Then in the next year Bub Weller made a new varsity record of 127 feet 11 inches in the discus event, and Gish placed third in the high hurdles.

Forty co-eds and thirty men are working in the Kosmet show every night. Chief among the attractive choruses of the show will be the Sen Sen chorus of lively co-eds who will sing and dance the latest musical comedy style of old Broadway.

Students of the University of Minnesota paraded through the streets of Minneapolis recently as a final send-off to the Stadium-Auditorium drive. Eight thousand strong, with President Lotus D. Coffman at the head, they stamped at high noon, drawing great crowds in their enthusiasm.

TO OPEN MAY 4th

THE FOUNTAIN
On the South Veranda of Sunset Party House

Like a dream come true, a party house exquisite. It is beyond description, but imagine for yourself the Old Country Club as it sets upon the hill among the trees, silhouetted against the red of the setting sun, and with the spring breezes brushing across the verandas and in thru the French doors across the ball-room. Then picture yourself within and the whole lower floor in one expansive ball-room, softly shaded by delicately tinted lights and imagine the music being played by the Serenaders as it drifts out across the room. Then wander, in your mind, out upon the wide verandas into the evening dusk and finally enter the fountain room upon the south veranda where refreshments of every kind to suit your fanciful tastes will be prepared. It is a delight in itself to think of it, and you can only guess the wonder as you will actually find it.

The opening of this wonderful party house will be May 4th. The dances will be 10c but each one will be nearly double in time to those usually given, and the dancers will only have to generously honor the orchestra to secure an encore. A check room with the quickest service will be open. The fountain on the south veranda will give both car and table service.

Serenaders
