

HUSKERS WIN SECOND AT K. C. A. C. MEET

HUSKERS WIN SECOND PLACE IN K. C. MEET

Noble and Lloyd Make Fast Time in Fifty-yard Dash—Make the Dash in 5 2-5 Seconds.

GARDNER BREAKS RECORD

Nebraska Distance Runner Cuts Time off M. V. Record—World's High Mark Shattered.

Nebraska's track team opened the season in a rather auspicious manner last Saturday night at Kansas City when they won second place in the K. C. A. C. indoor meet with 17 points. The Kansas University track team captured first honors with 182-3 points.

The record-breaking performance of Maurice Gardner, Husker star, in the open half-mile run was the sensation of the meet. Gardner, running the 880 yards in 2:01 1-5, broke the K. C. A. C. record and the Missouri Valley record in this event. For the first two laps, Gardner had things his own way, but beginning with the third lap, Moulder, a Missouri Freshman and a state champion, threatened Gardner's lead. The Tiger tried to pass Gardner five times, but failed each time. On the home stretch, Gardner lengthened his lead, and finished twelve or fourteen yards ahead of his Tiger competitor. The thrills which this race provided brought the crowd to its feet time and again.

The performance of Lloyd and Noble, Husker speed wizards, who won first and second honors in the fifty-yard dash, was a feature of the meet. The pair of Cornhusker flashes negotiated the distance in 5 2-5 seconds.

Allen, the Omaha Medic runner, was boxed in the 600-yard run, but managed to take third place. The world's record for the indoor pole vault was broken at the Kansas City meet, one of the pole vaulting artists clearing the cross-bar at 12 feet, 10 inches, whereas the former record was 12 feet, nine inches.

TOO EASY A TRIUMPH
Anthony—You do believe me, dearest, when I tell you that you are the only girl I ever loved. Don't you?
Adele—Oh, yes. But that's not nearly so thrilling as it would be to know that I'd actually stolen you from some other girls.—"Topics of the Day" Films.

Iowa State Offers Twelve Scholarships

Twelve scholarships for research in highway engineering are offered by Iowa State College at Ames for the twelve weeks' summer session of 1923. The scholarships carry a stipend of \$175 and remission of laboratory fees. Students applying should be qualified to assist in the regular research work in the Engineering Experiment Station there. Applications may be secured of the Dean of the Graduate College, Ames, Iowa, and should be filed with him.

ANNUAL GREEK TRACK TOURNEY STARTS TODAY

Inter-fraternity Meet Begins on Boards with 440-yard Dash and 12-pound Shotput.

DELTA WIN LAST MEET

Keen Competition Predicted in All Events—Large Number of Frats Hand in Names.

The inter-fraternity track meet on the boards, which is Coach Schulte's latest innovation in Cornhusker track, will begin this afternoon at 3:15, when the first heat in the 440-yard dash and the 12-pound shot will be staged. The various "frats" have almost completed handing in their registration blanks, and indications point to a very successful tourney on the boards. The fourteen track and field events of the meet are divided so that one track and one field event shall be held each day. The meet will be finished next Tuesday, February 27, and the winner of the skin trophy will not be determined until then.

Delta Tau Delta, winners of the outdoor Greek track meet last year, will have a strong team in the field, and are planning on copping the honors. A number of the other fraternities have numbers of budding track stars, and aspire to the first place in the meet. Results of the tourney will be announced each day in the Daily Nebraskan sport column.

Students Hear Jones at Round Table Talk

Mr. Will Owen Jones, editor of the State Journal, delivered an interesting talk on "Success, the Easiest Thing," in a round table discussion Sunday night at the First Congregational Endeavor Society. Every student present seemed to be interested in success, to judge from the close attention and the interest shown.

Mr. Jones asserted that the easiest thing to do was to succeed, not only after the success is won but in the winning of it. There is no secret about the method; it is as plain as the best marked Nebraska highway, said Mr. Jones requires just two things, industry and honesty, and any man who sincerely does them both is sure to succeed. Industry, he said, includes not only a willingness to work hard and long, but the ability also to stay by a poor job until it finally works through. It includes a willing acceptance of responsibility, and a readiness to meet any opportunity that may appear.

Honesty, he went on, is absolutely essential to any real success. As soon as a community or a company finds that it can depend absolutely upon a man it is going to trust him into every available place that needs real dependability. "Society always overpays honesty and thrift, because it needs them both so badly that it is willing to pay almost any price to get them." Industry and honesty may not always seem easy but are always easier both in the long run and immediately, than neglect on the slightest trace of dishonesty, he said. This was the first of a series of discussions which the society has arranged to have given by eminent men of the state. All students and their friends are invited to attend these discussions.

POLLS OPEN TODAY FOR ELECTION OF CLASS OFFICERS

(Continued from Page 1)
the position. Sperry is a member of Phi Kappa Psi, and has worked on the staffs of the Daily Nebraskan and the Awgwan. Eastabrooks is a member of Alpha Tau Omega, the

Corncocks, and the staff of the Cornhusker.

Leo Black, who is running for sophomore member of the Publication Board, is a member of Kappa Sigma and Green Gobblins. He has no competition.

John Welpton, the only candidate for the presidency of the freshman class, is affiliated with Sigma Chi.

DEVINE WINS WHEN BADGER GRID FANS BALLOT FOR COACH

Aubrey Devine, all-American quarterback and former captain of Iowa's 1921 western champion team, is being talked of by Badger fans as a likely possibility for the position of head football coach at the University
