ARTS AND SCIENCE COLLEGE TO MEET FOR CONVOCATION

New Members of Vestals and Centurions to Be Announced—Classes Will Be Dismissed.

BANQUET WILL BE HELD

First Graduate of College to Talk at Dinner—Dean Buck to Tell of His Experiences.

Students of the College of Arts and Sciences celebrate annual Arts and Sciences day tomorrow at a convocation at eleven o'clock and a banquet at six.

Classes in the Arts colleges are dismissed for the convocation at the Temple. New members of the Centurions and Vestals will be announced at this time. Tickets for the dinner at Miller and Paine's are now on sale at the Student Activities office, and from members of the Centurions and Vestals.

No efforts are being spared to make this the most successful Arts and Sciences Day in the history of the college. At the convocation, Regent Seymour will speak to the students. Dean Philo M. Buck will preside and one or two other numbers are planned.

Judge J. S. Dales, first graduate of the Arts College, is scheduled to make a short talk at the evening banquet, at which it is expected that about four hundred students and members of the faculty of the college will gather. Dean Buck has promised to tell some of the most interesting experiences on his recent trip around the world. Musical numbers are promised by the committee.

The initiation ceremonies at the convocation tomorrow morning are unusual, according to committee. The Vestals, honorary Arts girls' organization, has worked for some time preparing for the public selection of their new members. Seven underclassmen have been chosen for the Centurion organization of Arts college men and they will be publicly selected at the convocation.

The committee in charge of the dinner is asking that all who expect to attend buy tickets today as an estimate of the number at dinner is required is afternoon. The price of the dinner tickets is one dollar.

Y. W. C. A. Advisory Elects New Members

Four new advisory members for the Y. W. C. A. Board were elected at their last meeting. The alumni member is Mrs. Frank Westover, formerly Ada Stidworthy, who was student president 1920-1921. Mrs. J. P. Senning was chosen to represent faculty members' wives. Mrs. B. F. Williams, of the City Board, was elected exchange member and Miss Adeline Reynoldson, assistant in history, represents the faculty.

Once Monarch of Football Coaches Signs as Columbia Head Mentor

The eastern football world seems to be pretty much stirred up over the signing up of Percy Haughton to coach the Columbia University football team. At one time, and that wasn't so many years ago, this man was recognized, and indisputably recognized, as the monarch of football coaches. With the changes that have taken place in the few years of football, with the changes of schools, with a few years added to the age of the man and a thousand influences making the conditions a little different the speculation now is whether Percy Haughton is the same man that he was and whether he will turn out to be the Columbia institution like he turned out for old Harvard.

Whether through curiosity or through real desire to know, the east seems to be rather interested in the salary that it took to induce Haughton away from his business. He was a rather successful business man, having entered the brokerage business after leaving Harvard. It is presumed that Columbia was at the askers end of the string when it came to getting

W. A. A. Appointments Made for Next Year

Irva Kirk '24 has been appointed the publicity manager of W. A. A. and Lois Pederson has been appointed the concession manager of the organization for next year. The appointments were made by Marie Snavely, president-elect.

The publicity manager's duties include the scheduling of all meetings in the Daily Nebraskan and the advertising of all W. A. A. events. The concession manager has charge of the buying and the selling of all candy and apples for the organization.

STUDENT COUNCIL TO FOSTER CONVOCATION

Plans to Control Drives on Campus—Try to Help Freshman Become Acquainted.

To plan for a freshman convocation in accordance with the customs of the older colleges and universities of the country, a committee was appointed at the meeting of the Student Council held last Friday afternoon at five o'clock in the Social Science building. The convocation will be held early in the fall, to help the incoming students to become acquainted with the University.

The regulation with regard to the securing of permission before planning drives for soliciting money on the campus, is to be strictly enforced in the coming year. Each organization which wishes to campaign for funds must first secure permission from the Council, according to an announcement after the meeting.

