## COACH SCHULTE WANTS 500 MEN OUT FOR TRACK

Hard Schedule Faces Husker Cinder Path Mentor and Nebraska Track Artists.

### HAWKINS EXPECTED BACK

Board Track Ready for Use—Expect to Develop Another Valley Championship Team.

Five hundred men out for track!

Track Coach Henry F. Schulte wants half a thousand Huskers to report for track at once. The board track on the drill field is ready for use and the training for the indoor season begins this week. The first meet on the indoor slate will be the Kansas City Athletic club meet at Kansas City February 16 or 17, so the Cornhusker cinder path men will have but a month to round into shape. The handicap caused by no fall track training program last fall is a tremendous difficulty for Coach Schulte to overcome. The enforced outdoor training conditions and the lack of sufficient practice space are other disadvantages to the development of a winning track team. In order to overcome these handicaps, Coach Schulte asks for "500 men—the Greatest Track Squad in America." An indoor meet scheduled with Ames for February was cancelled when the Armory at Ames burned during the Christmas holidays. Coach Schulte expects to fill in these dates

in the very near future. Coach Schulte also expects to secure another dual indoor meet away from home for early in April.

Coach Schulte hopes to develop a team which will win the Missouri Valley track championship cup again this year, an achievement which will give permanent possession of the cup to Nebraska, as the Huskers under the tutelage of Coach Schulte have carried off championship honors of the valley for the past two years, in 1921 and 1922.

A goodly number of veterans around which the 1923 team will be built have reported. The loss by graduation of 1922 Captain Ed Smith, who ran the century in nine four-fifths seconds; Herb Gish, star hurdler; Dave Deering, sprinter, and Clarence Monilton, weight man, is providing a source of worry to Coach Schulte.

Veterans who are already out on the track going through their paces daily include Ted Smith, 440 star; I. K. Lukens, sprinter; Gibbs, sprinter; Coats, half-miler; Bowman distance man; Haskell, distance runner, and "Mud" Gardner, E. V. Allen, Omaha Medic, who was champion miler of the conference last year, has been working out regularly at Omaha, and will be down Saturday for a tryout.

A new cinder track, one-fifth of a mile long, has been completed for the use of the medic tracksters at Omaha. Harry Kretzler, star miler at Nebraska in 1920, is in charge of the medics. Davidson, Fischer, Slemmons, and Allen, all letter men, are attending the medical school at Omaha.

Coach Schulte explains that there will only be two home track meets this year because of the erection of the new stadium. Nebraska will probably hold all meets on the Lin-

coln high field. Captain Kenneth Hawkins, who won the quarter-mile at the valley indoor last year, is not in school this semester, but is expected back next term.

### Indoor Schedule.

K. C. A. C. at Kansas City, February 16 or 17.

Illinois relay at Urbana, Illinois, March 3.

M. V. C. at Kansas City, March 24.

### Outdoor Schedule.

Kansas Uni. relays at Lawrence, April 20 and 21.

Drake relays at Des Moines, April 27 and 28.

Kansas Uni. Dual at Lincoln, May 5.

Kansas Aggie dual at Manhattan, May 19.

M. V. C. at Ames, May 25 and 26.

National Intercollegiate at Chicago, probably June 8 and 9.

## TEACHERS COLLEGE HIGH HAS STRONG BASKET SCHEDULE

Basketeers Will Play Milford Saturday in the Armory—Meet Several Strong Teams.

The Teachers College high school basketball team will play Milford at the Armory Saturday afternoon, the game starting at 2:30. The high school from Teachers College has been playing in rather fast company this season losing to both Waverly and Valparaiso. The latter team has been playing a fast brand of basketball and the Teachers College team did well to hold them to seventeen points while they were getting 41. Bennet lost to the Teachers High by a small margin in a well-matched game. Waverly trounced the Lincoln team last week but it is pretty much out of the Teachers class.

The Teachers high school schedule follows:

Milford at Lincoln, January 13.

Waverly at Lincoln, January 19.

Lincoln Reserves, January 23.

Open.

Eagle at Eagle, January 31.

Crete at Crete, February 3.

College of Agriculture, February 9.

Eagle at Lincoln, February 14.

Valparaiso at Valparaiso, February 19.

Havelock at Lincoln, February 29.

Milford at Milford, February 23.

### BLOUIN SMASHES BOWLING RECORD

Seventeen straight strikes! That's one of the things Jimmy Blouin, world's champion bowler, accomplished Tuesday night in defeating Joe Falcaro, New York challenger in the third block of their forty-game match, now in progress.

Blouin also rolled one perfect game—a 300 score. It was the first time, experts said, that a 300 game was chalked up in a championship match.

The champion made the wonderful average of 243 2-10 for ten games. The final block of ten games will be rolled late this afternoon at Chicago.—The Lincoln Star.

## HUSKER CAGE MEN PREPARE FOR IOWANS

Riddlesbarger Injured in Last Night's Practice When He Collided with Mark Summers.

### MUNN ASSISTS COACHING

Drake Comes Thursday Night and Oklahoma on Schedule for Saturday Night.

The Cornhusker cagesters went through the hardest practice thus far this season yesterday afternoon at the Armory in preparation for the opening of the home season next

Thursday when they meet the Drake Bulldogs of Des Moines. Riddlesbarger, star guard, collided with Summers during the workout and received a broken nose which will keep him out of the game for some time.

Monte Munn, who starred on the Husker quintet for several years, is assisting in the coaching of the basket tossers. Monte played center for Nebraska in 1921, and his playing was one of the factors responsible for the Husker team going through the season in 1921 without a conference defeat.

Coach Frank scrimmaged the small team against the veteran team. The playing was fast and furious, with the small team having the edge. Willard Usher, diminutive forward, has not reported for practice because of the ankle injury he received in the Kansas game.

Following the game with the Utah Bulldogs next Thursday, the Huskers

will play Oklahoma Saturday night. The following week the Huskers will journey into Iowa for a three game series. During this strenuous period of cage activity, the Huskers will play six games in ten days.

A woman thinks hospitality consist in serving something to eat; a man thinks is consist in making the room uncomfortably hot.

Thrift is the art of denying your self things you desire while young in order that you may buy things that you don't want when you get old.

Correct this sentence: "I don't care if Uncle Bill is a rich old bachelor," said the wife; "I wish the old fossil wouldn't visit us."

Where ignorance is bliss, don't ask what's in the hash.

## Attractive Hats --a mark of taste!

Unusual interest being shown in the Early Spring Modes.

Bright colored hats, metal fabric hats, hats of imported visca and hair cloth, Turban and medium shapes are the most popular for all 'round wear.

Priced 7.50 to 25

Better form the habit of stopping here for supper, between 5:00 and 5:30—it's worth cultivating.
