RALLY FOR FIRST HOME GAME WILL BE HELD TONIGHT

Captain Lewellen Will Introduce Every Member of 1923 Squad; Cheering and Music by Band on Program.

SOONER GRID MACHINE AND COACH MAY COME

Dr. Condra Is Principal Speaker; Corncocks to Help Raise Enthusiasm.

Rally of all loyal Nebraska students will be held in the Armory tonight at 7:15 in preparation for the Oklahoma game Saturday. Captain Lewellen will introduce every member of the 1923 football machine to the assembled Husker followers. Coach Benny Owen and his Sooners may attend. Cheering, speaking, and music by the University band are also on the program.

The committee in charge is making every effort to secure the Oklahoma team's presence at the rally and it is expected that Coach Benny Owen of the Sooners will favor the crowd with a few words. He is a well-known figure on the Nebraska campus, having made frequent visits to Lincoln the past few years.

Dr. G. E. Condra will be the official speaker of the evening. He has been connected with the University for many years and is well acquainted with all the football teams of the past twenty years. He has helped to build up a good many of the traditions now on the campus. He will build up a good many of the traditions have been and what he expects them to develop into.

Fraternities and sororities are expected to attend in a body. The rally is not expected to last over an hour. The Corncocks, Nebraska's pep organization, are to have some part of the program.

Oklahoma is sending a large delegation of students to the game but they will not arrive until Saturday morning. The Sooners are touted as having one of the strongest teams in the Valley this year and this is expected to be a real test of Nebraska's strength for another Valley championship. With a good turnout this evening it is expected that it will help boost Nebraska's chances for defeating the Oklahoma eleven as decisively as it was defeated two years ago on Nebraska field.

NOMINATE MANY FOR HONORARY COLONEL

Fifty Attend First "Rag Feed" of Year

Fifty members of the Daily Nebraskan staff attended the first "rag feed" last night at the Temple cafeteria. A few short speeches were made by executives of the staff. The meal was served by staff members in one of the private dining rooms at the Temple.

WOMEN'S ASSOCIATION AIDS FRESHMEN GIRLS

Campus Life Explained to First-year Co-eds at Special Convocation.

To aid freshman girls in adjusting themselves to University life a convocation was held Thursday afternoon at the Temple Theater under the auspices of the Women's Self-Government Association. A talk by Miss Amanda Heppner, dean of women, and brief remarks by the president of campus organizations made up the program. Each freshman girl was given a copy of "A Nebraska Girl's Creed" and "An 'If' for a Nebraska Girl."

"You are here first of all for mental training," said Miss Heppner. "Your studying must come first. Your school work is your vocation, your other activities your avocations. If you must sacrifice it must be your pleasure or activities. It must not be your health or your studies."

Miss Heppner also advised the freshman girls to assume a friendly attitude toward their fellow classmates and toward upperclassmen—to go three-fourths of the way in making friendships if necessary. She included information regarding Ellen Smith hall, drop slips, delinquencies, and the health service in her talk.

Marian Madigan, president of Senior Advisory Board, Josephine Schramek, president of Girls' Commercial Club, and Ruth Gnam, president of Valkyrie, also spoke.

STAGE CONVOCATION TO AID TICKET SALE

Music and Speeches on Program of Bizad Meeting Thursday.

To aid the sale of student athletic tickets a convocation was held in the Bizad college yesterday morning at 11 o'clock in the Social Science auditorium. Dean LeRossignol delivered the main address.

The Louisiana Ragadors opened the convocation with several selections. About 250 students of the Business Administration college were there.

Joy Berquist, varsity guard, and Coach Schulte both delivered short talks. Each student was urged to buy a student athletic ticket.

Dietrick Dirks and Josephine Shramek, joint chairmen of the convocation, were in charge of the convocation.

Entertain Freshmen Girls at Tea Friday

A tea for all freshman girls will be given by the freshman commission Friday afternoon from 3 to 6 o'clock at Ellen Smith hall.

SLUMP IN SALES SECOND DAY OF TICKET CAMPAIGN

College Committees Are Enlarged in Effort to Make Goal by 5 O'clock; Bizads Reach Quota Assigned.

FOUR THOUSAND MARK IS NOW OUT OF SIGHT

Today Is Last Opportunity to Purchase Season Passes; Managers of Sale Believe Many Wait Till Final Day.