The project of the "Community Chest" is being considered as a solution of the problem of constant drives on the campus, according to the members of the Council. The licensing of all selling campaigns on the campus except those put on by the staffs of the publications, is also considered as a way to stop the "drive nuisance."

W. A. A. Will Hold Annual Luncheon

The third annual W. A. A. luncheon will be held at the Woodburn June first at twelve o'clock. This luncheon will be attended by many of the alumnae who are coming to Lincoln for the Roundup.

David Van Gilder, retiring president, will be toast mistress and the following girls will respond: senior, Beulah Grabill, junior, Marie Snavely, sophomore, Rosalie Platner and Eleanor Flattermensch, freshmen.

This is the occasion of the awarding of the individual cup to the girl receiving the most W. A. A. points during her college life.

Eighty-nine colleges of agriculture students will be graduated at the June commencement—thirty-nine men and fifty women. This is an increase of nearly 50 per cent over last year.

Percy Haughton back into football. By figuring the do and don't of whether he should enter football or not again, the statistic hounds have estimated that it took about \$15,000 to get him to go to Columbia and to top that off it is very evident that the date like said that Mr. Haughton was to stay in this position for some years to come.

With the most important points settled to the satisfaction of no one it is but left to draw conclusions as to the success that this man may enjoy. Articles compiled by the Literary Digest show that various editors put the odds against Haughton for turning out a team from the New York school that will come anywhere near the record that he set at Harvard. Editors point out that Haughton was a graduate from the Canton bridge school and that he had the school spirit in his heart that added momentum to the ability that was already his. Again Columbia went without a team for ten years and has kind of lost the football spirit that (Continued on Page Four).

R. O. T. C. TO END ACTIVITIES WITH ANNUAL COMPET

All Classes to Be Excused This Afternoon—Stands Being Erected for the Spectators.

PARADE BEGINS AT 7:30

Annual Shirt-Tail Escapade to Be Headed by Winning Company—Judges Announced.

All classes will be excused for competitive drill, to be held this afternoon on the drill field north of the Social Science building, according to an announcement made yesterday by the Registrar. The Military Department plans to erect a stand that will seat 1,000 people on the drill field. The first call for the review that will open the drill will be sounded at 12:50 p. m.

The company which wins the "compet" will lead the shirt-tail parade which will begin at 7:30 when the cadets in the costumes which they choose to wear, will meet in front of the Armory. There will be a march through the city streets, and the cadets will probably march through the theaters.

The judges of the company drill will be Major C. J. Frankforter of the Officers' Reserve Corps, Captain V. G. Huska of the 17th Infantry, and First Lieutenant Morris H. Forbes of the Military Department. Lieutenant Colonel Wilbur A. MacDaniel of the United States Infantry, Captain King of the Officers Reserve Corps, Captain R. W. Nix of the Military Department, Lieutenant Allen Wilson of the Officers' Reserve Corps, and Lieutenant C. F. Rodgers of the Officers' Reserve Corps, will judge the individual drill. The judges of Company Inspection are Commander Ernest Guenzel of the American Legion, Major H. C. Stein of the Nebraska National Guard, and Captain B. L. Knight of the Military Department.

The "Omaha Cup" and Blue Ribbons will be given to the Company winning first place in the Competitive Drill. Red ribbons will be given to the Company placing second, and white ribbons to the Company winning third. Loving cups will be given for first, second, and third places in the individual competitive drill.

The drill will be opened by the review of the Regiment by Chancellor Avery and Major Erickson. Following this the companies will be inspected and will drill in the following order:

- Company I—Captain Norris W. Collins.
- Company B—Captain George H. Taylor.
- Company A—Captain Ellery H. Frost.
- Company M—Captain Dwight S. McKiver.
- Company C—Captain Norris G. Kenny.
- Company H—Captain H. Stephen King.
- Company K—Captain Ivan P. Hanson.
- Company F—Captain Edgar C. Tullis.
- Company L—Captain Donald W. Hewitt.
- Company D—Captain Ernest Zachau.
- Company E—Captain T. Pierce Rogers.
- Company G—Captain Howard A. Willey.

