

HUSKERS DEFEAT JAYHAWK IN ANNUAL BATTLE

SALE OF TICKETS FOR "BIZAD" DAY TO BEGIN MONDAY

One Ticket is to Cover Cost of a Whole Day of Entertainment

PRICE TO BE ONE DOLLAR

Parade and a Grid Contest Between Laws and "Bizads" Are on Program

With the opening of the school doors Monday morning, students of the Business Administration college will be given an opportunity to buy tickets for the second annual "Bizad" day which will be held next Friday.

The price of the tickets for the entire day will be \$1.00. This includes a part in the parade, a host of entertainment at Antelope park throughout the morning, a football game between the Bizads and the Laws in the afternoon, a picnic lunch at noon, and last, a Bizad dance in the evening at the armory. The ticket will also entitle the purchaser to a full day of excursions from classes, whether Bizad classes or classes in other colleges.

A corps of ticket salesmen will start campaigning throughout the college early Monday morning. They will sell the tickets throughout the week and it is expected that before the date of the big celebration more than 600 of the future business men will have purchased tickets to their college annual celebration.

Parade Starts Day.

A monstrous parade starting at 8:45 from in front of the Social Science building will start the day's celebration. Ten Lincoln business firms will have floats representing their business in the parade and a band will lead the paraders.

The parade will wind through the main streets of Lincoln, down past the high school, ending finally at the hand stand at Antelope park.

As soon as the paraders are gathered in the park, the entertainment for the morning will commence. Interclass boxing and wrestling events, interclass tug-of-wars and games and miscellaneous entertainment will compose the program until time for the lunch.

Picnic Lunch at Noon.

A big picnic lunch will be served at noon. The nature of the lunch has not yet been definitely determined, but plans for a barbecue lunch are being considered.

Following the lunch there will be a "freer-for-all" fight between five colored men. The fight will be to a finish.

Following the fight will come the football game between the Laws and the Bizads. The two colleges are historical rivals on the gridiron and the Bizads claim they will carry off the high honors. The gridsters who will represent the two colleges are practicing daily for the big event.

In the evening comes the dance at the armory. The Bizad dance last year was one of the peppiest events of the school year and the dance committee is striving hard to make this year's dance much more peppy and inviting.

Many Attend Dinner Given Thursday by Presbyterian Club

The Pan-Presbyterian dinner at the Grand hotel Thursday night was attended by one hundred and twenty-five students according to Dean R. Leland who presided. Singing, speech and music featured the evening. Oscar Bennett led the singing, Burdette Taylor and Dorothy Compton played several selections, and speeches were made by a number of the people.

Doctors B. M. Nye, S. S. Hilscher and Paul Johnstone pastors of the Lincoln Presbyterian churches were introduced and made short speeches. President C. H. French of Hastings college briefly outlined the plans of the Presbyterians of Nebraska in providing for the education of Presbyterian students at Hastings and the University. He also spoke of the Presbyterian house to be erected near the campus as a home for the University pastor and for the use of the students. Albert B. Sheldon of Huron College spoke on the relation of college training and leadership.

Student Directories Will be on Sale In Three Booths on the Campus Today

Student directories will be placed in the hands of the students Monday, Tuesday and Wednesday, through the medium of three booths. They will be in the Law and Social Science buildings and in University hall. The books will also be distributed on the Agricultural College campus. The price of the directories this year, the same as last year is fifty cents. Through the help of the Y. M. C. A., the publication is sold to the students at cost.

Knox Burnett, the editor of the directory this year and Jay Heppery, business manager, have made the book a complete directory of the students and faculty. The first division gives the office numbers and campus telephone numbers of the faculty members. Then comes a section devoted to a list of the faculty members with their city addresses, telephone numbers, and the departments with which they are connected.

The third section of the book gives the name, home address, Lincoln ad-

dress, telephone number, course and year in school, and the fraternity or sorority affiliation of each student.

A complete list of fraternity, sorority, and literary society members is included in the directory. In the latter part of the book the students are classified by towns, by states, and by countries. This classification shows that Lincoln sends more students to the University than any other city in the state, Omaha is second.

The forward to the directory reads in part:

"In presenting this, the 1922-23 Directory, to the faculty and the students of the University of Nebraska, we wish to extend our thanks and appreciation to Dean C. C. Engberg, Florence I. McGehey, Registrar and to the following students without whose assistance such an impossible work would have been impossible: Kenneth Neff, Robert Moore, Raymond Lewis, Claude Sutter and Opal V. Yeoman."

Business Men Will Inaugurate Stadium Campaign Monday

A meeting of Lincoln business men to inaugurate the city campaign for funds for Nebraska's Memorial Stadium will be held Monday evening at the Chamber of Commerce. Talks by Chancellor Avery, Harold Holtz, alumni secretary, and others will explain the drive. Elaborate plans for raising the quota of \$150,000 will be explained. A campaign in Omaha, among the students of the College of Medicine and the business men will be conducted this week also.

Those in charge of the campaign hope to have pledges for the big percentage of the total amount of \$430,000 on hand before the close of the week.

Letters have been sent out to all Nebraska Alumni telling of the plans for the stadium and urging them to send in their subscriptions as early as possible. The contract will not be let until January or February according to present plans.

STUDENT PROBLEMS WILL BE DISCUSSED

Conference During Christmas Vacation Will be Held in the Vicinity of New York City

For students, of students, and concerning the vital issues of a student's life, a conference will be held during Christmas vacation, December 26, 27, and 28 in the vicinity of New York city, under the auspices of the National Student Forum. The two main topics about which all questions to be discussed center, are:

- 1. Why is college what it is? 2. What are our responsibilities as students?