A slump in sales in the student athletic ticket campaign was unexpectedly met by canvassers on the campus Thursday. Only a fraction of the number sold on Wednesday were purchased yesterday. The total number of tickets sold will be shown on the sign on the south wall of the Armory.

College committees today have been enlarged and an extra effort will be made to reach the quota of 4,000 before Friday night. Today is the last chance for purchase of student tickets at the reduced price of \$7.50. Those who want to sit in the student section at the game Saturday must buy the ticket before tonight.

The College of Business Administration went over its quota yesterday afternoon, following the College of Pharmacy, which reached its goal the first day of the drive. The other colleges plan to make their allotments before tonight.

Canvassers believe that a large number of students have been waiting until the last day of the campaign to make their purchase. Those who have not bought the ticket yet include students on the committees to sell Friday, and those who were not financially prepared at the outset of the drive. These people are expected to swell the total of today's sales.

An added advantage of the student ticket not announced by the committee before is the fact that the Armory is so small that only those who hold student tickets will probably be able to see the basketball games there. Wrestling matches are also held in the Armory.

Arline Rosenberry Wins by One Sale

Arline Rosenberry of the College of Arts and Sciences was the highest individual salesman for Thursday, the second day of the athletic ticket sale. Miss Rosenberry with a total of twenty-two was only one ahead of Charles Yungblut of the College of Business Administration.

Mr. Yungblut still leads in the grand total, having sold ninety-six tickets in the two days of the drive. Miss Rosenberry has sold ninety-one. The general slump in the sales Thursday showed in the work of the individual solicitors. The totals of twenty-two and twenty-one were small compared to the totals of seventy-five and seventy for Wednesday.

CONTEST FOR BEST HUSKER YELL CLOSES

Athletic Officials and Innocents Will Hear Cheers Tried on R.O.T.C.

The Nebraska yell contest which has been conducted by the Innocents during the past week closed yesterday afternoon. The mail received by the yell chairman Thursday measured ten inches high and included suggestions for new Cornhusker cheers from all parts of the state.

The submitted yells will be tried out before a committee of athletic officials and Innocents today and Saturday with R. O. T. C. companies assisting. The winner of the recent contest will be awarded two season tickets to Nebraska athletic competition by the N club and the yell judged most appropriate from the standpoint of originality and carriage en masse will be used by the student body during the Kansas Homecoming grid contest.

The composer of the winning cheer will be announced in the Nebraskan Sunday morning.

ENGINEERS GATHER TO OUTLINE YEAR'S PLANS

Dean Ferguson, Coach Schulte and Professors Mickey and DeBaufre Speak.

Plans for the year's activities were outlined to Engineers in special convocation Thursday at 11 o'clock in the Armory. The speakers were Dean O. J. Ferguson, Coach Henry F. Schulte, Prof. C. E. Mickey and Prof. W. L. DeBaufre. Engineers' cheers characterized the gathering.

Out-of-town speakers are to be secured for Engineers' convocation as often as possible, Dean Ferguson, who presided, announced.

Coach Schulte, the next speaker, pointed out that, although the hardest working college on the campus was the College of Engineering, part of the regular routine of college life was the association of every student with some outside activity. He stated that the highest type of expression and virility is to be found at Nebraska and that this is the real origin of Nebraska spirit.

Professor Mickey traced the growth of the college from its rise from the mathematics department and the industrial college. He (Continued on Page 4)

SPHINX ENFORCE GREEN-CAP RULE WITH IRON HAND

Sophomores Begin This Week to Use "Maid First" in Dealing With Refractory Freshmen.

BARBECUE FOR FROSH COMES NEXT WEEK

Secret Vigilance Committee Will Inflict Punishment on Those Found Guilty by Special Council.

Strict enforcement of the wearing of green caps by all freshmen men is to be instituted this week, it was decided at the last meeting of the Iron Sphinx, sophomore men's honorary. Plans for the coming freshmen barbecue which will probably be held next week were also discussed.

The Sphinx are being supported in the green-cap enforcement by the Innocents and Coach Dawson, dean of men. It has been decided that the caps must be worn during waking hours, seven days a week, including social engagements and church.