After the Company Drill the Individual Competitive Drill will be held. After the Individual "Compet" the presentation of the sponsors to the companies will take place. When the judges have made the awards the sponsors will present the prizes to the winning companies. A parade will close the Drill.

Competitive Drill has been held annually on the Campus since 1893 with the exception of two years. In 1898 there was no drill because of the Spanish-American war and in 1917 the World war made "compet" impossible.

The opening round of the University tennis tournament started last week.

Don Elliott defeated Don Eyer, 6-1, 6-0.

R. Eyer defeated W. Lindley, 6-3, 6-1.

W. Berkle defeated R. Burleigh, 6-1, 6-1.

Fifty Girls Take Part in W. A. A. Dance Drama

In the W. A. A. Dance Drama which was given February 28 at the Temple theater, fifty girls took part. Aesthetic dancing is one of the minor sports, and one hundred points are awarded to each girl who takes part in the production.

The Dance Drama is a new undertaking of W. A. A., the first of its kind being given last year, but it is new an established annual event. It is the wish of all members that the Dance Drama will bring many girls into the organization who are not interested in other sports.

TWELVE "N" SWEATERS TO BE AWARDED JUNE 1

Each Winner Earned Twelve Hundred W. A. A. Points to Merit Letter.

Twelve "N" sweaters will be awarded at the annual W. A. A. banquet at the Woodburn, June 1. Each winner of a sweater has earned 1200 W. A. A. points. Nineteen "N" sweaters were awarded at the banquet last year, thirteen of this number are still in school.

The new "N" girls are: Louis Bransted, Dorothy Whelpley, Esther Swanson, Harriet McClelland, Bernice Bailey, Eolin Cull, Helen Yont, Jessie Hiatt, Grace Dobish, Blanche Gramlich, Margaret Tool, Irene Barquist.

FOURTEEN TEAMS PLAY IN COLOR TOURNAMENT

One Hundred and Twenty-Eight Girls Report for Basketball During Year.

This year one hundred twenty-nine girls reported for basketball. Under the leadership of Lois Shepherd, sport leader, the largest Color Tournament in the history of W. A. A. was staged. Fourteen teams competed for the honors, which were won by the Old Rose Team from the Dark Green with a score of 20 to 19. The Old Rose team was captained by Angela Fangman.

The freshman class first team, Florence Steffes, captain, won the class tournament from the junior 22 to 12. The freshman also won the second team tournament from the juniors. Miss Elva Gates referred the class tournament games.

Every girl who completes the required eight practices may play in the color tourney. The captains for the teams are chosen by the coach and the sport leader. The captains draw the names of players for their teams. The tourney is one of elimination. The members of the winning team are awarded 50 points. Members of the class teams receive one hundred points.

Co-Eds Take Fancy to Zoological Subjects

Speaking of the co-eds' recent acquisition of live stock, the Pi Phi snake-charmer should go into business with another co-ed we know who keeps a toad in her room—a real, live, puffy toad named Jimmie Deek. Jimmie hops all over the room; sometimes he is in a powder box on the dresser, or on the table drinking ink, but his favorite perch is on the bed where he always takes his naps. Of course, if one has a room mate who doesn't mind stepping on a cold-warty toad, or being choked to death by a bull snake, these would-be zoologists would get away big. However, we prefer our livestock caged.

W. A. A. wishes to thank Major Erickson, Miss Louise Pound, and Miss Della Marie Clark for their helpful assistance and interest in W. A. A. and in girls' athletics. DAVIDA VAN GILDER, W. A. A. President.

GIRLS WILL HOLD INTERCLASS MEET

More Than Fifty Athletes to Participate in Co-Ed Cinder Tournament.

The girls' interclass track meet will be held Wednesday afternoon beginning at one-thirty on the field east of the Social Science Building. The public is invited to attend the meet, in which more than fifty girls will probably participate.

