### ARE YOU SHORT OF MONEY?

Read what Guy Harris says about making money selling Simpson Tailor Made Clothes.

"I worked my way through school selling Simpson suits and overcoats. Last spring I found myself in a position of being compelled to earn extra money to pay my expenses or leave school. Through the employment manager at school I learned of J. B. Simpson, Inc., and succeeded in making a connection with them. Although I had never in my life before sold a suit or overcoat, I have earned an average of \$37.00 per week by using my spare time to take order for Simpson suits and overcoats.

"I did not depend only on the college students, but each afternoon I went out and called on from ten to thirty men. As Simpson values are exceptionally good and I could save the men from \$10.00 to \$20.00 on every suit or overcoat I nearly always succeeded in getting from one to five orders a day. The opportunity to do this work was a God-send to me and I can think of no better way to meet expenses than by getting the agency for Simpson Clothes. The firm is 100 per cent on the level—a big, reliable, honest institution and I cannot speak too highly of them. This season I will do even better as I have several hundred satisfied customers whom I can recall." GUY C. HARRIS.

If you are looking for a means of making money you can find no better or more profitable way than by making application for the Simpson agency at your college. All our suits and overcoats are made from virgin wool fabrics, tailored to order and sold for the flat price of \$29.50. In fit, style and quality, they are equal or superior to the average garments retailed at \$50.00. We are one of the largest tailoring organizations in the United States and stand back of every garment with an honest guarantee of absolute satisfaction. If you are working your way through school write us. Please address your letter, Attention of Salesmanager.