Each member of the sophomore organization is to be a committee of one to see that the rule is lived up to. A special vigilance committee will have charge of the enforcement and will punish offenders. Other Sphinx members will report all violations to them. The names of those on this committee are secret.

The first-year men who violate the rule will be called up before a council to answer the charges and will be duly punished if found guilty.

The annual barbecue for all freshmen men will probably be held next week. The committee in charge of the affair is Marion Woodard, chairman, Ben Ravitz, Allen Holmes, and Leo Black.

Thomas Wake was elected treasurer to take the place of John Townsend who was elected last year and did not return to school this year.

The Sphinx have taken definite action to get the sophomores in training for the Olympics, although the date for their fray has not been definitely set. Sophomore try-outs will take place in a few days.

Players Double Last Year's Ticket Sales

Selling twice the number of tickets bought last year, the University Players have sold more than \$1,000 worth of student tickets to date in this year's campaign. Most student tickets are for the Saturday matinee. As a result the Players are making Saturday a student matinee.

Evening tickets, used mostly by the faculty and general public, have not been sold out and are still available, according to E. L. Erickson, business manager. Because of the student support, a signed statement has been issued to publicly thank all who purchased tickets.

All persons selling student athletic tickets be sure to check them in by 6 o'clock tonight.

HUSKERS GLOOMY WITH LEWELLEN OUT OF LINE-UP

Rufus Dewitz Will Probably Be Assigned "Lew's" Place as Field General in Starting Oklahoma Game.

CAPTAIN NOT ABLE TO SCRIMMAGE FOR WEEK

Berquist Still Limping; Hasn't Bucked the Line Since Game With Illinois, When He Was Injured.

Nebraska's "fighting Cornhuskers" will inaugurate the home season tomorrow afternoon when they meet Coach Benny Owen's forward-passing Sooners on the new Memorial Stadium field.

Old man gloom has flown over the Husker camp and dropped most of his cargo, injuries being the cargo. Captain Lewellen is out of moleskins and will be out for quite a few days due to an infection on his left knee. "Lew" spend Wednesday night in the Lincoln Sanitarium while the attendants applied hot packs throughout the night. He limped down to the Armory Thursday afternoon for workout but Coach Dawson sent him home and gave him strict orders to stay off his feet. The infection will probably keep him out of scrimmage for a week. His place in the backfield may be assigned to Rufus Dewitz to start as field general against Coach Owen's Sooners.

Berquist is still limping with his game leg and has been kept out of the scrimmage since the Illini game.

The Thursday practice consisted mostly of passing and punting with the second and third team scrimmaging with the freshmen. Coach Dawson had his first string to themselves on one corner of the field going through a snappy signal practice. Rufus Dewitz was calling signals, with Dave Noble, Locke, and Herb Dewitz lugging the ball. This combination may be started against the invaders. The forward wallers who will start with the kickoff have not been definitely picked, but will probably be McAllister or Meyers, and Rhodes, ends; Weir and Bassett tackles; Berquist and Ogden, guards; Hutchison or Westoual, centers. There may be some last minute changes made before the team takes the field.

GLEASON IS CHOSEN HEAD CHEERLEADER

Bradley, Junge, Roberts, and Sidles Selected as Assistants to "Duke."

Monroe "Duke" Gleason was chosen head cheerleader for the coming athletic season, following try-outs conducted Thursday afternoon by the Innocents society. "Duke" was chosen to fill the vacancy left by Freddie Richards who did not return to school this semester. William Bradley, cheerleader of last year, was chosen first assistant to Gleason.

The lineup for the Oklahoma game Saturday will be as follows:

Student section—Duke Gleason, Bill Bradley, and Morris Roberts; reserved section—Emmett Junge, head leader, Owens and Kamm, assistants. Phil Sidles was picked out of the freshmen competitors as yearling leader.

These selections are only temporary and the ability shown in Saturday's game will prove their permanency, the committee says. Some of the other men who showed outstanding ability may be called upon to fill vacancies within the next few weeks.

New Pastor to Speak at Y.M.C.A. Meeting

Dr. C. C. Travis, new pastor at the Grace M. E. church of Lincoln, will speak at the second regular Y.M.C.A. meeting Friday noon. A fifteen minute sing led by Merle Loder, with Keith Tyler at the piano, will precede the speaker.

According to Paul Stout, chairman of the committee in charge, everyone is invited.
