide the Missouri Valley championship.

Only Chance to Take Trip.

This is the only chance that Nebraska students will have to take a trip with the team. The other trips, to Syracuse and Oklahoma are too long to permit an accompanying body of students.

It is probable that a football rally will be held the night before the team goes to Lawrence.

In eastern schools the number of students making trips with the team is large. Indiana University sent 200 students and a 100-piece band to Wisconsin last Saturday for the Wisconsin-Indiana game. Six hundred Michigan students invaded Columbus last Saturday to see the Michigan-Ohio State contest. Two special trains, one of nine cars and the other of eleven, made the trip from Ann Arbor to Columbus.

Corncoobs! There will be a meeting of the Corncoobs at 7 o'clock at the Kappa Sigma house today.
