PLANS STARTED FOR BREAKING OF STADIUM GROUND

Thursday, April 26 Is Date Set for Formal Exercises—Program Announced Later.

TO LET CONTRACT SOON

Committee Expects to Make This Most Impressive Ceremony of Year—Band Will Play.

The formal exercises for the breaking of the ground for the Nebraska Stadium, which is to be built this summer and next fall, will take place Thursday morning, April 26, at 11 o'clock on the present site of the new structure. Secretary Harold Holtz of the Alumni Association is working in connection with a committee from the Innocents Society, planning a program in keeping with this event.

The contract for the grading and building of the Stadium will be let sometime next week and work will start immediately following the exercises. The committee in charge expect to make this one of the most impressive ceremonies, next to the dedicating of the Stadium next fall, ever held in the history of the University.

The University "N" Club and the Women's Athletic Association will hold an important place on the program in carrying out the exercises. Dr. Condra will take motion pictures of the ceremonies, which will be shown all over the state and in the high schools in connection with the "Go to College Week," which is going to be carried out in the various high schools over the state this spring.

The University Cadet Band will furnish music for the occasion and it is expected that a large delegation of Omaha alumni will be in attendance. The tentative program has been outlined and will be announced in a few days. Plans now call for one or two speeches by prominent men of the state who have always fostered a great interest in the University and have retained their relations with the institution in one way or another since their graduation.

Letters to graduates and the regents of the University are being mailed urging them to attend the exercises and the entire student body will have a chance to take part when the "Cornhusker" and "Chant" are called for. It is expected that Chancellor Avery will direct the plow when the first turning of the ground will take place. Complete plans for the event will be announced in a few days.

NEBRASKA TENNIS

SQUAD SCHEDULES

TWO DUAL MEETS

The University of Nebraska tennis team will probably participate in two dual meets this year in addition to the annual Missouri Valley tournament. Tentative drafts of the Cornhusker racquet schedule include meets with Ames and the Kansas Aggies.

An inter-college meet will be held April 23, 24, 25. The inter-class meet is booked for April 30 and May 1, while the inter-fraternity tournament will be held the following week.

The annual university spring tournament will be held on the Nebraska courts the week starting May 14.

OMAHA BOWLERS

HIT FANCY MARK

The H. F. Cady Lumber Co. quintet, which won the state bowling championship at Lincoln last week, rolled a score of 3,043 in a match game with the Wolbach Clothiers of Grand Island on local alleys. The Cady's first game totaled 1,091 pins, each man rolling above the 200 mark. Kennedy was high for the series with 649. The Wolbachs rolled 2,747.

The Pete Lochs defeated the Grand Island pin artists, 3,020 to 2,630. Eidsen of the Lochs was high with 658.—The Lincoln Star.

Among the notables to attend the Theta Sigma Phi convention at Norman, Oklahoma, are Mary Roberts Rinehart, Dorothy Dix, Zama Gale, William Allen White, Fannie Hurst, Dr. Frank Crane, Mary King, and Mrs. Frederick Van Rensselaer Dey of New York.

Lutheran Students to Hold Rally and Banquet Saturday

All Lutheran students and friends at the University are invited to a rally at the Elks Club next Saturday evening at 6:15 o'clock. Arthur Lof and Frederica Lau, who represented the Nebraska Lutheran Club at the National Lutheran Student Convention in Rock Island, Illinois last week will report on that meeting. All the leading universities and colleges of our country having Lutheran students were represented at this convention.

Professor J. T. Link of Seward, a graduate student at this University, will speak on some topic of national interest. Reservations should be made early with Frederica Lau, Hulda Lonnquist, Esther Carlson, Gunnard Grahn, Fred Wehmer, and Arthur Lof, or with any member of the Lutheran Club which is sponsoring the banquet.

PROFESSOR BARBOUR SPEAKS TO CHEMISTS

"Fossils in Nebraska" Will Be Subject for Discussion—Alpha Chi Sigma in Charge.

"Fossils in Nebraska" by Dr. E. H. Barbour of the Geology department, will be the next lecture of the series on popular chemistry which is being sponsored by Alpha Chi Sigma. It will be held in the general lecture room of the Chemistry building at 5 o'clock on Thursday, April 19. The lecture is open to the public.

