After winning one game and losing one on their invasion into Kansas, the Husker Basketeers returned Sunday and immediately settled down to the task of preparing for the Drake Bulldog game, which will open the home cage season for the Cornbusk ers next Tuesday at the Armory. The outstanding feature of the trip was the performance of the small Husker team, which went in against the Jayhawkers during the second half and outplayed them, and defeated the Kansas Aggies Saturday night at

SPRING FOOTBALL PRACTISE STARTS FOR JAYHAWKERS

Football staged a comeback at the University of Kansas today when eighty men turned out in response to Coach George "Potsy" Clark's initial call for spring practice. At least thirty men will report next week. The candidates will be divided into two squads, Coach Clark announced, each to meet three times a week for an hour of work. Ten minutes of wrestling will be on the program for each man, followed by lecture work and demonstrations in blocking, tackling and all fundamentals of the game. Practically every man who made the Kansas team this past season was selected from the squad in spring prac tice last year, and Coach Clark has announced that the same policy will be followed this year. Spring practice will continue until the first of April and during March outdoor practice will be held six days a week.
