FRATERNITIES START SECOND ROUND SOON

Sixteen Teams Left in Running After Casualties Accounted for in First Round.

The completion of the first round of the annual interfraternity baseball tournament which began Monday, found sixteen teams still in the running Tuesday. In the ten games which were played in the first round ten teams were eliminated.

Results in Tuesday evening games were:

Delta Sigma Delta, 6; Kappa Sigma, 10.

Beta Theta Pi, 3; Phi Gamma Delta, 8.

Silver Lynx, 20; Phi Tau Epsilon, 6.

Wednesday's games in the second round will be between the following:

Acacia v. Kappa Sigma.

Sigma Alpha Epsilon v. Bushnell Guild.

Farm House v. Phi Gamma Delta.

Delta Tau Delta v. Xi Psi Phi.

Alpha Sigma Phi v. Delta Upsilon.

Sigma Nu v. Sigma Phi Epsilon.

Phi Alpha Delta v. Delta Chi.

Silver Lynx v. Alpha Tau Omega.

In the remainder of the contests no time and place will be set by the members of the "N" club who are managing the tournament. It will be left to the captains of the competing teams to confer and decide on the time and place and to select suitable officials. The same place will be used including the drill field, the Lincoln High field, the state farm campus, the municipal grounds, Rock Island ball park and Cushman Motor Works park.

No games will be played during the remainder of the week because of the many athletic activities already scheduled. Sunday or Monday the third round will be begun and the finals will be played off during the week.

NEBRASKA PLAYS AMES TWO GAMES

Cyclones to Be in Lincoln Thursday and Friday to Meet Diamond Men.

Nebraska expects to come out victorious Thursday and Friday when the Cornhusker baseball nine will meet the Iowa State team from Ames in a two-game series, and there seems to be some grounds for the expectation.

Under the direction of Coach Earl Carr the team has been getting a stiff daily workout in spite of the rains with which they have been forced to contend most of the time. Petty, catcher, who was ineligible for the last two games, has now brought his work up to standard and will be in the line-up again. Lewellen has recovered entirely from a split finger and probably will start one of the two games. Captain Carmen is also back in condition again after having a stiff arm which hindered his pitching all season, so he will again take his place on the mound in one of the contests.

Coach Carr announced that the line-up would be practically the same as last week. It will probably be Janda, cf, Colling, lf; Carmen, rf; Volz, ss; Smrha, 1b; Russell, 2b; Airies or Gibbs, 3b; Petty, c; pitch, Lewellen, Carmen. Tipton and Peterson are listed.

The Ames game was originally scheduled for next week and Nebraska was to have played at Ames this week, until the schedule was changed around.

STELLAR ATHLETES COMPETE SATURDAY

Mandery of Tecumseh Favorite in Century—Karr Leads in Shotput.

Among the fast men who will compete in the 100-yard dash in the state meet Saturday at the Fair Grounds are Wyman Kenagy, Klein, and Benson of Beatrice, all of whom run the century in 10 and 3-5 seconds. Columbus boasts of a fast sprinter in Lowry, colored lad who steps the 100-yards in 10.3. Evans of Fremont negotiates the century in 10 2-5 seconds, and will be a strong contender for first place Saturday. Gothenburg has an exceptional speed artist in Holmes, who ran the hundred in 10 2-5 seconds in the numeral competition. Spier, a Hastings dash man, covers the 100-yards in 10.3, while Campbell of Hebron is credited with equally fast time. Peterson will be Lincoln's fastest entry in the hundred, the Capitol City flash running the speed race in 10 3-5 seconds. McCook is sending Search, a 10.3 man, to the meet Saturday. Omaha Central has a pair of fast sprinters in Galloway and Jones, who break the 100-yard tape in 10 3-5 seconds. Wyatt of Scottsbluff is another speed artist, the Western lad being credited with a 10.3 performance in the century. Avar Mandery of Tecumseh is the ace of all high school sprinters, and should win Saturday, as he has stepped the hundred in the remarkable time of 10.1. Beal of Broken Bow ran the century in 10 2-5 seconds at the Custer County meet.

The same squad of dash men who will compete in the century will probably run in the 220-yard dash. Mandery of Tecumseh is also favored to win the 220, which he has run in 22 2-5 seconds.
The high school shotput record of

45 feet, 7 1-2 inches, made by Carl Lutes of Omaha Central in 1915, may be broken Saturday. Karr of Gothenburg heaved the 12-pound iron ball 46 feet and 3 inches in numeral competition, and if he is going strong, may repeat this throw for a new staa record Saturday. Layton of eBeatrice is another strong contender in the shot, the former football star having thrown the shot 40 feet, 8 inches. Gates of Columbus is throwing the ball better than 39 feet. Fremont will be represented by Chambers, who has made a 40 ft., 7 in. putt. Geneva has a strong entry in Nell, who is credited with tossing the 12-pounder 40 feet, 11 inches. Holmes, teammate of Karr of Gothenburg, has heaved the shot 40 feet. Curry, Hastings weight athlete, has a 40-foot putt on his record.

Galloway of Omaha Central, colored athlete, tossed the shot 40 feet in numeral competition, and over 43 feet in a school inter-class meet. Superior is sending Joe Weir, who has thrown the shot 42 feet. Brock of Tecumseh has registered a heave of 42 feet 2 1-2 inches. Wilber may score in this event with Joe Chaloupka tossing the iron ball better than forty feet, while Kuzelka, a teammate, has a 40-foot, 9-inch throw to his credit.

Among the best board jumpers entered into the state meet are oHolmes— and Ostergaard Karr of Gothenburg, all of whom jump well over 19 feet. Marvel of Hastings, with a 20-foot jump to his credit, should win a high place Saturday. Fleming and Peterson of Lincoln high have broad-jumped better than 19 feet this year. Mandery of Tecumseh is a strong contender in this event, with a jump of 20 feet to his credit. VanClevé leads the high school athletes in the numeral broad jump competition with a jump of 20 feet, 7 1-2 inches.

Nobody can understand just how silly and dangerous spooning is except those who did theirs twenty years ago.
