DEAN SCIPIO WRITES FROM CONSTANTINOPLE

Former Nebraska Student Now Head of Engineering Department of Robert's College.

Dean L. A. Scipio, former Nebraska student, new of the engineering division of Robert's College, Constantinople, recently sent a Christmas greeting letter to Professor C. E. Mickey of the College of Engineering. Conditions in Turkey are much more aggravated than they were during the war, Mr. Scipio states in his letter. He spoke highly of the efficient and worthy work of the Near East Relief, without which many lives would be unbearable. In spite of the many agencies working to relieve distress, Mr. Scipio said that it depressed him to have to walk down the street of Constantinople.

At the time he wrote to Professor Mickey, Mr. Scipio was acting as president of the college, the regular president having gone to the Lausanne conference. Mr. Scipio asked to be remembered to his friends in the University and in the city.

A high-brow evening isn't so bad if you can leave early and go some place to have a good time.

About the only difference is that a hen-pecked husband takes more careful aim at the ash tray.

It's fair enough. The laundry fills your shirts with pins to take the place of the buttons it keeps.

New Blossoms at State Exhibit of Nebraska Florists

The annual convention of the Nebraska florists' association opened in Omaha Wednesday. President C. H. Green, who is also mayor of Fremont, called the convention to order. Large floral displays are on exhibition. Among them is an exhibit of a new rose called the "Annie Laurie" rose, a flower with a deeper pink color that gradually fades into a tinge of gold at the base of each petal. Frey and Frey of Lincoln have on exhibit a new fragrant violet which is attracting much attention. President Green declared that flowers are from ten to twenty per cent cheaper than they were in 1920. Speakers at the afternoon session were J. W. Lawson, Central City; J. J. Hess, Omaha; Dick Howard, Scottsbluff; C. H. Frey, Lincoln; John Both, Omaha; Mr. Herman, Council Bluffs, Ia., and Ed Williams of Grand Island. —The Lincoln Star.

GAMMA LAMBDA HOLDS ELECTION OF OFFICERS

Band Fraternity Choose New Officers for Coming Semester—Edwards Is President.

At a meeting of Alpha Chapter of Gamma Lambda, band fraternity, held Wednesday night the following officers were elected for the coming semester.

President—Boyd C. Edwards. Vice President—Sam Seely. Secretary-Treasurer—Neil McDowell.

The retiring officers were Burford B. Gage, president; Irvin Weiler, vice president, and Grove Bixby, secretary treasurer.

Gamma Lambda is one of the few national band organizations in the United States. It was started at Nebraska in 1912, but not nationalized until 1920. At present it is sponsor-

ing a spring trip for the University band over southeastern Nebraska, and later will give occasional concerts in Lincoln and on the University campus.

Mild pleasures and palaces though we may roam, we get good biscuits only at home.

That California man who shot a cow while in quest of deer meat found it dear meat.

Only five more months until we can begin to wonder, what's the matter with Babe Ruth.

You Need Pep

For Next Weeks Examinations

Now aside from "hooch," which really would be frowned on by the faculty, and is only temporary in its effect anyway, there is only one thing that will put you in fine condition—"Up and coming"—Proud of yourself—and make good first impressions for you every day—and that is "GOOD CLOTHES."

Right now that "Up and coming" feeling can be purchased very economically. All our fine Hart, Schaffner and Marx Suits and Overcoats have been reduced to the lowest price in years.

If you are wise you will provide yourself with this sure remedy for that scared feeling. Try it and see.