Alpha Chi Sigma has conducted weekly meetings on this subject during the year. Dr. Barbour has been preceded by Dr. G. D. Swezey who spoke on "Astronomy as Related to Chemistry" on April 4, and Dr. Anderson whose subject was "Absorption Phenomena" on March 20.

The society has scheduled two more lectures for this year. Dr. H. P. Deming will be the next speaker. He will illustrate his lecture on "The Structure of the Atom," with moving picture slides. "The i-Ray" will be discussed by Dr. Marvin, chairman of the Physics department, at a later date. His talk is to cover the applications of the Roentgen-rays to surgery, chemical analysis, and every day life.

TELEGRAPHIC MEET WON BY BROKEN BOW

Fast Time Made in First Annual Competition—Winners Go to Kansas Relays Saturday.

In the first annual telegraphic Nebraska high school relays, which were held last week on the home courses, the Broken Bow team won the free trip to the Kansas Relays offered by "Red" Long of the College Book Store. Their team won first place in the mile relay, the medley relay, and second place in the half-mile relay. Minature, a town near Scottsbluff, copped first honors in the half-mile relay.

In the 880-yard relay, the Minature team, coached by J. H. Ray, won first place in 1:35.1, which is very good time for high school relay teams. The team was composed of the following men: Greenwood, McDaniels, Burns, Holck, Broken Bow was second, Tecumseh third, McCook fourth, and Gothenburg fifth.

The Broken Bow relay team, composed of Brown, Beck, Forsythe, and Hemman, captured first honors in the mile relay in the fast time of 3:39.2. The Broken Bow team is coached by Tom Car. Hastings finished second, Bloomfield third, McCook fourth, and Lincoln fifth.

Again in the medley relay the Broken Bow team took first place, the Custer County lads covering the distance in 3:43. The McCook team was second, Hastings finished third, and Bloomfield copped fourth place, Milford was fifth.

While the Broken Bow team is the only high school to have its expenses paid to the Kansas Relays, which is the prize offered by "Red" Long, Coach Schulte has entered the following other teams in the Kansas classic because of their fine showing: Hastings, McCook, Tecumseh, and Minature.

The Board consists of five members from the senior class, four from the junior, and three from the sophomore. From these twelve members, the president and the vice president are chosen from the graduating class, the secretary and treasurer from the junior and sophomore classes respectively.

These girls will take office immediately, and will continue in their new work through the remainder of the school year.

Coach Frank Gets Fractured Cheek-Bone in Scrimmage

Coach Owen Frank sustained a fractured cheekbone Monday afternoon when scrimmaging with the football squad. Coach Frank was carrying the ball and one of the ends failed to interpret the signals as they were called and collided with him.

The fracture occurred below the right eye. He was taken to the Lincoln Sanitarium and will not be able to report for practice for a few days.

NELIGH DEFEATS ORCHARD SQUAD

Neligh, Neb.—In the first high school baseball game of the season, Neligh defeated Orchard high by a 5 to 3 margin.

The game was exciting from start to finish. In the tenth inning with two out and a runner on first, Peterson of the locals hit for a home run.—The Lincoln Star.

Olympic Committee Arousing Interest All Over the World for 1924 Games

The International Olympic Committee's slogan of "All Sports for All" is taking root in nations throughout the world as a fundamental principle in the development of competitive athletics. Count Henry de Baillet Latour of Belgium, vice president of the committee, declared yesterday in a statement to The Associated Press.

Count Latour is in New York on his way back to Europe after an eight months' tour of South and Central America in the interests, he said, of the "Olympic idea" and on an official mission designed to encourage athletic development and lift competition to a higher plane of sportsmanship in Latin America. By this method of rousing more widespread interest he said, the International Committee looks forward to the Paris Olympics in 1924 as the most successful meet in its history.

Count Latour spent some time in Brazil, Argentina, Chile, Paraguay and Uruguay, besides visiting Mexico

Pharmacy Edition of Nebraskan Will Be Issued Thursday

The Thursday issue of The Daily Nebraskan will be the Pharmacy Edition, and will be given over in large part to the activities in the College of Pharmacy, especially during this week, which is the officially designated Pharmacy Week.

