**HUSKER MAT MEN MEET HAWKEYES AT IOWA CITY**

Ames Team Tied with Ohio and Indiana for First Place in the Conference Standings.

**NEBRASKA IN FIFTH PLACE**

Iowans Have High Hopes of Staving Nebraska Crew Off in Last Match of Year.

Husker wrestlers meet the Hawkeye matmen tonight at Iowa City. Coach Howard's team has an even break on the win-lose idea. Iowa has lost one game—to Illinois; Nebraska has lost to Ames.

Nebraska has two men on the team who have not been beaten this year, Iowa has one. The Nebraska men are Captain Trautman, 175 pounder, and Renner, heavyweight. The Iowa man is Pfeifer who is in the 115-pound class. Both Iowa and Nebraska have new men in the three middle weights while the other members of the teams are veterans.

Renner will go up against Heldt who is one of Iowa's strongest men. Troutman will meet James who is also reputed to be a strong man. Heldt has a weight advantage over Renner, but the speed and strength of the Cornhusker should count heavily in the match.

The Nebraska lineup for the Iowa City meet is as follows:  
Probst, 115; Kellogg, 125; Inman, 135; Pickwell, 145; Reed, 158; Troutman, captain, 175; Renner, heavy.

The big upset in Western Intercollegiate circles this week was the defeat of the Iowa University squad by Illinois, and the trouncing of Wisconsin by Chicago. Ames, Ohio, and Indiana are still heading the list. Ames has the best record in points scored and scored against. Indiana and Ohio will meet this week. Neither team has met with defeat in Western Intercollegiate conference.

Nebraska jumped from seventh to fifth place. The match with Iowa is the last one of the season, and if the team defeats Iowa, it will go up another notch.

The Western Intercollegiate Wrestling Association standings follow:

	Won	Lost	Per
Ames	4	0	1.000
Ohio State	4	0	1.000
Indiana	3	0	1.000
Iowa University	3	1	.750
Nebraska	2	1	.667
Illinois	4	2	.667
Wisconsin	2	2	.500
Chicago	2	3	.400
Purdue	1	3	.250
Michigan Aggies	0	2	.000
Minnesota	0	4	.000
Northwestern	0	7	.000

**Luehring Is "Fan" for Outdoor Life**

Fred W. Luehring, director of athletics at the University of Minnesota, who was formerly director of athletics at Nebraska is taking advantage of the opportunities offered by the cold season to push winter sports and is drawing up a program of outdoor sports for the summer time as well.

Following his service on the general committee in charge of the National Ski tournament early last month, Mr. Luehring has been devoting himself to the development of an outing club at the University of Minnesota, now named the Gopher Outing club. Its first outdoor tournament, with events at Glenwood park, on the university campus and in the Hippodrome at the state fair grounds, was conducted last week. Events included snowshoe and ski races, a dog derby, tug of war on skates, skating races, stunt skating, women's hockey championship match, interfraternity hockey matches and several fancy skating competitions.

In response to a questionnaire that asked which winter sport the students took and interest in, Mr. Luehring has learned that the men students are interested as participants in an average of three or four outdoor sports apiece. The first 500 answers contained designations of 1868 sports in which students were interested, as follows:

Hiking	264
Canoeing	305
Fancy skating	39
Snowshoeing	53
Tobogganing	229
Skating	138
Ski-joring	33
Curling	37
Ice boating	117
Bob sledding	112
Total	1868

Mr. Luehring expressed particular satisfaction that canoeing and rowing, sports exactly suited to outdoor Minnesota, for which also there are fine facilities near the University of Minnesota, should have been specified by so many.

In order to establish permanent memorial scholarships in memory of those representatives of the University who gave their lives in France during the great war as members of the American Field Service Ambulance corps it was decided at the meeting of the executive committee last night to appoint committees to take charge of a drive to be conducted in the University in the near future.

At the close of the war \$600,000 was left over from the amount raised to outfit this branch of the army by private subscription and this was turned into a sinking fund. The interest on which was to be used for fellowships for University graduates in this country to French universities.

The present drive is for the purpose of augmenting this sum so that there will be sufficient money to establish a memorial fellowship for every man of the old volunteer ambulance sections who gave his life in

the service.—University of California. A proposed honor system for the students of the University of Colorado may be brought about as a re-

sult of an investigation started by the Boosters Club this week. Prof. George H. Light of the Department of Mathematics, suggested to the Boost-

ers at their meeting Tuesday afternoon that the club undertake to inquire into the possibility of the adoption of such a system at the Uni-

**Spring Dresses**  
*show foreign inspiration*

Beautiful Dresses of bold printed fabrics and Paisley effects prevail for Spring wear.

Priced **29<sup>75</sup>** to **75<sup>00</sup>**

Lovely combinations of materials and colors make our assortment of the new dresses unusually interesting. Every girl will want one of the "newest" for Spring Parties. Satin faced Canton, Tricosham, Crepe Cairo, Crepe Madria, Frost Crepe, Faille, Crepe Romaine, Taffeta, Az-u-wer, etc.

There's nothing like a few minutes' rest and delicious refreshments for that "tired feeling" on a Spring afternoon.
