TRACK TEAM IS IN TRAINING ON WESTERN COAST

K. U. WINS INDOOR MEET

Noble Captures Honors in Cactus State Victory—Five Huskers Win Letters on This Trip.

The University of Nebraska track team, which left on an extended trip to the South and Coast March 23, won second place in the valley championship indoor meet at Kansas City March 24, and overwhelmed the New Mexico track team, 107 to 15, in a dual meet. The twenty tracksters lay, where they are resting and training in preparation for the big meet Saturday with the University of California. American Intercollegiate champions for the past two years. The Missouri Valley indoor meet was won by Kansas University, 1922 champions, who rolled up a total of thirty-nine points. The Huskers were second with thirty points, while the Kansas Aggies copped third with 16½ points. Three valley indoor records

were broken by the Nebraska athletes at the Kansas City meet, and the Huskers presented the best-balanced team, as well as showing the most fighting spirit.

Keith Lloyd, Beatrice lad, set a new mark for the conference and equaled the world's record in the fifty yard dash when he covered the distance in 5-2-5 seconds. Dave Noble, another Husker star, was a close second in the fifty yard dash.

Captain Ed Allen, Omaha Medic, captured the mile run in 5:29, won the mile run, and set a new valley record in this event. Allen later took third in the two-mile.

"Joie Ray" Gardner, running the half-mile, lowered his own record, the valley mark in the 880-yard run, when he covered the distance in 2 minutes and 45 seconds. "Hobb" Turner, clearing the bar at 6 feet and 3-4 inches in the high jump, took third place in that event, and set a new Nebraska record in the event.

Nebraska won second place in the relay, the Jayhawk team winning that event. Ted Smith copped fourth honors in the open quarter. Hartman of Nebraska took third place in the shotput, and Parks, another Husker, annexed fourth honors in the shot. Gleason tied with Hope of the Kansas Aggies, each clearing the bar at 11 feet.

The Huskers were under a serious handicap in the Missouri Valley meet. Due to the sickness of Ted Slemmons, the Scarlet and Cream had to enter the mile relay with a patched team. Lukens, star Husker hurdler, pulled a muscle, and was unable to run in the hurdles. Lear and Kenner, Omaha Medic, had hard luck in the hurdles and failed to qualify.

Five Huskers won their letters in the valley meet. Dave Noble, Howard Turner, "Slim Parks, Monroe Gleason, and Sed Hartman made their letters. Captain Allen, Maurice Layton, Maurice Gardner, Ted Smith and Keith Lloyd had previously made their letters at the Illinois relays.

The Albuquerque Victory
The New Mexico meet at Albuquerque was more or less of a runaway for the Huskers, the Scarlet and Cream tracksters taking first in every event. Dave Noble, 220-pound gridiron star, won the individual honors of the meet, when he scored four firsts. Noble won the century dash, the 220-yard dash, the shotput and the discus throw. The final score of the meet was Nebraska 107, New Mexico 15.

In the mile run, Allen and Slemmons, Omaha Medic, tied for first place, while Cohen, another Husker, was third. The two-mile run was not

held. Lloyd, Husker sprinter, won first place in the broad jump with a mark of 21 feet, 7 inches. Lloyd also took second in the 100-yard dash and the two-twenty. Trexler won the quarter, Gardner the half mile, Lear the high hurdles, Crites the low hurdles, Gleason the pole-vault, Hartman the javelin, and Turner, the high jump. Nebraska also won the relay.

The tracksters visited the Catalina Islands in glass-bottomed boats. Several of the athletes became sea sick during the boat ride, and as a result the team went to Berkeley by rail instead of by boat as originally planned. The tracksters will work out daily at Berkeley until Saturday, when the dual meet with California is held as the feature event of the University Athletic Day program.
