

DELTS HOLD LEAD AS MEET NEARS FINALS

DELTS LEAD AS TRACK TOURNEY NEARS FINALS

Mid-winter Meet Ends Today with But a Few More Events to Be Reeled Off.

MANY ATHLETES SCORE

Sig Eps Hold Second Place with Acacias Pushing Forward—Fast Time Made in 660.

With but two events of the interfraternity board track meet yet to be held, the Delts are over a thousand points in the lead, with the Sig Eps hanging on to second place with a bare 200 point lead over the Acacias in third place. The two remaining events, the twelve-pound shot and the 880-yard run, will be held this afternoon, and the most successful intramural track meet ever staged at the

University, a tourney in which 175 athletes have scored points, and many more competed, will have come to an end.

By clearing the bar at eleven feet in the pole vault, Duke Gleason of the Delts copped first honors in this event, and scoring 1000 tallies. Wier, Wirsig, and Rhodes, all freshmen, tied for second place in the pole vault.

The fastest time in the 660-yard run, the track event held on Monday, was made by Hartman of the Farm House, who completed the four and one half laps of the board track in 1:32.4. Haskell of the Alpha Sigs was second with a mark of 1:33.1.

Tryouts for the track team which will make the trip to the Illinois relays Saturday will be held this afternoon at 3 o'clock. The University band has promised to be on hand for the closing of the Greek meet today.

Fischer, Lear, Slemmons, and Kenner of the Omaha Medics were down yesterday and worked out on the board track. Of this quartet Lear and Kenner run the hurdles, and are fast rounding into mid-season form. Lear especially, seemed to be in fine shape. Fischer, letter man, who ran the distance events last year, just got out of the hospital a week ago, and is not yet in first-class condition. Ted Slemmons, another letter man, ran the half mile yesterday, and appeared to be in good shape.

A Nebraska board track record was broken last Saturday morning in a Varsity quarter-mile tryout, when Ted Smith and Trexler ran the 440 in 54 seconds. The former record for the Nebraska boards was 54 2-5 seconds.

The standings follow:

A new fad—and by the way, this one won't touch that worn pocket-book of the Minute Men of the style world—is popular in the western schools. As was previously mentioned, the cost will be especially slight for those who wear the bell buttoned corduroy trousers. In fact, it will be a savings to some, for already the first possessors of these unique articles of wearing apparel, are laying them aside.

By merely whitewashing the corduroys, each will have a pair of the new fangled "memo book" pants. Friends inscribe their names in un-fading ink and soon the popular persons will have enough signatures to cover the entire trouser leg. And to carry out the idea of the "memo book," they will probably start pasting dancing programs and such on the corduroys. Then when school days are over and these persons begin to settle down, why wouldn't it be all right to tack the trousers over the fireplace in their dens to bring back reminiscences of K. S. A. C.?

Norman, Okla.—Students in the school of journalism at the University of Oklahoma are operating a daily newspaper that is a success not only editorially but financially, having saved sufficient funds to make the first payment on an \$8,000 duplex printing press.

The Oklahoma Daily not only pays salaries to all staff members, but during the last few years has purchased

a quantity of office and mechanical equipment.

IN THE COLLEGE WORLD.

"Don't send me posies" is the cry of the University of Oregon Pan-Hellenic Council, and the campus is agog whether or not the Oregonian means to follow it up with a plea for shosies is not laid bare, but the women say that the men are put to an unnecessary expense, and that the prevailing styles do not favor corsages anyhow. The opposition plays up the thrill which comes only from opening a box of flowers, and say that the nosegays add a touch of color to the most drab party. No settlement has been made, but the men are dumbly hopeful.

Ain't It the Truth?

Bertha—"Would you love me any better if I had a million dollars?"
Cooper—Certainly not. I'd be thinking so much about the million I'd hardly think of you at all."

Jasper (with air of puzzlement)—

What would you do if you were in my shoes?
Bubbs—(bluntly)—Get 'em shined.
—Topsis of Day.

SAY:-

We have made a purchase of 500 Illinois Watches, 12 size, 17 jewels, thin model, green gold, engraved cases. They will run within 20 seconds a week. This watch will last a life time as it is a full jeweled movement. A beautiful time piece indeed, one that will be admired by your friends and you will be reminded daily of its accurate time keeping ability. Its not the large heavy bulky kind, but instead is just right for the college student who likes a fancy piece of mechanism combining utility and beauty. We sold two hundred last week and we are repeating this week. They may be had on a very convenient credit basis, with only a small payment down. Credit is a courtesy here. Not a necessary evil.
