**Dawson Stages Secret Scrimmage in Which Freshmen Use Illini Plays on Varsity; Line Prospects Are Better.**

**WILL STAGE FINAL WORKOUT IN OPEN**

**Much "Bear" Dope Comes from Zuppke Camp; Walter Eckersall to Referee Contest on October 6.**

Behind closed gates Head Coach Dawson pitted the varsity against the freshman football team in a stiff workout on the stadium field Tuesday afternoon. The Varsity took the defense and the freshmen charged them with the Illinois plays which they have been practicing on their own field.

The team picked by Coach Dawson was McAllister and Rhodes ends, Weir and Bassett tackles, Ogden and Berquist guards, Hutchinson center, and Captain Lewellen and Dave Noble defensive halfbacks, Herb Dewitz quarter, and Hartman fullback. At first the Frosh charged for short gains but soon their methods of attack were unraveled and the Varsity held them on most every play.

Prospects have picked up in the Cornhusker camp in regard to Saturday's game with Illinois. Although Illinois is sending out a lot of "bear" dope in regard to the game, telling what an advantage the Cornhuskers have over the green Illinois team, the followers of the scarlet and the cream are taking very little stock in these lamentations. Dawson and the other

coaches are remembering that altho Nebraska is the conqueror of Notre Dame, there were many stars who played their last game for Nebraska and consequently new men must be whipped into shape, a task which is very perplexing. The stars who played their last game with Nebraska last year were Captain Hartley, Scherer, Schoepfle, Thomsen, Wenke, Weller, Russell, Hoy and Peterson. By scanning the list one can see the handicap Nebraska has. Illinois has a letter man for almost every position although they state they have only one man in the back-field.

The stiff line scrimmages that have been held lately are doing much in developing front wall material. From the group of Bassett, Weir, Berquist, Ogden, Hutchinson, McAllister, Rhodes, Westopoul, McGlasson, Packer, Hendrickson, Halbersleben, Collins, Robertson, Reed,

the coaches can no doubt pick a combination that can stop the terrible onslaught that Illinois is preparing to make against the Huskers Saturday. The wall prospects are perking up, practise by practise.

The final scrimmage before the first game will be open to the public on the stadium field this afternoon.