Like all other colleges on the campus, the students in the Pharmacy College, each year, celebrate for one week, Pharmacy Night, which this year falls on Thursday, April 19, will be an occasion on which the students, faculty, and people of Lincoln will be able to see the work which is carried on by the students in this particular unit of the University.

The week begins Wednesday, April 18, with a Convocation at 11 o'clock, and continues until Saturday night, winding up with a banquet for all students in the College.

SILVER SERPENTS TO SPONSOR BIG CIRCUS

Annual Fun-fest Will Be Held at Armory Saturday Afternoon from 2 to 5 O'clock.

Silver Serpent, junior girls' organization, will sponsor their traditional Silver Serpent Circus at the Armory, Saturday, April 21, from 2 to 5. Contrary to past custom, the circus will be for all University girls, instead of just for the girls of the sophomore class.

Three rings, a parade, and a row of side shows, including a bearded lady and Siamese twins, will be featured. Innumerable clowns and a real chariot race will add excitement to the performance, according to those in charge. There will also be peanuts, pop, and ice cream cones for sale. Three skilled clairvoyants will be there to delve into the dark recesses of the past as well as to look into the dim future. An orchestra will play for dancing.

A small fee which will admit the visitors to the main circus will be charged. The aim, according to one of the committee, is "to rival the girls' Cornhusker party in pep and ingenuity."

O. J. Fee Will Be First Speaker for Teachers' Lectures

The first number of the Teachers' College Lecture Course which is to be given by O. J. Fee will be held Wednesday morning in the Temple Theatre at 10 o'clock instead of on Thursday, as previously reported.

The series will be given under the auspices of the College, and Dean W. E. Sealock will preside.

Acomas fraternity, local organization at Lawrence, Kansas, has been granted a charter of Sigma Phi Epsilon. The chapter is to be installed April 27.

Baltimore, Md.—Mrs. Mary Howard Lloyd, granddaughter of Francis Scott Key, author of "The Star Spangled Banner," died here Monday, aged 92 years.

RESERVED TICKETS GO ON SALE MONDAY NOON FOR KOSMET SHOW

Plans Are Well Under Way for Presentation of "The Yellow Lantern" in Omaha Soon After It Is Put on Here—First Time Show Has Gone Outside of Lincoln.

MAY 4 IS CLOSED NIGHT BY ORDER OF COMMITTEE

There Will Be No Advance of Tickets to Anyone—Members of Klub Are Considering Putting on Play for Afternoon Performance if Ticket Sale Will Warrant It.

KU KLUX KLAN SUBJECT AT VESPERS YESTERDAY

Reverend Walter Riley Says Organization Is un-Christian and un-American.

Reverend Walter H. Riley, Congregational student pastor, spoke at the regular Y. W. C. A. Vesper services yesterday afternoon on the subject "The Ku Klux Klan is Fundamentally Un-Christian and Un-American." The meeting was led by Gertrude Tomson and Sylvia Cole gave as a vocal solo one of Lieurance's compositions. Pamphlets left by the Ku Klux Klan were distributed at the beginning of the service.

Being himself a southerner, Rev. Riley was able to explain his point of view on the Klan very vividly. "The Ku Klux Klan is concerned with smashing the negroes, it opposes the Jews and Catholics. Joking and laughing over its caprices is the best thing. Americans have a tendency to laugh off difficulties. The Ku Klux Klan is partly a disease and partly a symptom of a disease. After the war the Ku Klux Klan changed its hatred from the Germans to other lines. It is a symptom of after-war hysteria. It is organized intolerance.

"The Ku Klux Klan is un-American because it works in secret. Americanism is a daylight affair. The fundamental basis of any democracy is the civilization brought by that race which can most advance it. We violate this democracy when we refuse to give the black man a chance. Everyone is entitled to demand his chance.

"The Ku Klux Klan is unchristian because it does not believe in the doctrine of brotherhood. It is the obligation of the Christian American not to put his foot on the neck of the other races. The Klan violates the doctrines and law of God. The Ku Klux Klan is fundamentally un-American and unchristian."

