**HUSKERS WILL GO WEST APRIL 7 TO MEET CALIFORNIA**

**Coach Schulte Will Take Twenty Men on Trip to Meet Bears at Berkeley This Spring**

**ALSO MEET NEW MEXICO**

**Intensive Training Begun in Preparing for Major Track Event—to Elect Captain This Week.**

A dual track meet between University of Nebraska and the University of California is practically assured. Negotiations for a meet with the University of California have been under way for some time, and the two schools have now come to terms, with only the formality of a signed contract yet to be completed. The meet will be held April 7 at Berkeley, and will be the main event of the University Day athletic program, an annual carnival affair at the Bear institution.

Coach Henry F. "Indian" Schulte will take twenty tracksters on the trip to the coast, which will immediately follow the Missouri Valley championship indoor meet at Kansas City March 23 and 24. After the conference meet at Kansas City, the Husker track men will leave for California by way of New Mexico and Arizona. A meet of minor importance will be held with the University of New Mexico on the way to the coast, in order to break the monotony of the long trip. A meet with the University of Arizona at Albuquerque was considered, but was dropped some time ago.

A meet with the Nebraska team while it was on the coast was sought by Occidental College in Southern California, but the Nebraska authorities did not schedule the meet because of objections raised by the University of California.

Intensive training in preparation for the California meet will be begun

 Shows start 2:20 and 2:30 p. m.  
**NO ADMISSION DURING THE FIRST ACT**

in the Husker track camp by Coach Schulte. With but a bare two weeks remaining before the Valley championship indoor meet, and unfavorable weather conditions prevailing, Coach Schulte, who is still weak from an operation last week, has a difficult task to round the Husker athletes into condition for the Valley meet and the California meet two weeks later. Tryouts for berths on the team will be held Saturday.

The limiting of the number of athletes to make the coast trip to twenty will force Coach Schulte to double up his men in the different events, and only to take those athletes who perform in two or more events. The Husker team, which is fairly strong in the track events, is relatively weak in the field events, and it is to develop strength in these events that Coach Schulte is expected to direct strenuous efforts.

The athletes of the Nebraska School of Medicine, under the direction of Coach Harry Trexler, are fast rounding into form, and it is expected that several of the Medics will make the trip to the coast. Lear, high hurdler; Kenner, low hurdler and broad jumper; Ted Stemmmons, two-miler, and Fischer, miler and two-miler, are Medics who were down for the tryout last Saturday, but appeared to be in good shape. Alen, star miler, was down Monday, but did not tryout. He reported that Davidson, quarter-miler last year, is in fine fettle and will be down before the week is over.

The election of a captain to take the place of Kenneth Hawkins, captain-elect, who did not return to school this year, will probably be held some time this week.

**Sport Afterglow.**

When the Omaha Tech cagesters took the floor and began to find the basket without looking at it the Hastings crew felt sick and decided that there was something uncanny about the manner in which the lads from the metropolis dropped the ball through the hoop. Some one suggested that maybe there was a piece of iron in the ball and a little magnetic attraction at times on the hoop. However the Tech team must be given credit for winning a real game and winning the state title without a flaw.

Jim Thorpe, the greatest football player of all times is looking for a job. Last year he was offered one in Dallas Texas as a coach and he refused it. This year he tried to get the job but failed.

In their twentieth annual track meet, the Kansas crew galloped away from the Missouri aggregation with a score of 43 to 21. K. U. seems to be stepping right out in the track world. She nosed Nebraska out recently in the indoor meet at Kansas City.
