**SECOND ANNUAL FRATERNITY SING TO BE ON MAY 31**

Will Be Held in Connection with Ivy Day Services—Sponsored by Kosmet Club.

The second annual interfraternity sing will be held on May 31 on the city campus in connection with the Ivy Day services. The sing will be sponsored by the Kosmet Klub, which will present a cup to the winning fraternity. The cup to be given will be placed on display in the windows of the College Book Store on Saturday.

The winner will be determined by the number of men present at the sing, and the originality and quality of the songs. The name of the fraternity to which the cup is presented will be engraved on the trophy, and any organization winning the prize three times in succession will be given the cup as its permanent property. This is the first time that a cup has been awarded to the winner of an interfraternity sing.

The first interfraternity sing was held in the fall of 1921, on the football field. Last spring at Antelope Park the first Ivy Day sing was held. In the fall of this year, the following fraternities placed at the sing held in the Armory: Kappa Sigma, first; Silver Lynx, second; Alpha Sigma Phi, third; and Delta Tau Delta, fourth.

Arrangements are being made for other numbers on the program, including orchestra music and selections by a male quartet.

The names of the three judges will be announced later. There will probably be one or two faculty members and one or two business men of the city.

Miss Vera Rigdon, graduate student in the Department of Geography in 1922, has completed her work carried on in connection with her position as assistant in the Geography Department in the University of California. She has been asked to continue with the Geography work at the western school.