Six foreign students who the National Student Forum is bringing to the United States will then have their first meeting with an American group of friends. Several recent graduates will discuss the possible courses for socially minded students after leaving college. There will be no principal speakers.

Among the questions and problems to be taken up, according to a letter received by the Daily Nebraskan from the National Student Forum, 2929 Broadway, New York, are:

Why do you go to college? Parental power, practical persuasion, or—?

What do you want to be like when you leave college or don't you care so long as you have a certain amount of useful information?

Who decides what shall be taught at your college?

Why do liberal clubs think it necessary to bring to the colleges speakers whose points of view are not ordinarily presented by the faculty?

If 130 credits equals 1 B. A.; plus thirty credits, equals 1 M. A.; plus seventy credits equals 1 Ph. D., how many credits will equal 1 intelligent man?

How is it that you can go to college when so many other men and women can't?

Are you taking somebody else's education away from him? Do you owe anything to the uneducated?

If you get \$25 a week for working and not expressing your ideals, and \$50 a week for working and expressing your ideals, what are your ideals worth?

LINCOLN BUSINESS MEN BACK STADIUM

Large Percentage of City's Quota Raised at First Meeting Yesterday Noon

Nebraska's Memorial Stadium fund received the support of the committee of one hundred, augmented by thirty or forty Lions in the campaign which was launched at the Chamber of Commerce yesterday. At this meeting, one-fifteenth of Lincoln's quota of \$150,000 was subscribed by J. E. Miller of Miller & Paine's.

The meeting was full of pep, and everybody present was an ardent supporter of the drive. Guy E. Reed told those present what value the stadium would be to the city and also to the students of the University. Harold Holtz, alumni secretary, set forth the facts of how the fund had been overshadowed by both the faculty and the students, and said that the rest of the state would now wait and see what Lincoln would do. It was also emphasized by several others of those who spoke that the success of the effort to raise \$450,000 for the stadium, hinged upon Lincoln's line of action. C. B. Towle and some of the others predicted that Lincoln would also oversubscribe her quota, perhaps to the amount of \$200,000.

Dr. Reed explained the system by which the pledges were to be made, that is 20 per cent down and the rest in four semi-annual payments. Subscribers in the former campaign have practically all agreed to stand by their pledges, and some even increased them. The money is easier to get now than it was then.

Each of the committee was given the names of four men whom he is expected to bring to a dinner to be held at the Chamber of Commerce Monday evening, and it is hoped that the full quota may be subscribed at that time.

AMES WINS CROSS-COUNTRY.

Ames won the annual Missouri Valley cross-country meet yesterday. The Nebraska cross-country team took sixth place.

Nebraska's fighting Cornhuskers defeated their traditional enemies, the Kansas Jayhawks, by a 28-0 score yesterday, in a hard fought game on McCook field at Lawrence, Kansas. The contest was fought in a drizzling rain that slowed down the play noticeably. The first Nebraska score was made in the first quarter when Weller blocked an attempted Kansas punt, which the Jayhawks recovered behind their own goal registering two points for the Scarlet and Cream grid machine. In the second quarter, Scherer, Nebraska's right end, intercepted a Jayhawk pass and raced forty yards for a touchdown. In the third quarter the Huskers, playing straight football, marched down the field, and Dewitz went through for a touchdown. Straight football also accounted for the Husker score in the final period.

The game was a battle all the way through. The Cornhuskers did not appear to hit their usual stride until the second half. On the second play Herb Dewitz broke loose around K. U.'s left end for a twenty-five yard run. With only one Kansas man between him and the goal, he slipped on the wet field, fell, and was nabbed by the trailing Kansas backs. A crowd of 18,000 people witnessed the contest. Several hundred Nebraska students who came into Lawrence on a special train and in automobiles cheered their team on to victory. Before the game the Cornhuskers, Nebraska's pep organization marched around the clinder track.

A play by play account of the game follows:

First Quarter. Captain Higgins of Kansas won the toss and took the south goal which gave Kansas the benefit of the wind. Captain Hartley of Nebraska elected to receive the kickoff.

Spurgeon kicked off fifty-five yards. Hartley returning 22 yards to Nebraska's 39-yard line. On the first play Lewellen ran the Kansas left end for six yards. The play was called back and Kansas penalized five yards.

Dewitz broke loose around left end for twenty-five yards. Lewellen failed to gain on a line plunge. Lewellen was thrown for a five-yard loss, on an end run. Lewellen kicked 30 yards but the ball bounced back to the center of the field. It was Kansas' ball on Nebraska's 47-yard line.

Kansas pulled a spread formation on the first play. McAdams made five yards around Nebraska's right end on a double pass. Ball on Nebraska's 46-yard line. Burt made three yards through center. Spurgeon hit center for one yard. Wilson squirmed through center for one yard and a first down.

Ball on Nebraska's 36-yard line. McAdams made a yard on a tackle dive but fumbled and Nebraska recovered on its 35-yard line. Dewitz made seven yards through guard. Dewitz plunged for one yard.

Dewitz drove off tackle for seven yards and a first down. Hartley fumbled on the next play. Kansas recovered on Kansas' 45-yard line. Wilson's forward pass to McAdams was incomplete. A pass from Wilson to Griffin was batted to the ground. Kansas kicked forty yards. Nebraska returning to Nebraska's 16-yard line. Lewellen hit the line for two yards. Dewitz lost half a yard through tackle.

Ball on the 15-yard line. Lewellen kicked to the Kansas 45-yard line. Wilson returned it ten yards. Burt made a yard and was forced out of bounds. The ball was brought to the middle of field.

A forward pass from Wilson to McAdams was good for thirteen yards. It was Kansas' ball on her own 39-yard line. McAdams tried an end run and was thrown for a four-yard loss. A forward pass from Wilson was intercepted by Schoepel, who (Continued on Page Three.)