Last year, Nebraska girls entered the national telegraphic meet and broke several records. LaVerne Brubaker broke the world's record in the seventy-five yard dash. Evelyn Rolls, in practice, is bettering the mark she made in shot put last year, when she made a new state record.

Esther Swanson is the W. A. A. sport leader in charge of the meet. The temporary class relay team captains are: Harriett McClelland, freshman; Irene Mangold, sophomore; Anna Hines, junior; and Sara Surber, senior. The events will include dashes, pole vault, hurdles, high jump, broad jump, shot put and javelin.

W.A.A. Heads Women's Athletics in the University of Nebraska

The Women's Athletic association was organized at the University of Nebraska, March 29, 1917. Since that time, it has had full charge of sports for women, with the co-operation of the department of Physical Education. The Nebraska organization is a charter member of the Athletic Conference College Women, which is a national organization having associations in all the large universities and colleges for women.

Every girl in school who has earned one hundred points in any branch of the athletic association. These points may be earned in soccer, hockey, track, tennis, baseball, track, hiking, basketball, swimming, and dancing. Such a diversity of sports is calculated to offer opportunity for every co-ed to "get into the game."

W. A. A. is governed by an executive board made up of the ten sport leaders, the concession and publicity managers, and the regular officers. Each member of the board helps every other member to give her special sport a successful season.

A pledge of \$500 to Nebraska's Memorial Stadium has been made by W. A. A. The pledge was made by the unanimous vote of the board. The early payments have been made and the remainder will be earned by members of the association during the next year.

The second great accomplishment of the year 1922-23 has been the publication of a new constitution, unique for its completeness. The document contains the entire point system used in the sports sponsored by the club. Copies are sold at ten cents each to active and alumnae members of the organization and may be secured from Lois Pederson, Missouri, Iowa, Washington, Midland, Northwestern, and Kansas Universities have written for copies of the constitution. It is also sent to high schools wishing to organize athletic associations.

Rifling has been initiated this year as a sport under the direction of W. A. A. The association is indebted to Major Erickson for the instruction given the teams. A great deal of interest was manifested in the sport by girls in and out of the association, and plans are made for more extensive practice next year.

As a final project, the club purchased two dozen new hockey clubs and bases for the baseball diamond. The price of the hockey clubs was \$75.00.

The Bulletin is another new institution in W. A. A. this year. Early in the year, the girls felt the need of a bulletin, which everyone might read to know what was next on the program. Irene Barquist has published the W. A. A. bulletin which contains announcements, editorial comments and fitting bits of poetry. A bulletin comes out each Monday morning.

Every girl who comes into the gym has noticed the artistic, clever posters on the W. A. A. bulletin board. They produce a striking atmosphere contrasting with the somberness of the hallway. Freda Amos is the artist whose work has done so much in attracting the attention of new girls and thus interesting them in the various sports.

Predictions that Germany will be the mightiest nation in Europe with a monarchical government, France in the second rank and Russia, ruled by a Romanoff czar, were made by the German historian, Dr. Max Kemmerlich today.

One member of the board is elected to represent the associations at the national convention. A conclave is held every fourth year. Next year the meeting will be held at Los Angeles, California. Every other year, a diversion conference is held. Last year, Nebraska's W. A. A. sent four delegates to the convention which was held at Boulder, Colorado.

The retiring W. A. A. Board is as follows: President—David Van Gilder. Vice-President—Eleanor Snell. Recording Secretary—Sara Surber. Secretary—Dorothy Whelpley. Treasurer—Cora Miller. Soccer Leader—Louise Branstad. Hockey Leader—Jessie Hiatt. Basketball Leader—Lois Shepherd. Baseball Leader—Rosalie Platner. Track Leader—Esther Swanson. Dance Drama Leader—Beulah Grabill.

Swimming Leader—Marie Snavely. Hiking Leader—Pearl Safford. Concession Manager—Blanch Gramlich. Publicity Manager—Lois Pederson.