HUSKERS ARE SECOND IN VALLEY RATINGS

Baseball Squad Tied with Washington and Ames for Honors—Oklahoma Stands First.

The second round of the Missouri Valley baseball contest last week resulted in Oklahoma, with six consecutive victories to its credit continuing to hold first place. By winning twice from Missouri, Nebraska tied for second place with Washington and Ames.

Games this week include Nebraska vs. Washington at St. Louis; Kansas Aggies vs. Missouri at Columbia, and Kansas vs. Ames at Ames.

Standings at present are:

	Won	Lost	Pct.
Oklahoma	6	0	1.000
Nebraska	2	2	.500
Washington	1	1	.500
Ames	1	1	.500
Missouri	1	1	.250
Kansas Aggies	0	2	.000
Kansas	0	0	.000

Women Secretaries to Spend Sunday as Guests of Lincoln

Women secretaries from three churches will be here over Sunday: Miss Agnes Hall, Episcopal secretary; Miss Margaret Lewis, Presbyterian secretary, and Miss Frances Greenough, Baptist secretary. Miss Agnes Hall will speak at the Temple Sunday afternoon. Miss Greenough and Miss Hall are former Y. W. C. A. secretaries.

A new University Library at the University of Minnesota is to be ready for interior finishing June 1.

Reserved tickets for the Kosmet Klub play, "The Yellow Lantern" to be given at the Orpheum Theatre Friday, May 4, will go on sale at the Orpheum box office Monday noon at 12 o'clock, April 23. No advance tickets will be sold by the members of the Klub and absolutely no tickets will be reserved in advance of the line according to the play committee. This means that every ticket for the show will be in the Orpheum box office at 12 noon Monday and that the first in line has complete choice of the house.

The night of the show May 4 has been closed by the committee on student organizations for the Kosmet Klub play.

According to present indications the May 4 tickets will be gobbled up in a hurry. Klub members have received many oral and mail inquiries as to the date of the ticket sale. In case the first night is sold out the Klub may consider an afternoon performance it was stated by the president but no arrangements to that effect will be made at present.

"The Yellow Lantern" is a musical extravaganza in three acts written, directed and acted by members of the Nebraska University student body with absolutely no outside help. The script of the play was composed by Cyril Coombs, Law '23, and every piece of music in the play is entirely original and composed by the author.

Twelve years of presentation of the Kosmet Klub musical productions has made the Klub's work one of the regular traditions of the campus. The object of the Klub is to promote interest in musical and dramatic original compositions from the writers in the student body. Exceptional talent has been developed in the past and many of the musical numbers used in the Kosmet Klub plays have been published.

Investigation was still under way on the proposed trip by the Klub to Omaha this year and a tentative date will be set in the near future. A special committee on Omaha production has been appointed and action is expected by Thursday morning. If the play goes to Omaha this year it will be the first time in the history of the Klub that the production has been taken out of Lincoln. Such a step represents a big undertaking and the complete support of the Omaha Medical School and the Omaha alumni must be enlisted to guarantee the production financially. Letters from Omaha people demanding a chance to present the show in Omaha have been received by the Klub for the last month.

MORE THAN MILLION YOUNG PIGS KILLED BY COLD WEATHER

Sioux City, Ia.—One and a half million young pigs were lost by farmers of Iowa, Nebraska, South Dakota and Minnesota as a result of the cold weather and blizzards which prevailed throughout the month of March, according to figures compiled by W. J. Kennedy, published here today.

Mr. Kennedy based his estimate on figures furnished by the reliable observers and reporters in practically every hog producing county in the four states.

The greatest loss occurred in Iowa, where 800,000 pigs were lost, more than the combined losses of the other three hog producing states, Minnesota and South Dakota each lost 200,000 of the young porkers.—The Lincoln Star.

SCOTT IN LINEUP

DEFIES BAD ANKLE
New York.—That Everett Scott, holder of baseball's endurance record, will be able to play today in the opening game of the American league season with the Boston Red Sox was indicated today by officials of the New York Yankees. Scott, who has played 986 consecutive games, is determined to reach the 1,000 game mark, and, in spite of the injured ankle, plans to play today.
